Ladies and Gentlemen:

CPS Receivables Corp., a California corporation (the "Company") and wholly-owned subsidiary of Consumer Portfolio Services, Inc., a California corporation ("CPS"), proposes to issue and sell to you in your capacities as the Underwriters (the "Underwriters"), \$87,522,834.56 aggregate principal amount of CPS Auto Grantor Trust 1996-2 6.30% Asset-Backed Certificates, Class A (the "Certificates"). The Certificates will be issued by CPS Auto Grantor Trust 1996-2 (the "Trust") pursuant to the Pooling and Servicing Agreement (the "Pooling and Servicing Agreement") dated as of September 1, 1996 among the Company, CPS, as servicer (in such capacity, the "Servicer") and Norwest Bank Minnesota, National Association, as trustee (the "Trustee"). Pursuant to the Pooling and Servicing Agreement, the Trust will also issue \$4,606,464.98 aggregate principal amount of CPS Auto Grantor Trust 1996-2 11.30% Asset-Backed Certificates, Class B (the "Class B Certificates") which are not being offered pursuant to the Registration Statement (as defined below) and are not the subject of this Agreement. The Class A Certificates will evidence, in the aggregate, beneficial ownership of an undivided 95% interest in the Trust (other than interest received by the Trust in excess of the Class A Pass-Through Rate). The Class B Certificates will evidence, in the aggregate, beneficial ownership of an undivided 5% interest in the Trust (other than interest received by the Trust in excess of the Class B Pass-Through Rate). The assets of the Trust will include, among other things, a pool of retail installment sale contracts and all rights and obligations thereunder (collectively, the

"Receivables"), with respect to Rule of 78's Receivables, all payments due thereunder after September 18, 1996 (the "Cutoff Date"), with respect to Simple Interest Receivables, all payments received thereunder after the Cutoff Date, security interests in the new and used automobiles, light trucks, vans and minivans securing the Receivables, certain bank accounts and the proceeds thereof, the Policy (for the benefit of the Class A Certificateholders only) and the right of CPS to receive certain insurance proceeds and certain other property, all as more specifically described in the Pooling and Servicing Agreement.

The Class A Certificates will be issued in an aggregate principal amount of \$87,522,834.56 which is equal to 95% of the aggregate principal balance of the Receivables as of the Cutoff Date. The Class A Certificates will bear interest at an annual rate equal to 6.70% (the "Class A Pass-Through Rate") in accordance with the provisions of the Pooling and Servicing Agreement. The Class B Certificates will be issued in an aggregate principal amount of \$4,606,464.98 which is equal to 5% of the aggregate principal balance of the Receivables as of the Cutoff Date. The Class B Certificates will bear interest at an annual rate equal to 11.30% (the "Class B Pass-Through Rate") in accordance with the provisions of the Pooling and Servicing Agreement.

To the extent not otherwise defined herein, capitalized terms used herein shall have the meanings assigned to such terms in the Pooling and Servicing Agreement.

As the Underwriters, each of you have advised the Company that (a) you are authorized to enter into this Agreement and (b) each of you is willing, acting severally and not jointly, to purchase the aggregate principal amount of the Certificates set forth opposite your respective names in Schedule I hereto.

In consideration of the mutual agreements contained herein and of the interests of the parties in the transactions contemplated hereby, the parties hereto agree as follows:

1. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company, with respect to the Company, and CPS, with respect to CPS, and both the Company and CPS in all other instances, each represents and warrants to, and agrees with each Underwriter, as of the date hereof and as of the Issuance, that:

(a) CPS has filed with the Securities and Exchange Commission (the "Commission") a registration statement on Form S-3 (File No. 333-09343), including a Base Prospectus, for registration of the offering and sale of the Certificates under the Securities Act of 1933, as amended (the "1933 Act"), and the

rules and regulations (the "1933 Act Regulations") of the Commission thereunder which conforms with the requirements of the 1933 Act and the 1933 Act Regulations. CPS has complied with the conditions for the use of a Registration Statement on Form S-3. CPS may have filed with the Commission one or more amendments to such Registration Statement, and may have used a Preliminary Final Prospectus, each of which has been previously furnished to each of the Underwriters. The offering of the Certificates is a Delayed Offering and, although the Base Prospectus may not include all the information with respect to the Certificates and the offering thereof required by the 1933 Act and the 1933 Act Regulations to be included in the Final Prospectus, the Base Prospectus includes all such information required by the 1933 Act and the 1933 Act Regulations to be included therein as of the Effective Date. The Company will hereafter file with the Commission pursuant to Rules 415 and 424(b), a final supplement to the Base Prospectus relating to the Certificates and the offering thereof. As filed, such final supplement shall include all required information with respect to the Certificates and, except to the extent the Underwriters shall agree in writing to any modification thereof, shall be in all substantive respects in the form furnished to each of the Underwriters prior to the Execution Time or, to the extent not completed at the Execution Time, shall be in such form with only such specific additional information and other changes (beyond that contained in the Base Prospectus and any Preliminary Final Prospectus) as the Company has advised each of the Underwriters, prior to the Execution Time, will be included or made therein.

(b) On the Effective Date, the Registration Statement did or will, and when the Final Prospectus is first filed (if required) in accordance with Rule 424(b) and on the Closing Date (as defined below), the Final Prospectus (as supplemented and amended as of the Closing Date) will, comply in all material respects with the applicable requirements of the 1933 Act, the 1933 Act Regulations, the Securities Exchange Act of 1934, as amended (the "1934 Act"), and the rules and regulations thereunder (the "1934 Act Regulations"); on the Effective Date, the Registration Statement did not or will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; and, on the Effective Date, the Final Prospectus, if not filed pursuant to Rule 424(b), did not or will not, and on the date of any filing pursuant to Rule 424(b) and on the Closing Date, the Final Prospectus (as supplemented and amended in the case of the Closing Date) will not, include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading; provided, however, that each of CPS and the Company makes no representations or warranties as to the information contained in or omitted from the Registration

Statement or the Final Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement or amendment thereto) or the information regarding the Certificate Insurer set forth under the heading "THE CERTIFICATE INSURER" in or incorporated by reference in the Preliminary Final Prospectus and the Final Prospectus.

(c) The terms which follow, when used in this Agreement, shall have the meanings indicated.

"Base Prospectus" shall mean the prospectus referred to in Section 1(a) hereof contained in the Registration Statement at the Effective Date.

"Delayed Offering" shall mean the offering of the Certificates pursuant to Rule 415 which does not commence promptly after the effective date of the Registration Statement, with the result that only information required pursuant to Rule 415 need be included in such Registration Statement at the effective date thereof with respect to the Certificates.

"Effective Date" shall mean each date that the Registration Statement and any post-effective amendment(s) thereto became or become effective and each date after the date hereof on which a document incorporated by reference in the Registration Statement is filed by the Company.

"Execution Time" shall mean the date and time that this Agreement is executed and delivered by the parties hereto.

"Final Prospectus" shall mean the prospectus supplement relating to the Certificates that is first filed pursuant to Rule 424(b) under the 1933 Act after the Execution Time, together with the Base Prospectus.

"Preliminary Final Prospectus" shall mean any preliminary prospectus supplement to the Base Prospectus which describes the Certificates and the offering thereof and is used prior to filing of the Final Prospectus.

"Prospectus" shall mean, collectively, the Base Prospectus, any Preliminary Final Prospectus and the Final Prospectus.

"Registration Statement" shall mean (i) the Registration Statement referred to in Section 1(a) hereof, including all documents incorporated therein by reference,

Any reference herein to the Registration Statement, the Base Prospectus, any Preliminary Final Prospectus or the Final Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 which were filed under the 1934 Act on or before the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Final Prospectus or the Final Prospectus, as the case may be; and any reference herein to the terms "amend", "amendment" or "supplement" with respect to the Registration Statement, the Base Prospectus, any Preliminary Final Prospectus or the Final Prospectus shall be deemed to refer to and include the filing of any document under the 1934 Act after the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Final Prospectus or the Final Prospectus, as the case may be, deemed to be incorporated therein by reference.

(d) Each of the Company and CPS is a corporation duly organized, validly existing and in good standing under the laws of the State of California and is duly qualified to transact business as a foreign corporation in each jurisdiction in which it is required to be so qualified and in which the failure to so

qualify, taken in the aggregate, would have a material adverse effect on it.

(e) Since the respective dates as of which information is given in the Registration Statement and the Final Prospectus, there has not been any material adverse change, or any development which could reasonably be expected to result in a material adverse change, in or affecting the financial position, shareholders' equity or results of operations of the Company or CPS or the Company's or CPS's ability to perform its obligations under this Agreement or the Pooling and Servicing Agreement or any of the other Basic Documents (as defined below), other than as set forth or incorporated by reference in the Registration Statement or as set forth in the Final Prospectus.

(f) Except for the registration of the Certificates under the 1933 Act and such consents, approvals, authorizations, registrations or qualifications as may be required under the 1934 Act and applicable State securities or Blue Sky laws in connection with the purchase and distribution of the Certificates by the Underwriters or the filing requirements of Rule 430A or Rule 424(b) under the 1933 Act, no consent, approval, authorization or order of or declaration or filing with any governmental authority is required for the issuance or sale of the Certificates or the consummation of the other transactions contemplated by this Agreement or the Pooling and Servicing Agreement or any of the other Basic Documents, except such as have been duly made or obtained or as will be duly made or obtained on or before the Closing Date.

(g) The Commission has not issued an order preventing or suspending the use of any Prospectus relating to the proposed offering of the Certificates, nor instituted proceedings for that purpose. The Registration Statement contains, and the Final Prospectus together with any amendments or supplements thereto will contain, all statements which are required to be stated therein by, and will conform to, the requirements of the 1933 Act and the 1933 Act Regulations.

(h) The documents (other than the financial statements of the Certificate Insurer, as to which no representation is made by CPS or the Company) which are incorporated by reference in the Registration Statement and the Final Prospectus or from which information is so incorporated by reference, as of the dates they were filed with the Commission, complied in all material respects with the requirements of the 1933 Act, the 1933 Act Regulations, the 1934 Act and the 1934 Act Regulations, as applicable, and any documents so filed and incorporated by reference subsequent to the Effective Date shall, when they are filed with the Commission, conform in all material respects with the requirements of the 1934 Act and the 1934 Act Regulations.

(i) Each of the Company and CPS confirms as of the date hereof that it is in compliance with all provisions of Section 1 of Laws of Florida, Chapter 92-198, An Act Relating to Disclosure of doing Business with Cuba, and each of the Company and CPS further agrees that if it commences engaging in business with the government of Cuba or with any person or affiliate located in Cuba after the date the Registration Statement becomes or has become effective with the Commission or with the Florida Department of Banking and Finance (the "Department"), whichever date is later, or if the information included in the Final Prospectus, if any, concerning either the Company's or CPS's business with Cuba or with any person or affiliate located in Cuba changes in any material way, each of the Company and CPS, as the case may be, will provide the Department notice of such business or change, as appropriate, in a form acceptable to the Department.

(j) All representations and warranties of the Company and CPS contained in each of the Basic Documents, including this Agreement, will be true and correct in all material respects as of the Closing Date and are hereby incorporated by reference as if each such representation and warranty were specifically made herein.

(k) Each of the Company and CPS has full power and authority (corporate and other) to enter into and perform its obligations under this Agreement, the Pooling and Servicing Agreement, the Purchase Agreement, the Insurance Agreement, the Indemnification Agreement, the Spread Account Agreement, the Lock-Box Agreement and the Servicing Assumption Agreement (collectively, the "Basic Documents"), and to consummate the transactions contemplated hereby and thereby.

(l) On or before the Closing Date, the direction by the Company to the Trustee to authenticate the Certificates will have been duly authorized by the Company, the Certificates will have been duly executed and delivered by the Company and, when authenticated by the Trustee in accordance with the Pooling and Servicing Agreement and delivered and paid for pursuant to this Agreement, will be duly issued and entitled to the benefits and security afforded by the Pooling and Servicing Agreement, subject as to the enforcement of remedies (x) to applicable bankruptcy insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights generally and (y) to general principles of equity (regardless of whether the enforcement of such remedies is considered in a proceeding in equity or at law).

(m) This Agreement and each Basic Document to which the Company or CPS is a party has been duly authorized, executed and delivered by each of the Company and CPS and constitutes a valid and binding agreement of each of the Company and CPS, enforceable

against the Company and CPS in accordance with its terms, subject as to the enforcement of remedies (x) to applicable bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights generally, (y) to general principles of equity (regardless of whether the enforcement of such remedies is considered in a proceeding in equity or at law) and (z) with respect to rights of indemnity under this Agreement, to limitations of public policy under applicable securities laws.

(n) Neither the Company nor CPS is in breach or violation of its Articles of Incorporation or By-Laws or in default in the performance or observance of any credit or security agreement or other agreement or instrument to which it is a party or by which it or its properties may be bound, or in violation of any applicable law, statute, regulation, order or ordinance of any governmental body having jurisdiction over it, which breach or violation would have a material adverse effect on the ability of the Company or CPS to perform its obligations under any of the Basic Documents or the Certificates.

(o) The issuance and delivery of the Certificates, the consummation of any other of the transactions contemplated herein or in the Pooling and Servicing Agreement or in any of the other Basic Documents or the fulfillment of the terms of this Agreement or the Pooling and Servicing Agreement or any of the other Basic Documents, subject to the registration of the Certificates under the 1933 Act and such consents, approvals, authorizations, registrations or qualifications as may be required under the 1934 Act and applicable State securities or Blue Sky laws in connection with the purchase and distribution of the Certificates by the Underwriters or the filing requirements of Rule 430A or Rule 424(b) under the 1933 Act, do not and will not conflict with or violate any term or provision of the Articles of Incorporation or By-Laws of the Company or CPS, any statute, order or regulation applicable to the Company or CPS of any court, regulatory body, administrative agency or governmental body having jurisdiction over the Company or CPS and do not and will not conflict with, result in a breach or violation or the acceleration of or constitute a default under or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company or CPS (other than in favor of the Trustee or as otherwise permitted under the Pooling and Servicing Agreement) pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or CPS is a party or by which the Company or CPS may be bound or to which any of the property or assets of the Company or CPS may be subject except for conflicts, violations, breaches, accelerations and defaults which would not, individually or in the aggregate, be materially adverse to the Company or CPS or materially adverse to the

transactions contemplated by this Agreement or the Basic Documents.

(p) Any taxes, fees and other governmental charges due on or prior to the Closing Date (including, without limitation, sales taxes) in connection with the execution, delivery and issuance of this Agreement, the Pooling and Servicing Agreement, the other Basic Documents and the Certificates have been or will have been paid at or prior to the Closing Date.

(q) The Receivables are chattel paper as defined in the Uniform Commercial Code as in effect in the State of California.

(r) Under generally accepted accounting principles, CPS will report its transfer of the Receivables to the Company pursuant to the Purchase Agreement as a sale of the Receivables and the Company will report its transfer of the Receivables to the Trustee pursuant to the Pooling and Servicing Agreement as a sale of the Receivables. Each of CPS and the Company has been advised by KPMG Peat Marwick, Certified Public Accountants, that the transfers pursuant to the Purchase Agreement will be so classified under generally accepted accounting principles in accordance with Statement No. 77 of the Financial Accounting Standards Board (December 1983) and, on and after January 1, 1997, with Statement No. 125 of the Financial Accounting Standards Board (June 1996).

(s) Pursuant to the Purchase Agreement, CPS is transferring to the Company ownership of the Receivables, the security interests in the Financed Vehicles securing the Receivables, certain other property related to the Receivables and the proceeds of each of the foregoing (collectively, the "Trust Assets"), and, immediately prior to the transfer thereof to the Trust, the Company will be the sole owner of all right, title and interest in, and has good and marketable title to, the Receivables and the other Trust Assets. The assignment of the Receivables and the other Trust Assets, including all the proceeds thereof, to the Trust pursuant to the Pooling and Servicing Agreement, vests in the Trust all interests which are purported to be conveyed thereby, free and clear of any liens, security interests or encumbrances.

(t) Immediately prior to the transfer of the Receivables to the Trust, the Company's interest in the Receivables and the proceeds thereof shall have been perfected, UCC-1 financing statements (the "Financing Statements") shall have been filed in the office of the Secretary of State of the State of California and there shall be no unreleased statements affecting the Receivables filed in such office other than the Financing Statements. If a court concludes that the transfer of the Receivables from the Company to the Trust is a sale, then the

interest of the Trust in the Receivables, the other Trust Assets and the proceeds thereof, will be perfected by virtue of the Financing Statements having been filed in the office of the Secretary of State of the State of California. If a court concludes that such transfer is not a sale, the Pooling and Servicing Agreement and the transactions contemplated thereby constitute a grant by the Company to the Trust of a valid security interest in the Receivables, the other Trust Assets and the proceeds thereof, which security interest will be perfected by virtue of the Financing Statements having been filed in the office of the Secretary of State of the State of California. No filing or other action, other than the filing of the Financing Statements in the office of the Secretary of State of the State of California referred to above and the execution and delivery of the Pooling and Servicing Agreement, is necessary to perfect the interest or the security interest of the Trust in the Receivables and the proceeds thereof against third parties.

(u) The Pooling and Servicing Agreement is not required to be qualified under the Trust Indenture Act.

(v) None of the Company, CPS or the Trust is required to be registered as an "investment company" under the Investment Company Act.

2. PURCHASE, SALE AND DELIVERY OF THE CERTIFICATES.

Subject to the terms and conditions and in reliance upon the representations, warranties and covenants herein set forth, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company the initial principal amount of the Certificates set forth opposite such Underwriter's name in Schedule I hereto, at the purchase price set forth opposite such Underwriter's name in Schedule I, which purchase price is equal to 99.59909% of such initial principal amount.

The Company will deliver against payment of the purchase price the Certificates in the form of one or more permanent global Certificates in definitive form (the "Global Certificates") deposited with the Trustee as custodian for The Depository Trust Company ("DTC") and registered in the name of Cede & Co., as nominee for DTC. Interests in any Global Certificates will be held only in book-entry form through DTC except in the limited circumstances described in the Final Prospectus. Payment for the Certificates will be made by the Underwriters by wire transfer of same day funds to an account previously designated to the Underwriters by the Company at the offices of Mayer, Brown & Platt, 1675 Broadway, New York, New York 10019, at 9:30 a.m. (New York time) on September 26, 1996, or at such other time as is mutually agreed (such time being

herein referred to as the "Closing Date") against delivery of the Global Certificates representing all of the Certificates. The Global Certificates will be made available for checking at the above office of Mayer, Brown & Platt at least 24 hours prior to the Closing Date.

As used herein, "business day" means a day on which the New York Stock Exchange is open for trading and on which banks in New York, California and Minnesota are open for business and are not permitted by law or executive order to be closed.

3. OFFERING BY THE UNDERWRITERS.

The Company is advised by the Underwriters that they propose to make a public offering of the Certificates, as set forth in the Final Prospectus, from time to time as and when the Underwriters deem advisable after the Registration Statement becomes effective.

4. COVENANTS OF THE COMPANY.

The Company covenants and agrees with the several Underwriters that:

(a) The Company will use its best efforts to cause the Registration Statement, if not effective at the Execution Time, and any amendment thereto, to become effective as soon as reasonably practicable thereafter or, if the procedure in Rule 430A is followed, prepare and timely file with the Commission under Rule 424(b) a Final Prospectus containing information previously omitted at the time of effectiveness of the Registration Statement in reliance upon Rule 430A. Prior to the termination of the offering of the Certificates, the Company will not file any amendment of the Registration Statement or amendments or supplement (including the Final Prospectus or any Preliminary Final Prospectus) to the Base Prospectus or any Rule 462(b) Registration Statement unless the Company has furnished to each of the Underwriters a copy for its review prior to filing and will not file any such proposed amendment or supplement to which any of the Underwriters reasonably objects and which is not in compliance with the 1933 Act Regulations. The Company will promptly advise the Underwriters (i) when the Registration Statement, if not effective at the Execution Time, and any amendment thereto, shall have become effective; (ii) when the Final Prospectus, and any supplement thereto, shall have been filed with the Commission pursuant to Rule 424(b); (iii) when, prior to termination of the offering of the Certificates, any amendment to the Registration Statement shall have been filed or become effective; (iv) of any request by the Commission for any amendment of the Registration Statement or supplement to the Final Prospectus or for any other additional information; (v) of

the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the institution of any proceeding for that purpose and (vi) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Certificates for sale in any jurisdiction or the initiation of any proceeding for such purpose. The Company will use its best efforts to prevent the issuance of any such stop order or the suspension of any such qualification and, if issued or suspended, to obtain as soon as possible the withdrawal thereof.

(b) Prior to the filing thereof with the Commission, the Company will submit to each of the Underwriters, for its approval after reasonable notice thereof, such approval not to be unreasonably withheld or delayed, a copy of any post-effective amendment to the Registration Statement, any Rule 462(b) Registration Statement proposed to be filed or a copy of any document proposed to be filed under the 1934 Act before the termination of the offering of the Certificates by the Underwriters if such document would be deemed to be incorporated by reference into the Registration Statement or Final Prospectus.

(c) The Company will deliver to, or upon the order of, the Underwriters, from time to time, as many copies of any Preliminary Final Prospectus as the Underwriters may reasonably request. The Company will deliver to, or upon the order of, the Underwriters during the period when delivery of a Final Prospectus is required under the 1933 Act, as many copies of the Final Prospectus, or as thereafter amended or supplemented, as the Underwriters may reasonably request. The Company will deliver to the Underwriters at or before the Closing Date, two signed copies of the Registration Statement and all amendments thereto including all exhibits filed therewith, and will deliver to the Underwriters such number of copies of the Registration Statement (including such number of copies of the exhibits filed therewith that may reasonably be requested), including documents filed under the 1934 Act and deemed to be incorporated by reference therein, and of all amendments thereto, as the Underwriters may from time to time reasonably request.

(d) The Company will, and will cause the Trust to, comply with the 1933 Act, the 1933 Act Regulations, the 1934 Act and the 1934 Act Regulations, so as to permit the completion of the distribution of the Certificates as contemplated in this Agreement and the Final Prospectus. If during the period in which a prospectus is required by law to be delivered by an Underwriter or dealer in connection with the sale of any Class A Certificates, any event shall occur as a result of which, in the judgment of the Company or in the reasonable opinion of the Underwriters, it becomes necessary to amend or supplement the Final Prospectus in order to make the statements therein, in the

light of the circumstances existing at the time the Final Prospectus is delivered to a purchaser, not misleading, or, if it is necessary at any time to amend or supplement the Final Prospectus to comply with any law or to file under the 1934 Act any document which would be deemed to be incorporated by reference in the Registration Statement to comply with the 1933 Act or the 1934 Act, the Company will promptly notify each of the Underwriters and will promptly either (i) prepare and file, or cause to be prepared and filed, with the Commission an appropriate amendment to the Registration Statement or supplement to the Final Prospectus or (ii) prepare and file, or cause to be prepared and filed, with the Commission (at the expense of the Company) an appropriate filing under the 1934 Act which shall be incorporated by reference in the Final Prospectus so that the Final Prospectus as so amended or supplemented will not, in the light of the circumstances when it is so delivered, be misleading, or so that the Final Prospectus will comply with applicable law.

(e) The Company will cooperate with the Underwriters in endeavoring to qualify the Certificates for sale under the laws of such jurisdictions as the Underwriters may designate and will maintain such qualifications in effect so long as required for the distribution of the Certificates, except that the Company will not be obligated to qualify the Certificates in any jurisdiction in which such qualification would require the Company to qualify to do business as a foreign corporation, file a general or unlimited consent to service of process or subject itself to taxation in any such jurisdiction to which it is not subject and will arrange for the determination of the legality of the Certificates for purchase by institutional investors. The Company will, from time to time, prepare and file such statements, reports, and other documents as are or may be required to continue such qualifications in effect for so long a period as the Underwriters may reasonably request for distribution of the Certificates.

(f) The Company shall not invest, or otherwise use the proceeds received by the Company from its sale of the Certificates in such a manner as would require the Company, CPS or the Trust to register as an investment company under the 1940 Act.

(g) Until the retirement of the Certificates, or until such time as the Underwriters shall cease to maintain a secondary market in the Certificates, whichever occurs first, the Company will deliver to each Underwriter the annual statements of compliance and the annual independent certified public accountant's reports furnished to the Trustee pursuant to the Pooling and Servicing Agreement, as soon as such statements and reports are furnished to the Trustee.

(h) The Company or CPS shall, from the date hereof through and including the Closing Date, furnish, or cause to be furnished, or make available, or cause to be made available, to each Underwriter or its counsel such additional documents and information regarding each of them and their respective affairs as each Underwriter may from time to time reasonably request and which the Company or CPS possess or can acquire without unreasonable effort or expense, including any and all documentation requested in connection with such Underwriter's due diligence efforts regarding information in the Registration Statement and the Final Prospectus and in order to evidence the accuracy or completeness of any of the conditions contained in this Agreement; and all actions taken by the Company or CPS to authorize the sale of the Certificates shall be reasonably satisfactory in form and substance to each Underwriter.

(i) The Company will cause the Trust to make generally available to Class A Certificateholders as soon as practicable, but no later than sixteen months after the Effective Date, an earnings statement of the Trust covering a period of at least twelve consecutive months beginning after such Effective Date and satisfying the provisions of Section 11(a) of the Act (including Rule 158 promulgated thereunder).

(j) So long as any of the Class A Certificates are outstanding, the Company will furnish to the Underwriters copies of all reports or other communications (financial or otherwise) furnished or made available to Class A Certificateholders, and deliver to the Underwriters during such period, (i) as soon as they are available, copies of any reports and financial statements filed by or on behalf of the Trust or the Company with the Commission pursuant to the Securities Exchange Act of 1934, as amended, and (ii) such additional information concerning the business and financial condition of the Company as the Underwriter may from time to time reasonably request.

(k) On or before the Closing Date, the Company and CPS shall cause the respective computer records of the Company and CPS relating to the Receivables to be marked to show the Trustee's absolute ownership of the Receivables, and from and after the Closing Date neither the Company nor CPS shall take any action inconsistent with the Trustee's ownership of such Receivables, other than as expressly permitted by the Pooling and Servicing Agreement.

(l) To the extent, if any, that the ratings provided with respect to the Certificates by either of the Rating Agencies is conditional upon the furnishing of documents or the taking of any other actions by the Company or CPS, CPS shall, or shall cause the Company to, furnish such documents and take any such other actions.

(m) On the Closing Date, the Company and CPS shall cause the Certificate Insurer to issue the Policy to the Trustee for the benefit of the holders of the Certificates in form and substance satisfactory to each Underwriter.

5. [RESERVED]

6. COSTS AND EXPENSES.

The Company and CPS will pay upon receipt of a written request therefor all costs, expenses and fees incident to the performance of the obligations of the Company under this Agreement and will, jointly and severally, reimburse the Underwriters for all reasonable out-of-pocket expenses, including reasonable fees and disbursements of counsel, reasonably incurred in connection with investigating, marketing and proposing to market the Certificates or in contemplation of performing the Underwriters' obligations hereunder and including, without limiting the generality of the foregoing, the following: (i) accounting fees of the Company; (ii) the fees and disbursements of counsel for the Company; (iii) the cost of printing and delivering to, or as requested by, the Underwriters copies of the Registration Statement, Preliminary Final Prospectuses, the Final Prospectus, this Agreement, the listing application in respect of the Certificates, the Blue Sky Survey, if any, and any supplements or amendments thereto; (iv) the filing fees of the Commission; (v) any fees charged by the Rating Agencies for rating the Certificates; and (vi) the fees and expenses of the Trustee, including the fees and disbursements of counsel for the Trustee, in connection with the Certificates, the Pooling and Servicing Agreement and the other Basic Documents to which the Trustee is a party and the expenses, including the fees and disbursements of counsel for the Underwriters, incurred in connection with the qualification of the Certificates under State securities or Blue Sky laws. If this Agreement shall not be consummated because the conditions in Section 7 hereof are not satisfied, or because this Agreement is terminated by each of the Underwriters pursuant to Section 12 hereof (other than on the basis of a default by the Underwriters pursuant to Section 10 hereof), or by reason of any failure, refusal or inability on the part of the Company or CPS to perform any undertaking or satisfy any condition of this Agreement or to comply with any of the terms hereof on its part to be performed, unless such failure to satisfy said condition or to comply with said terms be due to the default or omission of any Underwriter, then the Company and CPS, jointly and severally, shall reimburse the Underwriters for reasonable out-of-pocket expenses, including reasonable fees and disbursements of counsel, reasonably incurred in connection with investigating, marketing and proposing to market the Certificates or in contemplation of performing their obligations hereunder upon receipt of a written request therefor; but the Company shall

not in any event be liable to any of the Underwriters for damages on account of loss of anticipated profits from the sale by them of the Certificates. Except to the extent expressly set forth in this Section 6, the Underwriters shall each be responsible for their own costs and expenses, including the fees and expenses of their counsel.

7. CONDITIONS OF OBLIGATIONS OF THE UNDERWRITERS.

The several obligations of the Underwriters to purchase and pay for the Certificates on the Closing Date are subject to the accuracy in all material respects as of the Closing Date of the representations and warranties of the Company contained herein, to the performance by the Company of its covenants and obligations hereunder and to the following additional conditions precedent:

(a) If the Registration Statement has not become effective prior to the Execution Time, unless the Underwriters agree in writing to a later time, the Registration Statement will become effective not later than (i) 5:30 p.m. New York City time on the date of determination of the public offering price of the Certificates, if such determination occurred at or prior to 3:00 p.m. New York City time on such date or (ii) 12:00 noon New York City time on the business day following the day on which the public offering price of the Certificates was determined, if such determination occurred after 3:00 p.m. New York City time on such date; if filing of the Final Prospectus, or any supplement thereto, is required pursuant to Rule 424(b), the Final Prospectus, and any such supplement, shall have been filed within the applicable time period prescribed for such filing by Rule 424(b), and any request of the Commission for additional information (to be included in the Registration Statement or otherwise) shall have been disclosed to the Underwriters and complied with to their reasonable satisfaction. No stop order suspending the effectiveness of the Registration Statement, as amended from time to time, shall have been issued and no proceedings for that purpose shall have been taken or, to the knowledge of the Company, shall be contemplated by the Commission and no injunction, restraining order, or order of any nature by a Federal or state court of competent jurisdiction shall have been issued as of the Closing Date which would prevent the issuance of the Certificates.

(b) On or prior to the date of this Agreement and on or prior to the Closing Date, each Underwriter shall have received a letter or letters, dated as of September 19, 1996, and as of the Closing Date, respectively, of KPMG Peat Marwick, Certified Public Accountants, substantially in the form of the drafts to which each of the Underwriters has previously agreed and

otherwise in form and substance satisfactory to each Underwriter and its counsel.

(c) Subsequent to the execution and delivery of this Agreement, there shall not have occurred (i) any change, or any development involving a prospective change, in or affecting particularly the business or properties of the Company, CPS or any Affiliate of the Company or CPS which, in the judgment of each Underwriter, materially impairs the investment quality of the Certificates or the ability of CPS to act as Servicer or (ii) any downgrading in the rating of any debt securities or preferred stock of the Company, CPS or any Affiliate thereof by any "nationally recognized statistical rating organization" (as defined for purposes of Rule 436(g) under the Securities Act), or any public announcement that any such organization has under surveillance or review its rating of any debt securities or preferred stock of the Company, CPS or any Affiliate thereof (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading of such rating); (iii) any suspension or limitation of trading in securities generally on the New York Stock Exchange, or any setting of minimum prices for trading on such exchange, or any suspension of trading of any securities of the Company or CPS or any Affiliate of the Company or CPS on any exchange or in the over-the-counter market; (iv) any banking moratorium declared by Federal, New York or California authorities; or (v) any outbreak or escalation of major hostilities in which the United States is involved, any declaration of war by Congress or any other substantial national or international calamity, emergency or change in financial markets if, in the judgment of each Underwriter, the effect of any such outbreak, escalation, declaration, calamity, emergency or change makes it impractical or inadvisable to proceed with completion of the private placement of the Certificates.

(d) The Company and CPS shall have furnished each Underwriter with such number of conformed copies of such opinions, certificates, letters and documents as it may reasonably request.

(e) On the Closing Date, each of the Basic Documents and the Certificates shall have been duly authorized, executed and delivered by the parties thereto, shall be in full force and effect and no default shall exist thereunder, and the Trustee shall have received a fully executed copy thereof or, with respect to the Certificates, a conformed copy thereof. The Basic Documents and the Certificates shall be substantially in the forms heretofore provided to each Underwriter.

(f) Each Underwriter shall have received a certificate of the Trustee, as to the due authorization, execution and delivery of the Pooling and Servicing Agreement by the Trustee.

(g) Each Underwriter shall have received evidence satisfactory to such Underwriter that the Certificates have been rated "Aaa" by Moody's and "AAA" by Standard & Poor's.

(h) Each Underwriter shall have received from Mayer, Brown & Platt, special counsel for CPS and the Company, opinions dated the Closing Date, addressed to such Underwriter, in a form satisfactory to such Underwriter.

(i) Each Underwriter shall have received from Mayer, Brown & Platt, special Federal tax counsel for the Company, an opinion dated the Closing Date, addressed to such Underwriter, with respect to the status of the Trust for federal income tax purposes.

(j) Each Underwriter shall have received from Mayer, Brown & Platt, an opinion dated the Closing Date, addressed to such Underwriter, with respect to the validity of the Certificates and such other related matters as such Underwriter shall require and the Company or CPS shall have furnished or caused to be furnished to such counsel such documents as they may reasonably request for the purpose of enabling them to pass upon such matters.

(k) Each Underwriter shall have received from counsel to the Trustee, the Standby Servicer and the Collateral Agent (which counsel shall be reasonably acceptable to such Underwriter), an opinion addressed to such Underwriter dated the Closing Date, in form and substance satisfactory to such Underwriter and its counsel, Mayer, Brown & Platt.

(l) Each Underwriter shall have received from counsel to the Certificate Insurer, which counsel shall be reasonably acceptable to such Underwriter, an opinion addressed to such Underwriter, dated the Closing Date, in form and substance satisfactory to such Underwriter and its counsel, Mayer, Brown & Platt.

(m) At the Closing Date, each Underwriter shall have received any and all opinions of counsel to the Company and CPS supplied to the Rating Agencies and the Certificate Insurer relating to, among other things, the interest of the Trustee in the Receivables and the other Trust Assets and the proceeds thereof and certain monies due or to become due with respect thereto, certain bankruptcy issues and certain matters with respect to the Certificates. Any such opinions shall be addressed to each Underwriter or shall indicate that such Underwriter may rely on such opinions as though they were

addressed to such Underwriter, and shall be dated the Closing Date.

(n) At the Closing Date, the Company and CPS shall have furnished to each Underwriter a certificate, dated the Closing Date, of the President or any Vice President of the Company or CPS, as the case may be, in which each such officer shall state that: (i) the representations and warranties of the Company or CPS, as applicable, in this Agreement are true and correct on and as of the Closing Date; (ii) the Company or CPS, as applicable, has complied with all agreements and satisfied all conditions on its part required to be performed or satisfied hereunder and under each of the other Basic Documents at or prior to the Closing Date; (iii) the representations and warranties of the Company or CPS, as applicable, in each of the Basic Documents are true and correct as of the dates specified therein; (iv) the Registration Statement has become effective under the 1933 Act and no stop order suspending the effectiveness of the Registration Statement has been issued, and no proceedings for such purpose have been taken or are, to his or her knowledge, contemplated by the Commission; (v) he or she has carefully examined the Registration Statement and the Final Prospectus and, in his or her opinion, as of the Effective Date of the Registration Statement, the statements contained in the Registration Statement were true and correct, and as of the Closing Date the Registration Statement and the Final Prospectus do not contain any untrue statement of a material fact or omit to state a material fact with respect to the Company or CPS necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, and since the Effective Date of the Registration Statement, no event has occurred with respect to the Company or CPS which should have been set forth in a supplement to or an amendment of the Final Prospectus which has not been so set forth in such supplement or amendment; and (vi) subsequent to the respective dates as of which conformation is given in the Registration Statement and the Final Prospectus, there has been no material adverse change, or any development with respect to the Company or CPS which could reasonably be expected to result in a material adverse change, in or affecting particularly the business or properties of the Trust, the Company or CPS except as contemplated by the Final Prospectus or as described in such certificate.

(o) Each Underwriter shall have received evidence satisfactory to such Underwriter that the Certificate Insurer shall have issued the Policy to the Trustee for the benefit of the Certificateholders in form and substance satisfactory to such Underwriter.

(p) Each Underwriter shall have received evidence satisfactory to it that, on or before the Closing Date, the

Financing Statements have been filed in the office of the Secretary of State of California reflecting the assignment of the interest of CPS in the Receivables and the other Trust Assets and the proceeds thereof to the Company, and the transfer of the interest of the Company in the Receivables and the other Trust Assets and the proceeds thereof to the Trustee.

(q) All proceedings in connection with the transactions contemplated by this Agreement, the Pooling and Servicing Agreement and each of the other Basic Documents and all documents incident hereto or thereto shall be satisfactory in form and substance to each Underwriter.

(r) The Company shall have furnished to the Underwriters such further certificates and documents confirming the representations and warranties, covenants and conditions contained herein and related matters as the Underwriters may reasonably have requested.

The opinions and certificates mentioned in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in all material respects reasonably satisfactory to the Underwriters and to Mayer, Brown & Platt, counsel for the Underwriters.

If any of the conditions hereinabove provided for in this Section 7 shall not have been fulfilled when and as required by this Agreement to be fulfilled, the obligations of the Underwriters hereunder may be terminated by the Underwriters by notifying the Company of such termination in writing or by telegram at or prior to the Closing Date. In such event, the Company and the Underwriters shall not be under any obligation to each other (except to the extent provided in Sections 6 and 9 hereof).

8. CONDITIONS OF THE OBLIGATIONS OF THE COMPANY.

The obligations of the Company to sell and deliver the portion of the Certificates required to be delivered as and when specified in this Agreement are subject to the condition that, at the Closing Date, no stop order suspending the effectiveness of the Registration Statement shall have been issued and in effect or proceedings therefor initiated or threatened.

9. INDEMNIFICATION.

(a) The Company and CPS, jointly and severally, agree to indemnify and hold harmless each Underwriter, its directors, officers, employees and agents and each person, if any, who controls any Underwriter within the meaning of the 1933 Act or the 1934 Act, against any losses, claims, damages or liabilities

to which such Underwriter or any such other person may become subject under the 1933 Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, the Base Prospectus, any Preliminary Final Prospectus, the Final Prospectus or any amendment or supplement thereto (other than information contained therein under the heading "the Certificate Insurer" and information incorporated by reference therein), or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances under which they were made; and will reimburse each Underwriter and each such person within 30 days of presentation for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such loss, claim, damage or liability, action or proceeding or in responding to a subpoena or governmental inquiry related to the offering of the Certificates, whether or not such Underwriter or such person is a party to any action or proceeding, upon receipt of a written request therefor; provided, however, that neither the Company nor CPS will be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement, or omission or alleged omission made in the Registration Statement, the Base Prospectus, any Preliminary Final Prospectus, the Final Prospectus, or any amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company or CPS, as the case may be, by, through or on behalf of the Underwriters specifically for use in the preparation thereof. This indemnity agreement will be in addition to any liability which the Company or CPS may otherwise have. The indemnity agreement of the Company and CPS in this Agreement is subject to the condition that, insofar as it relates to any untrue statement, alleged untrue statement, omission or alleged omission made in the Registration Statement, the Base Prospectus, any Preliminary Final Prospectus or in the Final Prospectus, or any amendment or supplement thereto, such indemnity agreement shall not inure to the benefit of any Underwriter if such Underwriter failed to send or give a copy of the Final Prospectus (as amended or supplemented, if the Company or CPS, as the case may be, shall have furnished any amendment or supplement thereto to such Underwriter, which corrected such untrue statement or omission that is the basis of the loss, liability, claim, damage or expense for which indemnification is sought) to the person asserting any such loss, liability, claim, damage or expense at such time as the Final Prospectus, as so amended or supplemented, was required under the 1933 Act to be delivered to such person.

(b) (i) Each Underwriter, severally and not jointly, will indemnify and hold harmless each of the Company and CPS, each of their directors, officers, employees and agents and each person, if any, who controls the Company within the meaning of the 1933 Act or the 1934 Act, to the same extent as the foregoing indemnity from each of the Company and CPS to any Underwriter, its directors, officers, employees and agents and each person who controls any such Underwriter, but only with respect to untrue statements or omissions or alleged untrue statements or omissions made in the Registration Statement, the Base Prospectus, any Preliminary Final Prospectus, the Final Prospectus, or any amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company or CPS, as the case may be, by, through or on behalf of such Underwriter specifically for use in the preparation of the Registration Statement, the Base Prospectus, any Preliminary Final Prospectus, the Final Prospectus or any amendment or supplement thereto. This indemnity agreement will be in addition to any liability which such Underwriter may otherwise have.

(ii) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, CPS, the other Underwriter, the respective officers, directors, employees and agents of any such party, and each person who controls the Company, CPS or such other Underwriter within the meaning of the 1933 Act or the 1934 Act against any losses, claims, damages or liabilities to which such person may become subject under the 1933 Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of or are based upon (a) any untrue statement or alleged untrue statement of any material fact contained in the Computational Materials (as defined below) provided by such indemnifying Underwriter or (b) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances in which they were made, not misleading (except, in each case, to the extent that such untrue statement or alleged untrue statement or omission or alleged omission results from the failure of the Company Provided Information to be accurate in all material respects); and will reimburse each such party within 30 days of written request therefor for any legal or other expenses reasonably incurred by such person in connection with investigating or defending any such loss, claim, damage or liability, action or proceeding or in responding to a subpoena or governmental inquiry related thereto, whether or not such person is a party to any action or proceeding. The obligations of each Underwriter under this subsection (ii) shall be in addition to any other liability which such Underwriter may otherwise have. For purposes hereof, the term "Computational

Materials" means information provided by an Underwriter to a prospective purchaser of Certificates, which information is not part of the Prospectus. For purposes hereof, the term "Company Provided Information" means the information contained in the table on page S-23 of the Preliminary Final Prospectus dated September 13, 1996 as to the weighted average APR of the Receivables, the weighted average remaining term of the Receivables and the aggregate principal balance of the Receivables as of the Preliminary Cutoff Date.

(iii) Each Underwriter shall, no later than the date on which the Prospectus is required to be filed pursuant to Rule 424, provide to CPS for filing with the Commission on Form 8-K a copy of any Computational Materials delivered by such Underwriter to any prospective purchaser of Certificates.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to this Section 9, such person (the "indemnified party") shall promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing. The failure to give such notice shall not relieve the indemnifying party or parties from any liability which it or they may have to the indemnified party for contribution or otherwise than on account of the provisions of Section 9(a) or (b), except and only to the extent such omission so to notify shall have materially prejudiced the indemnifying party under Section 9(a) or (b). In case any such proceeding shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party and shall pay as incurred the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel at its own expense. Notwithstanding the foregoing, the indemnifying party shall pay as incurred (or within 30 days of presentation) the fees and expenses of the counsel retained by the indemnified party in the event (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel, (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them or (iii) the indemnifying party shall have failed to assume the defense and employ counsel acceptable to the indemnified party within a

reasonable period of time after notice of commencement of the action. It is understood that the indemnifying party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate firm for all such indemnified parties. Such firm shall be designated in writing by the underwriters in the case of parties indemnified pursuant to Section 9(a) and by the Company in the case of parties indemnified pursuant to Section 9(b). The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. In addition, the indemnifying party will not, without the prior written consent of the indemnified party (which consent shall not be unreasonably withheld or delayed), settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action or proceeding of which indemnification may be sought hereunder (whether or not any indemnified party is an actual or potential party to such claim, action or proceeding) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action or proceeding.

(d) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under Section 9(a) or (b) above in respect of any losses, claims, damages or liabilities (or actions or proceedings in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company and CPS on the one hand and the Underwriters on the other from the offering of the Certificates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company or CPS on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions or proceedings in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the

Underwriters (in each case as set forth in the table on the cover page of the Final Prospectus). As between the Underwriters, the relative benefits received by Alex. Brown & Sons Incorporated, on the one hand, and Black Diamond Securities, LLC, on the other, shall be deemed to be in the same proportion as the respective portions of the total underwriting discounts and commissions received by each of them. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company, CPS and the Underwriters agree that it would not be just and equitable if contributions pursuant to this Section 9(d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 9(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions or proceedings in respect thereof) referred to above in this Section 9(d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim, subject to the limitations set forth above. Notwithstanding the provisions of this Section 9(d), (i) no Underwriter shall be required to contribute any amount in excess of the underwriting discounts and commissions applicable to the Certificates purchased by such Underwriter and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this Section 9(d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) In any proceeding relating to the Registration Statement, the Base Prospectus, any Preliminary Final Prospectus, the Final Prospectus, or any supplement or amendment thereto, each party against whom contribution may be sought under this Section 9 hereby consents to the jurisdiction of any court having jurisdiction over any other contributing party, agrees that process issuing from such court may be served upon him or it by any other contributing party and consents to the service of such process and agrees that any other contributing party may join him or it as an additional defendant in any such proceeding in which such other contributing party is a party.

(f) Any losses, claims, damages, liabilities or expenses for which an indemnified party is entitled to indemnification or contribution under this Section 9 shall be paid by the indemnifying party to the indemnified party as such losses, claims, damages, liabilities or expenses are incurred. The indemnity and contribution agreements contained in this Section 9 and the representations and warranties of each of the Company and CPS set forth in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigation made by or on behalf of any Underwriter, the Company or CPS, their respective directors, officers, employees or agents or any persons controlling any Underwriter or the Company, (ii) acceptance of any Certificates and payment thereof or hereunder, and (iii) any termination of this Agreement. A successor to any Underwriter, the Company or CPS, their respective directors, officers, employees or agents, or any person controlling any Underwriter, the Company or CPS, shall be entitled to the benefits of the indemnity, contribution and reimbursement agreements contained in this Section 9.

10. DEFAULT BY THE UNDERWRITERS.

If on the Closing Date, Black Diamond Securities, LLC shall fail to purchase and pay for all or any portion of the Certificates which such Underwriter has agreed to purchase and pay for on such date (otherwise than by reason of any default on the part of the Company or CPS), then Alex Brown & Sons Incorporated shall use reasonable efforts to procure within 36 hours thereafter one or more additional Underwriters to purchase from the Company such amounts as may be agreed upon and upon the terms set forth herein, the Certificates which the defaulting Underwriter failed to purchase. If during such 36 hours the non-defaulting Underwriter shall not have procured one or more additional Underwriters to purchase the Certificates agreed to be purchased by the defaulting Underwriter, then (a) if the aggregate amount of Certificates with respect to which such default shall occur does not exceed 10% of the Certificates covered hereby, the non-defaulting Underwriter shall be obligated to purchase the Certificates which such defaulting Underwriter failed to purchase, or (b) if the aggregate number of shares of Certificates with respect to which such default shall occur exceeds 10% of the Certificates covered hereby, the Company or the non-defaulting Underwriter will have the right, by written notice given within the next 36-hour period to the parties to this Agreement, to terminate this Agreement without liability on the part of the non-defaulting Underwriter or of the Company except to the extent provided in Section 9 hereof. In the event of a default by Black Diamond Securities, LLC, as set forth in this Section 10, the Closing Date may be postponed for such period, not exceeding seven days, as the non-defaulting Underwriter may determine in order that the required changes in

the Registration Statement or in the Final Prospectus or in any other documents or arrangements may be effected. For purposes of this Agreement, the term "Underwriter" includes any person substituted for a defaulting Underwriter. Any action taken under this Section 10 shall not relieve Black Diamond Securities, LLC from liability in respect of any default of such Underwriter under this Agreement.

12. TERMINATION.

This Agreement may be terminated by the Underwriters by notice by each of the Underwriters to the Company as follows:

(a) at any time prior to the Closing Date, if any of the following has occurred: (i) since the respective dates as of which information is given in the Registration Statement and the Final Prospectus, any material adverse change or any development involving a prospective material adverse change in the business, properties, results of operations, financial condition or business prospects of the Company and the Significant Subsidiary taken as a whole, whether or not arising in the ordinary course of business, (ii) any outbreak or escalation of hostilities or declaration of war or national emergency or other national or international calamity or crisis or change in economic or political conditions if the effect of such outbreak, escalation, declaration, emergency, calamity, crisis or change on the financial markets of the United States would, in each of the Underwriters' reasonable judgment, make it impracticable to market the Certificates or to enforce contracts for the sale of the Certificates, (iii) any suspension of trading in securities generally on the New York Stock Exchange or the American Stock Exchange or limitation on prices (other than limitations on hours or numbers of days of trading) for securities on either such Exchange, (iv) the enactment, publication, decree or other promulgation of any statute, regulation, rule or order of any court or other governmental authority which in each of the Underwriters' reasonable opinion materially and adversely affects or may materially and adversely affect the business or operations of the Company, (v) declaration of a banking moratorium by United States or New York State authorities, (vi) any downgrading or the giving of notice of any intended or potential downgrading in the rating of the Company's debt securities by any "nationally recognized statistical rating organization" (as defined for purposes of Rule 436(g) under the 1934 Act) ; (vii) the suspension of trading of the Common Stock by the Commission on the New York Stock Exchange or (viii) the taking of any action by any governmental body or agency in respect of its monetary or fiscal affairs which in each of the Underwriters' reasonable opinion has a material adverse effect on the securities markets in the United States; or

(b) as provided in Sections 7 and 10 of this Agreement.

13. SUCCESSORS.

This Agreement has been and is made solely for the benefit of the Underwriters, CPS and the Company and their respective successors, executors, administrators, heirs and assigns, and the respective affiliates, officers, directors, employees, agents and

controlling persons referred to herein, and no other person will have any right or obligation hereunder. No purchaser of any of the Certificates from any Underwriter shall be deemed a successor or assign merely because of such purchase.

14. INFORMATION PROVIDED BY UNDERWRITERS.

The Company and the Underwriters acknowledge and agree that the only information furnished or to be furnished by any Underwriter to the Company for inclusion in the Registration Statement, the Base Prospectus, any Preliminary Final Prospectus or the Final Prospectus, or any amendments or supplements thereto, consists of the information set forth in the last paragraph on the front cover page concerning the terms of the offering by the Underwriters (insofar as such information relates to the Underwriters), legends required by Item 502(d) of Regulation S-K under the 1933 Act and the information under the caption "Methods of Distribution" in the Registration Statement and under the caption "Underwriting" in the Final Prospectus.

15. MISCELLANEOUS.

The reimbursement, indemnification and contribution agreements contained in this Agreement and the representations, warranties and covenants in this Agreement shall remain in full force and effect regardless of (a) any termination of this Agreement, (b) any investigation made by or on behalf of any Underwriter or the Company, their respective directors, officers, employees or agents or any controlling person of any Underwriter or the Company indemnified herein and (c) delivery of and payment for the Certificates under this Agreement.

Each Underwriter agrees that, prior to the date which is one year and one day after the payment in full of all securities issued by the Company or by a trust for which the Company was the depositor, which securities were rated by any nationally recognized statistical rating organization, it will not institute against, or join any other person in instituting against, the Company any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings or other proceedings under any Federal or state bankruptcy or similar law.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without regard to the conflict of laws provisions thereof. With respect to any claim arising out of this Agreement (i) each party irrevocably submits to the exclusive jurisdiction of the courts of the State

No Receivable has been originated in, or is subject to the laws of, any jurisdiction under which the sale, transfer, and assignment of such Receivable under this Agreement or pursuant to transfers of the Certificates shall be unlawful, void, or voidable. The Seller has not entered into any agreement with any account debtor that prohibits, restricts or conditions the assignment of any portion of the Receivables.

(xvi) All Filings Made. All filings (including, without limitation, UCC filings) necessary in any jurisdiction to give the Trustee a first priority perfected ownership interest in the Receivables have been made.

(xvii) Receivable File; One Original. CPS has delivered to the Trustee a complete Receivable File with respect to each Receivable. There is only one original executed copy of each Receivable.

(xviii) Chattel Paper. Each Receivable constitutes "chattel paper" under the UCC.

(xix) Title Documents. (A) If the Receivable was originated in a State in which notation of security interest on the title document of the related Financed Vehicle is required or permitted to perfect such security interest, the title document of the related Financed Vehicle for such Receivable shows, or if a new or replacement title document is being applied for with respect to such Financed Vehicle the title document (or, with respect to Receivables originated in the State of Michigan, all other evidence of ownership with respect to such Financed Vehicle) will be received within 180 days and will show, CPS named as the original secured party under the related Receivable as the holder of a first priority security interest in such Financed Vehicle, and (B) if the Receivable was originated in a State in which the filing of a financing statement

under the UCC is required to perfect a security interest in motor vehicles, such filings or recordings have been duly made and show CPS named as the original secured party under the related Receivable, and in either case, the Trustee has the same rights as such secured party has or would have (if such secured party were still the owner of the Receivable) against all parties claiming an interest in such Financed Vehicle. With respect to each Receivable for which the title document of the related Financed Vehicle has not yet been returned from the Registrar of Titles, CPS has received written evidence from the related Dealer that such title document showing CPS as first lienholder has been applied for.

(xx) Valid and Binding Obligation of Obligor. Each Receivable is the legal, valid and binding obligation of the Obligor thereunder and is enforceable in accordance with its terms, except only as such enforcement may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally, and all parties to such contract had full legal capacity to execute and deliver such contract and all other documents related thereto and to grant the security interest purported to be granted thereby.

(xxi) Tax Liens. As of the Cutoff Date, there is no lien against the related Financed Vehicle for delinquent taxes.

(xxii) Characteristics of Obligors. As of the date of each Obligor's application for the loan from which the related Receivable arises, such Obligor (a) did not have any material past due credit obligations or any personal or real property repossessed or wages garnished within one year prior to the date of such application, unless such amounts have been repaid or discharged through bankruptcy, (b) was not the subject of any Federal, State or other bankruptcy, insolvency or similar proceeding pending on the date of application that is not discharged, (c) had not been the subject of more than one Federal, State or other bankruptcy, insolvency or similar proceeding, and (d) was domiciled in the United States.

(xxiii) Origination Date. Each Receivable has an origination date on or after February 18, 1995.

(xxiv) Maturity of Receivables. Each Receivable has an original term to maturity of not less than 18 months and not more than 60 months; the weighted average original term to maturity of the Receivables is 55.54 months as of the Cutoff Date; the remaining term to maturity of each Receivable was

60 months or less as of the Cutoff Date; the weighted average remaining term to maturity of the Receivables was 54.20 months as of the Cutoff Date.

(xxv) Scheduled Payments. Each Receivable had an original principal balance of not less than \$2,808 nor more than \$28,982 has an outstanding principal balance as of the Cutoff Date of not less than \$2,492 nor more than \$27,970 and has a first Scheduled Payment due on or prior to October 31, 1996.

(xxvi) Origination of Receivables. Based on the billing address of the Obligor and the Principal Balances as of the Cutoff Date, approximately 27.32% of the Receivables were originated in California, approximately 9.64% of the Receivables were originated in Pennsylvania, approximately 9.00% of the Receivables were originated in Florida, approximately 6.81% of the Receivables were originated in Texas and the remaining 47.23% of the Receivables were originated in other States.

(xxvii) Post-Office Box. On or prior to the next billing period after the Cutoff Date, CPS will notify each Obligor to make payments with respect to its respective Receivables after the Cutoff Date directly to the Post-Office Box, and will provide each Obligor with a monthly statement in order to enable such Obligor to make payments directly to the Post-Office Box.

(xxviii) Location of Receivable Files. A complete Receivable File with respect to each Receivable has been or prior to the Closing Date will be delivered to the Trustee at the location listed in Schedule B.

(xxix) Casualty. No Financed Vehicle has suffered a Casualty.

(xxx) Principal Balance/Number of Contracts. As of the Cutoff Date, the total aggregate principal balance of the Receivables was \$92,129,299.54. The Receivables are evidenced by 7,346 Contracts.

(xxxi) Full Amount Advanced. The full amount of each Receivable has been advanced to each Obligor, and there are no requirements for future advances thereunder. The Obligor with respect to the Receivable does not have any option under the Receivable to borrow from any person additional funds secured by the Financed Vehicle.

SECTION 2.6. Repurchase Upon Breach. The Seller, the Servicer, the Certificate Insurer or the Trustee, as the case may

be, shall inform the other parties to this Agreement and the Certificate Insurer promptly, in writing, upon the discovery of any breach of the Seller's representations and warranties made pursuant to Section 2.5 (without regard to any limitation therein as to the Seller's knowledge). Unless the breach shall have been cured by the last day of the second Collection Period following the discovery thereof by the Trustee or the Certificate Insurer or receipt by the Trustee and the Certificate Insurer of notice from the Seller or the Servicer of such breach, CPS shall repurchase any Receivable if such Receivable is materially and adversely affected by the breach as of the last day of such second Collection Period (or, at CPS's option, the last day of the first Collection Period following the discovery) and, in the event that the breach relates to a characteristic of the Receivables in the aggregate, and if the Trust is materially and adversely affected by such breach, unless the breach shall have been cured by such second Collection Period, CPS shall purchase such aggregate Principal Balance of Receivables, such that following such purchase such representation shall be true and correct with respect to the remainder of the Receivables in the aggregate. In consideration of the purchase of the Receivable, CPS shall remit the Purchase Amount, in the manner specified in Section 4.5. For purposes of this Section, the Purchase Amount of a Receivable which is not consistent with the warranty pursuant to Section 2.5(i)(A)(4) or (A)(5) shall include such additional amount as shall be necessary to provide the full amount of interest as contemplated therein. The sole remedy of the Trustee, the Trust, the Certificateholders or the Certificate Insurer with respect to a breach of representations and warranties pursuant to Section 2.5 shall be to enforce CPS's obligation to purchase such Receivables pursuant to the Purchase Agreement; provided, however, that CPS shall indemnify the Trustee, the Standby Servicer, the Collateral Agent, the Certificate Insurer, the Trust and the Certificateholders against all costs, expenses, losses, damages, claims and liabilities, including reasonable fees and expenses of counsel, which may be asserted against or incurred by any of them as a result of third party claims arising out of the events or facts giving rise to such breach. Upon receipt of the Purchase Amount and written instructions from the Servicer, the Trustee shall release to CPS or its designee the related Receivables File and shall execute and deliver all reasonable instruments of transfer or assignment, without recourse, as are prepared by the Seller and delivered to the Trustee and necessary to vest in CPS or such designee title to the Receivable. If it is determined that consummation of the transactions contemplated by this Agreement and the other transaction documents referenced in this Agreement, the servicing and operation of the Trust pursuant to this Agreement and such other documents, or the ownership of a Certificate by a Holder constitutes a violation of the prohibited transaction rules of the Employee Retirement Income Security Act of 1974, as amended

("ERISA"), or the Internal Revenue Code of 1986, as amended (the "Code") or any successor statutes of similar impact, together with the regulations thereunder, to which no statutory exception or administrative exemption applies, such violation shall not be treated as a breach of the Seller's representations and warranties made pursuant to Section 2.5 if not otherwise such a breach.

SECTION 2.7. Delivery of Receivable Files. On or prior to the Closing Date, the Seller shall transfer and deliver to the Trustee at the offices specified in Schedule B to this Agreement with respect to each Receivable the following:

(i) The fully executed original of the Receivable (together with any agreements modifying the Receivable, including without limitation, any extension agreements).

(ii) The original certificate of title in the name of CPS or such documents that CPS shall keep on file, in accordance with its customary procedures, evidencing the security interest of CPS in the Financed Vehicle or, if not yet received, a copy of the application therefor showing CPS as secured party.

The Servicer shall hold all other documents with respect to the Receivables as custodian for the Trust.

SECTION 2.8. Acceptance of Receivable Files by Trustee. The Trustee acknowledges receipt of files which the Seller has represented are the Receivable Files. The Trustee has reviewed the Receivable Files and has determined that it has received a file for each Receivable identified in Schedule A to this Agreement. The Trustee declares that it holds and will continue to hold such files and any amendments, replacements or supplements thereto and all other Trust Assets as Trustee in trust for the use and benefit of all present and future Certificateholders. The Trustee agrees to review each file delivered to it no later than 45 days after the Closing Date to determine whether such Receivable Files contain the documents referred to in Section 2.7(i) and (ii). If the Trustee has found or finds that a file for a Receivable has not been received, or that a file is unrelated to the Receivables identified in Schedule A to this Agreement or that any of the documents referred to in Section 2.7(i) or (ii) are not contained in a Receivable File, the Trustee shall inform CPS, the Seller, the Standby Servicer and the Certificate Insurer promptly, in writing, of the failure to receive a file with respect to such Receivable (or of the failure of any of the aforementioned documents to be included in the Receivable File) or shall return to CPS as the Seller's designee any file unrelated to a Receivable identified in Schedule A to this Agreement (it being

understood that the Trustee's obligation to review the contents of any Receivable File shall be limited as set forth in the preceding sentence). Unless such defect with respect to such Receivable File shall have been cured by the last day of the second Collection Period following discovery thereof by the Trustee, CPS shall repurchase any such Receivable as of such last day. In consideration of the purchase of the Receivable, CPS shall remit the Purchase Amount, in the manner specified in Section 4.5. The sole remedy of the Trustee, the Trust, or the Certificateholders with respect to a breach pursuant to this Section 2.8 shall be to require CPS to purchase the Receivables pursuant to this Section 2.8. Upon receipt of the Purchase Amount and written instructions from the Servicer, the Trustee shall release to CPS or its designee the related Receivables File and shall execute and deliver all reasonable instruments of transfer or assignment, without recourse, as are prepared by CPS and delivered to the Trustee and are necessary to vest in CPS or such designee title to the Receivable. The Trustee shall make a list of Receivables for which an application for a certificate of title but not an original certificate of title or, with respect to Receivables originated in the State of Michigan, a "Form RD108" stamped by the Department of Motor Vehicles, is included in the Receivable File as of the date of its review of the Receivable Files and deliver a copy of such list to the Servicer and the Certificate Insurer. On the date which is 180 days following the Closing Date or the next succeeding Business Day, the Trustee shall inform CPS and the other parties to this Agreement and the Certificate Insurer of any Receivable for which the related Receivable File on such date does not include an original certificate of title or, with respect to Financed Vehicles in the State of Michigan, for which the related Receivable File on such date does not include a "Form RD108" stamped by the Department of Motor Vehicles, and CPS shall repurchase any such Receivable as of the last day of the current Collection Period.

SECTION 2.9. Access to Receivable Files. The Trustee shall permit the Servicer, any Certificateholder and the Certificate Insurer access to the Receivable Files at all reasonable times during the Trustee's normal business hours; provided, however, that the Trustee shall provide such access to any Certificateholder only (i) in such cases where the Trustee is required by applicable statutes or regulations (whether applicable to the Trustee, the Servicer or to such Certificateholder) to permit such Certificateholder to review the Receivable Files or (ii) if an Insurer Default shall have occurred and be continuing. In addition, the Trustee shall provide such access to any Certificateholder at all reasonable times during the Trustee's normal business hours if an Event of Default shall have occurred and be continuing. In each case, such access shall be afforded without charge but only upon

reasonable request. Each Certificateholder shall be deemed to have agreed by its acceptance of a Certificate to use its best efforts to hold in confidence all Confidential Information in accordance with its then customary procedures; provided that nothing herein shall prevent any Certificateholder from delivering copies of any financial statements and other documents whether or not constituting Confidential Information, and disclosing other information, whether or not Confidential Information, to (i) its directors, officers, employees, agents and professional consultants, (ii) any other institutional investor that holds Certificates, (iii) any prospective institutional investor transferee in connection with the contemplated transfer of a Certificate or any part thereof or participation therein who is subject to confidentiality arrangements at least substantially similar hereto, (iv) any governmental authority, (v) the National Association of Insurance Commissioners or any similar organization, (vi) any nationally recognized rating agency in connection with the rating of the Class A Certificates by such agency or (vii) any other Person to which such delivery or disclosure may be necessary or appropriate (a) in compliance with any applicable law, rule, regulation or order, (b) in response to any subpoena or other legal process, (c) in connection with any litigation to which such Certificateholder is a party, or (d) in order to protect or enforce such Person's investment in any Certificate. The Trustee shall, within two Business Days of the request of the Servicer or the Certificate Insurer, execute such documents and instruments as are prepared by the Servicer or the Certificate Insurer and delivered to the Trustee, as the Servicer or the Certificate Insurer deems necessary to permit the Servicer, in accordance with its customary servicing procedures, to enforce the Receivable on behalf of the Trust and any related insurance policies covering the Obligor, the Receivable or Financed Vehicle so long as such execution in the Trustee's sole discretion does not conflict with this Agreement and will not cause it undue risk or liability. The Trustee shall not be obligated to release any document from any Receivable File unless it receives a trust receipt signed by a Servicing Officer in the form of Exhibit E-1 hereto (the "Trust Receipt"). Such Trust Receipt shall obligate the Servicer to return such document(s) to the Trustee when the need therefor no longer exists unless the Receivable shall be liquidated, in which case, upon receipt of a certificate of a Servicing Officer substantially in the form of Exhibit E-2 hereto to the effect that all amounts required to be deposited in the Collection Account with respect to such Receivable have been so deposited, the Trust Receipt shall be released by the Trustee to the Servicer.

ARTICLE III

Administration and Servicing of Receivables

SECTION 3.1. Duties of Servicer. The Servicer, as agent for the Trust, the Certificateholders and the Certificate Insurer (to the extent provided herein) shall manage, service, administer and make collections on the Receivables with reasonable care, using that degree of skill and attention customary and usual for institutions which service motor vehicle retail installment contracts similar to the Receivables and, to the extent more exacting, that the Servicer exercises with respect to all comparable automotive receivables that it services for itself or others. The Servicer's duties shall include collection and posting of all payments, responding to inquiries of Obligor on such Receivables, investigating delinquencies, sending payment statements to Obligor, reporting tax information to Obligor, accounting for collections, furnishing monthly and annual statements to the Trustee and the Certificate Insurer with respect to distributions. Without limiting the generality of the foregoing, and subject to the servicing standards set forth in this Agreement, the Servicer is authorized and empowered by the Trustee to execute and deliver, on behalf of itself, the Trust, the Certificateholders or any of them, any and all instruments of satisfaction or cancellation, or partial or full release or discharge, and all other comparable instruments, with respect to such Receivables or to the Financed Vehicles securing such Receivables and/or the certificates of title or, with respect to Financed Vehicles in the State of Michigan, other evidence of ownership with respect to such Financed Vehicles. If the Servicer shall commence a legal proceeding to enforce a Receivable, the Trustee shall thereupon be deemed to have automatically assigned, solely for the purpose of collection, such Receivable to the Servicer. If in any enforcement suit or legal proceeding it shall be held that the Servicer may not enforce a Receivable on the ground that it shall not be a real party in interest or a holder entitled to enforce such Receivable, the Trustee shall, at the Servicer's expense and direction, take steps to enforce such Receivable, including bringing suit in its name or the name of the Certificateholders. The Servicer shall prepare and furnish and the Trustee shall execute, any powers of attorney and other documents reasonably necessary or appropriate to enable the Servicer to carry out its servicing and administrative duties hereunder.

SECTION 3.2. Collection and Allocation of Receivable Payments. Consistent with the standards, policies and procedures required by this Agreement, the Servicer shall make reasonable efforts to collect all payments called for under the terms and provisions of the Receivables as and when the same shall become

due and shall follow such collection procedures as it follows with respect to all comparable automotive receivables that it services for itself or others; provided, however, that the Servicer shall notify each Obligor to make all payments with respect to the Receivables to the Post-Office Box. The Servicer will provide each Obligor with a monthly statement in order to notify such Obligors to make payments directly to the Post-Office Box. The Servicer shall allocate collections between principal and interest in accordance with the customary servicing procedures it follows with respect to all comparable automotive receivables that it services for itself or others and in accordance with the terms of this Agreement. Except as provided below, the Servicer, for so long as CPS is the Servicer, may grant extensions on a Receivable; provided, however, that the Servicer may not grant more than one extension per calendar year with respect to a Receivable or grant an extension with respect to a Receivable for more than one calendar month or grant more than three extensions in the aggregate with respect to a Receivable without the prior written consent of the Certificate Insurer and provided, further, that if the Servicer extends the date for final payment by the Obligor of any Receivable beyond the last day of the penultimate Collection Period preceding the Final Scheduled Distribution Date, it shall promptly purchase the Receivable from the Trust in accordance with the terms of Section 3.7 hereof (and for purposes thereof, the Receivable shall be deemed to be materially and adversely affected by such breach). If the Servicer is not CPS, the Servicer may not make any extension on a Receivable without the prior written consent of the Certificate Insurer. The Servicer may in its discretion waive any late payment charge or any other fees that may be collected in the ordinary course of servicing a Receivable. Notwithstanding anything to the contrary contained herein, the Servicer shall not agree (i) to any alteration of the interest rate on any Receivable or of the amount of any Scheduled Payment on Receivables, and (ii) shall not agree to any modification that would result in a "deemed exchange" of a receivable under Section 1001 of the Internal Revenue Code of 1986, as amended, or would constitute reinvestment adversely affecting the status of the Trust as not an association taxable as a corporation for Federal income tax purposes.

SECTION 3.3. Realization Upon Receivables. On behalf of the Trust, the Certificateholders and the Certificate Insurer, the Servicer shall use its best efforts, consistent with the servicing procedures set forth herein, to repossess or otherwise convert the ownership of the Financed Vehicle securing any Receivable as to which the Servicer shall have determined eventual payment in full is unlikely. The Servicer shall commence efforts to repossess or otherwise convert the ownership of a Financed Vehicle on or prior to the date that an Obligor has failed to make more than 90% of a Scheduled Payment thereon in

excess of \$10 for 120 days or more; provided, however, that the Servicer may elect not to commence such efforts within such time period if in its good faith judgment it determines either that it would be impracticable to do so or that the proceeds ultimately recoverable with respect to such Receivable would be increased by forbearance. The Servicer shall follow such customary and usual practices and procedures as it shall deem necessary or advisable in its servicing of automotive receivables, consistent with the standards of care set forth in Section 3.2, which may include reasonable efforts to realize upon any recourse to Dealers and selling the Financed Vehicle at public or private sale. The foregoing shall be subject to the provision that, in any case in which the Financed Vehicle shall have suffered damage, the Servicer shall not expend funds in connection with the repair or the repossession of such Financed Vehicle unless it shall determine in its discretion that such repair and/or repossession will increase the proceeds ultimately recoverable with respect to such Receivable by an amount greater than the amount of such expenses.

SECTION 3.4. Physical Damage Insurance; Other Insurance. (a) The Servicer, in accordance with the servicing procedures and standards set forth herein, shall require that (i) each Obligor shall have obtained insurance covering the Financed Vehicle, as of the date of the execution of the Receivable, insuring against loss and damage due to fire, theft, transportation, collision and other risks generally covered by comprehensive and collision coverage and each Receivable requires the Obligor to maintain such physical loss and damage insurance naming CPS and its successors and assigns as an additional insured, (ii) each Receivable that finances the cost of premiums for credit life and credit accident and health insurance is covered by an insurance policy or certificate naming CPS as policyholder (creditor) and (iii) as to each Receivable that finances the cost of an extended service contract, the respective Financed Vehicle which secures the Receivable is covered by an extended service contract.

(b) To the extent applicable, the Servicer shall not take any action which would result in noncoverage under any of the insurance policies referred to in Section 3.4(a) which, but for the actions of the Servicer, would have been covered thereunder. The Servicer, on behalf of the Trustee, shall take such reasonable action as shall be necessary to permit recovery under any of the foregoing insurance policies. Any amounts collected by the Servicer under any of the foregoing insurance policies shall be deposited in the Collection Account pursuant to Section 4.2. The Servicer shall cause to be maintained in respect of each Financed Vehicle the insurance or insurance reserves referred to in Section 3.4(a)(i) above.

SECTION 3.5. Maintenance of Security Interests in Financed Vehicles. (a) Consistent with the policies and procedures required by this Agreement, the Servicer shall take such steps as are necessary to maintain perfection of the security interest created by each Receivable in the related Financed Vehicle including but not limited to obtaining the execution by the Obligor and the recording, registering, filing, re-recording, re-registering and re-filing of all security agreements, financing statements and continuation statements or instruments as are necessary to maintain the security interest granted by Obligor under the respective Receivables. The Trustee hereby authorizes the Servicer to take such steps as are necessary to re-perfect or continue the perfection of such security interest on behalf of the Trust in the event of the relocation of a Financed Vehicle or for any other reason.

(b) Upon the occurrence of an Insurance Agreement Event of Default, the Certificate Insurer may (so long as an Insurer Default shall not have occurred and be continuing) instruct the Trustee and the Servicer to take or cause to be taken, or, if an Insurer Default shall have occurred, upon the occurrence of an Event of Default, the Trustee and the Servicer shall take or cause to be taken such action as may, in the opinion of counsel to the Trustee, which opinion shall not be an expense of the Trustee, be necessary to perfect or reperfect the security interests in the Financed Vehicles securing the Receivables in the name of the Trustee on behalf of the Trust by amending the title documents of such Financed Vehicles or by such other reasonable means as may, in the opinion of counsel to the Certificate Insurer or the Trustee (as applicable), which opinion shall not be an expense of the Trustee, be necessary or prudent. The Servicer hereby agrees to pay all expenses related to such perfection or reperfecting and to take all action necessary therefor. In addition, prior to the occurrence of an Insurance Agreement Event of Default, the Certificate Insurer may (unless an Insurer Default shall have occurred and be continuing) instruct the Trustee and the Servicer to take or cause to be taken such action as may, in the opinion of counsel to the Certificate Insurer, be necessary to perfect or reperfect the security interest in the Financed Vehicles securing the Receivables in the name of the Trustee on behalf of the Trust, including by amending the title documents of such Financed Vehicles or by such other reasonable means as may, in the opinion of counsel to the Certificate Insurer, be necessary or prudent; provided, however, that if the Certificate Insurer requests (unless an Insurer Default shall have occurred and be continuing) that the title documents be amended prior to the occurrence of an Insurance Agreement Event of Default, the out-of-pocket expenses of the Servicer or the Trustee in connection with such action shall be reimbursed to the Servicer or the Trustee, as applicable, by the Certificate Insurer.

SECTION 3.6. Additional Covenants of Servicer. The Servicer shall not release the Financed Vehicle securing each Receivable from the security interest granted by such Receivable in whole or in part except in the event of payment in full by the Obligor thereunder or repossession, nor shall the Servicer impair the rights of the Certificateholders in such Receivables, nor shall the Servicer amend a Receivable, except that extensions may be granted in accordance with Section 3.2.

SECTION 3.7. Purchase of Receivables Upon Breach. The Servicer or the Trustee shall inform the other party and the Certificate Insurer promptly, in writing, upon the discovery of any breach of Section 3.2, 3.4, 3.5 or 3.6; provided, however, that the failure to give such notice shall not affect any obligation of the Servicer hereunder. Unless the breach shall have been cured by the last day of the second Collection Period following such discovery (or, at the Servicer's election, the last day of the first following Collection Period), the Servicer shall purchase any Receivable materially and adversely affected by such breach. In consideration of the purchase of such Receivable, the Servicer shall remit the Purchase Amount in the manner specified in Section 4.5. The sole remedy of the Trustee, the Trust, the Certificate Insurer or the Certificateholders with respect to a breach of Section 3.2, 3.4, 3.5 or 3.6 shall be to require the Servicer to repurchase Receivables pursuant to this Section 3.7; provided, however, that the Servicer shall indemnify the Trustee, the Standby Servicer, the Collateral Agent, the Certificate Insurer, the Trust and the Certificateholders against all costs, expenses, losses, damages, claims and liabilities, including reasonable fees and expenses of counsel, which may be asserted against or incurred by any of them as a result of third party claims arising out of the events or facts giving rise to such breach. If it is determined that the management, administration and servicing of the Receivables and operation of the Trust pursuant to this Agreement constitutes a violation of the prohibited transaction rules of ERISA or the Code to which no statutory exception or administrative exemption applies, such violation shall not be treated as a breach of Section 3.2, 3.4, 3.5 or 3.6 if not otherwise such a breach.

SECTION 3.8. Servicing Fee. (a) The Servicing Fee for the initial Distribution Date shall equal the product of (i) one twelfth of the Servicing Rate, (ii) the Pool Balance as of the close of business on the Cutoff Date and (iii) a fraction, the numerator of which is the number of days from and including the Closing Date to and including the last day of the initial Collection Period and the denominator of which is 30. Thereafter, the Servicing Fee for a Distribution Date shall equal the product of (x) one twelfth of the Servicing Rate and (y) the Pool Balance as of the last day of the second preceding Collection Period. The Servicing Fee shall also include all late

fees, prepayment charges including, in the case of a Rule of 78's Receivable that is prepaid in full, to the extent not required by law to be remitted to the related Obligor, the difference between the Principal Balance of such Rule of 78's Receivable (plus accrued interest to the date of prepayment) and the principal balance of such Receivable computed according to the "Rule of 78's", and other administrative fees or similar charges allowed by applicable law with respect to Receivables, collected (from whatever source) on the Receivables.

(b) On or prior to each Distribution Date, CPS shall deposit into the Collection Account, out of its own funds without any right of reimbursement therefor, an amount (the "Adjusted Compensating Interest") equal to the positive difference, if any, between (i) Compensating Interest for the prior Collection Period and (ii) the amount on deposit in the Spread Account.

SECTION 3.9. Servicer's Certificate. By 10:00 a.m., Minneapolis time, on each Determination Date, the Servicer shall deliver to the Trustee, the Certificate Insurer, the Rating Agencies and the Seller a Servicer's Certificate containing all information necessary to make the distributions pursuant to Section 4.6 (including, if required, withdrawals from or deposits to the Payahead Account and withdrawals from the Spread Account) for the Collection Period preceding the date of such Servicer's Certificate and all information necessary for the Trustee to send statements to Certificateholders and the Certificate Insurer pursuant to Section 4.8. Receivables to be purchased by the Servicer or to be purchased by CPS shall be identified by the Servicer by account number with respect to such Receivable (as specified in Schedule A).

SECTION 3.10. Annual Statement as to Compliance: Notice of Default. (a) The Servicer shall deliver to the Trustee and the Certificate Insurer, on or before July 31 of each year beginning July 31, 1997, an Officer's Certificate, dated as of March 31 of such year, stating that (i) a review of the activities of the Servicer during the preceding 12-month period (or, in the case of the first such certificate, the period from the Cutoff Date to March 31, 1997) and of its performance under this Agreement has been made under such officer's supervision and (ii) to the best of such officer's knowledge, based on such review, the Servicer has fulfilled all its obligations under this Agreement throughout such year (or, in the case of the first such certificate, such shorter period), or, if there has been a default in the fulfillment of any such obligation, specifying each such default known to such officer and the nature and status thereof. The Trustee shall send a copy of such certificate and the report referred to in Section 3.11 to the Rating Agencies. The Trustee shall forward a copy of such certificate as well as the report referred to in Section 3.11 to each Certificateholder.

(b) The Servicer shall deliver to the Trustee, the Certificate Insurer and the Rating Agencies, promptly after having obtained knowledge thereof, but in no event later than 2 Business Days thereafter, written notice in an Officer's Certificate of any event which with the giving of notice or lapse of time, or both, would become an Event of Default under Section 9.1.

The Seller shall deliver to the Trustee, the Certificate Insurer and the Rating Agencies, promptly after having obtained knowledge thereof, but in no event later than 5 Business Days thereafter, written notice in an Officer's Certificate of any event which with the giving of notice or lapse of time, or both, would become an Event of Default under clause (ii) of Section 9.1.

The Trustee shall deliver to each Certificateholder a copy of each notice delivered to it by the Servicer or the Seller pursuant to this Section 3.10(b).

SECTION 3.11. Annual Independent Certified Public Accountant's Report. The Servicer shall cause a firm of nationally recognized independent certified public accountants, who may also render other services to the Servicer or to the Seller, to deliver to the Trustee, the Certificateholders and the Certificate Insurer on or before July 31 of each year beginning July 31, 1997, a report dated as of March 31 of such year and reviewing the Servicer's activities during the preceding 12-month period (or, in the case of the first such report, the period from the Cutoff Date to March 31, 1997), addressed to the Board of Directors of the Servicer and to the Trustee and the Certificate Insurer, to the effect that such firm has examined the financial statements of the Servicer and issued its report therefor and that such examination (1) was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as such firm considered necessary in the circumstances; (2) included tests relating to auto loans serviced for others in accordance with the requirements of the Uniform Single Audit Program for Mortgage Bankers (the "Program"), to the extent the procedures in the Program are applicable to the servicing obligations set forth in this Agreement; (3) included an examination of the delinquency and loss statistics relating to the Servicer's portfolio of automobile and light truck installment sales contracts; and (4) except as described in the report, disclosed no exceptions or errors in the records relating to automobile and light truck loans serviced for others that, in the firm's opinion, paragraph four of the Program requires such firm to report. The accountant's report shall further state that (1) a review in accordance with agreed upon procedures was made of three randomly selected Servicer Certificates; (2) except as disclosed in the

report, no exceptions or errors in the Servicer Certificates were found; and (3) the delinquency and loss information, relating to the Receivables contained in the Servicer Certificates were found to be accurate.

The Report will also indicate that the firm is independent of the Servicer within the meaning of the Code of Professional Ethics of the American Institute of Certified Public Accountants.

SECTION 3.12. Reserved.

SECTION 3.13. Servicer Expenses. The Servicer shall be required to pay all expenses incurred by it in connection with its activities hereunder, including fees and disbursements of independent accountants, taxes imposed on the Servicer, and expenses incurred in connection with distributions and reports to Certificateholders.

SECTION 3.14. Retention and Termination of Servicer. The Servicer hereby covenants and agrees to act as such under this Agreement for an initial term commencing on the Closing Date and ending on December 31, 1996, which term shall be automatically extended by the Certificate Insurer for successive terms of ninety (90) days each as specified in a writing delivered by the Certificate Insurer prior to the expiration of each current term to the Servicer and the Trustee which provides that the Servicer will be automatically extended for a succeeding ninety (90) day term unless an Event of Default shall have occurred and be continuing, in which case the Certificate Insurer may extend the Servicer in its sole discretion (or, at the discretion of the Certificate Insurer exercised pursuant to revocable written standing instructions from time to time to the Servicer and the Trustee, for any specified number of terms greater than one), until the termination of the Trust. Each such notice (including each notice pursuant to standing instructions, which shall be deemed delivered at successive ninety (90) day intervals for so long as such instructions are in effect) (a "Servicer Extension Notice") shall be delivered by the Certificate Insurer to the Trustee and the Servicer. The Servicer hereby agrees that, upon its receipt of any such Servicer Extension Notice, the Servicer shall become bound, for the duration of the term covered by such Servicer Extension Notice, to continue as the Servicer subject to and in accordance with the other provisions of this Agreement. At such time as the Class A Certificates have been paid in full and all outstanding Reimbursement Obligations and other amounts owed to the Certificate Insurer have been paid in full, the term of the Servicer's appointment hereunder shall be deemed to have been extended until the termination of the Trust (unless such appointment is terminated sooner in accordance with the terms of this Agreement).

SECTION 3.15. Access to Certain Documentation and Information Regarding Receivables. The Servicer shall provide to representatives of the Trustee, the Certificateholders and the Certificate Insurer reasonable access to documentation and computer systems and information regarding the Receivables. The Servicer shall provide such access to any Certificateholder only (i) in such cases where the Servicer is required by applicable statutes or regulations (whether applicable to the Servicer or to such Certificateholder) to permit such Certificateholder to review such materials and (ii) if an Insurer Default shall have occurred and be continuing. In each case, such access shall be afforded without charge but only upon reasonable request and during normal business hours. Nothing in this Section 3.15 shall derogate from the obligation of the Servicer to observe any applicable law prohibiting disclosure of information regarding the Obligors, and the failure of the Servicer to provide access as provided in this Section 3.15 as a result of such obligation shall not constitute a breach of this Section 3.15.

SECTION 3.16. Verification of Servicer's Certificate. (a) On or before the fifth calendar day of each month, the Servicer will deliver to the Trustee and the Standby Servicer a computer diskette (or other electronic transmission) in a format acceptable to the Trustee and the Standby Servicer containing information with respect to the Receivables as of the close of business on the last day of the preceding Collection Period which information is necessary for preparation of the Servicer's Certificate. The Standby Servicer shall use such computer diskette (or other electronic transmission) to verify certain information specified in Section 3.16(b) contained in the Servicer's Certificate delivered by the Servicer, and the Standby Servicer shall notify the Servicer and the Certificate Insurer of any discrepancies on or before the second Business Day following the Determination Date. In the event that the Standby Servicer reports any discrepancies, the Servicer and the Standby Servicer shall attempt to reconcile such discrepancies prior to the second Business Day prior to the related Distribution Date, but in the absence of a reconciliation, the Servicer's Certificate shall control for the purpose of calculations and distributions with respect to the related Distribution Date. In the event that the Standby Servicer and the Servicer are unable to reconcile discrepancies with respect to a Servicer's Certificate by the related Distribution Date, the Servicer shall cause a firm of independent certified public accountants, at the Servicer's expense, to audit the Servicer's Certificate and, prior to the fifth calendar day of the following month, reconcile the discrepancies. The effect, if any, of such reconciliation shall be reflected in the Servicer's Certificate for such next succeeding Determination Date. Other than the duties specifically set forth in this Agreement, the Standby Servicer shall have no obligations hereunder, including, without

limitation, to supervise, verify, monitor or administer the performance of the Servicer. The Standby Servicer shall have no liability for any actions taken or omitted by the Servicer. The duties and obligations of the Standby Servicer shall be determined solely by the express provisions of this Agreement and no implied covenants or obligations shall be read into this Agreement against the Standby Servicer.

(b) The Standby Servicer shall review each Servicer's Certificate delivered pursuant to Section 3.16(a) and shall:

(i) confirm that such Servicer's Certificate is complete on its face;

(ii) load the computer diskette (which shall be in a format acceptable to the Standby Servicer) received from the Servicer pursuant to Section 3.16(a) hereof, confirm that such computer diskette is in a readable form and calculate and confirm the Principal Balance of each Receivable for the most recent Distribution Date;

(iii) confirm that the Total Distribution Amount, the Class A Distributable Amount, the Class A Principal Distributable Amount, the Class A Interest Distributable Amount, the Class B Distributable Amount, the Class B Interest Distributable Amount, the Class B Principal Distributable Amount, the Standby Fee, the Servicing Fee, the Trustee Fee, the amount on deposit in the Spread Account, and the Premium in the Servicer's Certificate are accurate based solely on the recalculation of the Servicer's Certificate; and

(iv) confirm the calculation of the performance tests set forth in the Spread Account Agreement.

SECTION 3.17. Fidelity Bond. The Servicer shall maintain a fidelity bond in such form and amount as is customary for entities acting as custodian of funds and documents in respect of consumer contracts on behalf of institutional investors.

SECTION 3.18. Delegation of Duties. The Servicer may at any time delegate duties under this Agreement to sub-contractors who are in the business of servicing automotive receivables with the prior written consent of the controlling party as determined pursuant to Section 12.11 and (unless an Insurance Agreement Event of Default shall have occurred and be continuing or Norwest Bank Minnesota, National Association shall then be the Servicer) the Holders of Class B Certificates evidencing at least 51% of the Class B Certificate Balance; provided, however, that no such delegation or sub-contracting of duties by the Servicer shall relieve the Servicer of its responsibility with respect to such

duties; and provided further, that the consent of the Holders of the requisite percentage of the Class B Certificate Balance shall not be unreasonably withheld or delayed and shall be deemed to have been given unless, on or before the Objection Date, the Trustee shall have received Objection Notices from Holders of Class B Certificates representing more than 49% of the Class B Certificate Balance. Upon written request of the Servicer, the Trustee shall deliver to each Class B Certificateholder of record as of the most recent Record Date a notice (a "Delegation Notice") prepared by the Servicer (i) specifying the duties the Servicer proposes to delegate, (ii) identifying the subcontractor to whom it proposes to delegate such duties and (iii) informing such Class B Certificateholder that if it wishes to object to the proposed delegation of duties, it must deliver a written notice of objection (specifying in reasonable detail the reasons for its objection; such notice of objection an "Objection Notice") on or before the date specified in such Delegation Notice (the "Objection Date"), which Objection Date shall be a date which is not more than 10 Business Days after the date the Servicer delivers such Delegation Notice to the Trustee.

ARTICLE IV

Distributions, Spread Account; Statements to Certificateholders

SECTION 4.1. Accounts; Post-Office Box. (a) The Trustee shall establish the Lock-Box Account in the name of the Trustee for the benefit of the Certificateholders and the Certificate Insurer, provided that pursuant to the Lock-Box Agreement, the Lock-Box Processor and no other Person, save the Trustee, has authority to direct disposition of funds on deposit in the Lock-Box Account consistent with the provisions of this Agreement and the Lock-Box Agreement. The Trustee shall have no liability or responsibility with respect to the Lock-Box Processor's directions or activities as set forth in the preceding sentence. The Lock-Box Account shall be established pursuant to and maintained in accordance with the Lock-Box Agreement and shall be a demand deposit account initially established and maintained with Bank of America, or at the request of the Certificate Insurer (unless an Insurer Default shall have occurred and be continuing) an Eligible Account satisfying clause (i) of the definition thereof; provided, however, that the Trustee shall give the Servicer prior written notice of any change made at the request of the Certificate Insurer in the location of the Lock- Box Account. The Trustee shall establish and maintain the Post- Office Box at a United States Post Office Branch in the name of the Trustee for the benefit of the Certificateholders and the Certificate Insurer.

In the event the Servicer shall for any reason no longer be acting as such, the Standby Servicer or a successor Servicer shall thereupon assume all of the rights and obligations of the outgoing Servicer under the Lock-Box Agreement. In such event, the successor Servicer shall be deemed to have assumed all of the outgoing Servicer's interest therein and to have replaced the outgoing Servicer as a party to the Lock-Box Agreement to the same extent as if such Lock-Box Agreement had been assigned to the successor Servicer, except that the outgoing Servicer shall not thereby be relieved of any liability or obligations on the part of the outgoing Servicer to the Lock-Box Bank under such Lock-Box Agreement. The outgoing Servicer shall, upon request of the Trustee, but at the expense of the outgoing Servicer, deliver to the successor Servicer all documents and records relating to the Lock-Box Agreement and an accounting of amounts collected and held by the Lock-Box Bank and otherwise use its best efforts to effect the orderly and efficient transfer of any Lock-Box Agreement to the successor Servicer. In the event that the Certificate Insurer (so long as an Insurer Default shall not have occurred and be continuing) or Holders of Certificates evidencing more than 50% of the Class A Certificate Balance (if an Insurer Default shall have occurred and be continuing) shall elect to change the identity of the Lock-Box Bank, the Servicer, at its expense, shall cause the Lock-Box Bank to deliver, at the direction of the Certificate Insurer (so long as an Insurer Default shall not have occurred and be continuing) or Holders of Certificates evidencing more than 50% of the Class A Certificate Balance (if an Insurer Default shall have occurred and be continuing) to the Trustee or a successor Lock-Box Bank, all documents and records relating to the Receivables and all amounts held (or thereafter received) by the Lock-Box Bank (together with an accounting of such amounts) and shall otherwise use its best efforts to effect the orderly and efficient transfer of the lock-box arrangements.

In addition, the Trustee shall establish, with itself, the Collection Account, the Policy Payments Account, and the Certificate Account in the name of the Trustee for the benefit of the Certificateholders and the Certificate Insurer. In addition, the Trustee shall establish with itself the Payahead Account in the name of the Trustee for the benefit of Obligors of Rule of 78's Receivables who make payments thereon in excess of Scheduled Payments and applicable late fees and for the benefit, to the extent of earnings on investments of funds in the Payahead Account, of the Certificateholders. The Payahead Account shall not be included in the Trust. The Collection Account, the Policy Payments Account, the Certificate Account and the Payahead Account shall be Eligible Accounts initially established with the Trustee; provided, however, if any of such accounts shall cease to be an Eligible Account, the Servicer, with the consent of the Certificate Insurer, within 5 Business Days shall, cause such

accounts to be moved to an institution so that such account meets the definition of Eligible Account. The Servicer shall promptly notify the Rating Agencies of any change in the location of any of the aforementioned accounts.

All amounts held in the Collection Account and the Payahead Account shall be invested by the Trustee at the written direction of the Servicer in Eligible Investments in the name of the Trustee as trustee of the Trust and shall mature no later than one Business Day immediately preceding the Distribution Date next succeeding the date of such investment. Such written direction shall certify that any such investment is authorized by this Section. No investment may be sold prior to its maturity. Amounts in the Policy Payments Account and the Certificate Account shall not be invested. The amount of earnings on investments of funds in the Collection and Payahead Accounts during the Collection Period related to each Distribution Date shall be deposited into the Certificate Account, on each Distribution Date, and shall be available for distribution pursuant to Section 4.6(c).

(b) The Trustee shall on or prior to each Distribution Date (and prior to the transfer from the Collection Account to the Certificate Account described in Section 4.6(a)) transfer from the Collection Account to the Payahead Account all Payaheds as described in Section 4.3 received by the Servicer during the Collection Period.

SECTION 4.2. Collections. On each Business Day, pursuant to the Lock-Box Agreement, the Lock-Box Processor will transfer any payments from Obligor received in the Post-Office Box to the Lock-Box Account. Within two Business Days of receipt of funds into the Lock-Box Account, the Servicer shall cause the Lock-Box Bank to transfer funds from the Lock-Box Account to the Collection Account. In addition, the Servicer shall remit all payments by or on behalf of the Obligor received by the Servicer with respect to the Receivables (other than Purchased Receivables), and all Liquidation Proceeds no later than the Business Day following receipt directly (without deposit into any intervening account) into the Lock-Box Account or the Collection Account.

SECTION 4.3. Application of Collections. All collections for each Collection Period shall be applied by the Servicer as follows:

With respect to each Receivable (other than a Purchased Receivable), payments by or on behalf of the Obligor shall be applied, in the case of a Rule of 78's Receivable, first, to the Scheduled Payment of such Rule of 78's Receivable and, second, to any late fees accrued with respect to such Rule of 78's

Receivable and, in the case of a Simple Interest Receivable, to interest and principal in accordance with the Simple Interest Method. With respect to any Rule of 78's Receivable, any remaining excess shall be added to the Payahead Balance, and shall be applied to prepay the Rule of 78's Receivable, but only if the sum of such excess and the previous Payahead Balance shall be sufficient to prepay the Rule of 78's Receivable in full. Otherwise, any such remaining excess payments with respect to a Rule of 78's Receivable shall constitute a Payahead, and shall increase the Payahead Balance.

SECTION 4.4. Payaheads. As of the close of business on the last day of each Collection Period, if the payments by or on behalf of the Obligor on a Rule of 78's Receivable (other than a Purchased Receivable) shall be less than the Scheduled Payment and accrued late fees with respect to such Receivable, the Payahead Balance of an Obligor shall be applied by the Servicer to the extent of the shortfall and such Payahead Balance shall be reduced accordingly.

SECTION 4.5. Additional Deposits. The Servicer or CPS, as the case may be, shall deposit or cause to be deposited in the Collection Account the aggregate Purchase Amount with respect to Purchased Receivables and the Servicer shall deposit therein all amounts to be paid under Section 3.8(b) or 11.2. All such deposits shall be made, in immediately available funds, on the Business Day preceding the Determination Date. On or before the third Business Day preceding each Distribution Date, the Trustee shall remit to the Collection Account any amounts delivered to the Trustee by the Collateral Agent pursuant to Section 4.7.

SECTION 4.6. Distributions; Policy Claims. (a) On each Distribution Date, the Trustee shall cause to be made the following transfers and distributions based solely on the amounts set forth in the Servicer's Certificate for the related Distribution Date:

(b) Prior to each Distribution Date, the Servicer shall on the related Determination Date calculate the Total Distribution Amount, the Class A Distributable Amount, the Class A Interest Distributable Amount, the Class A Principal Distributable Amount, the Class B Interest Distributable Amount and the Class B Principal Distributable Amount, and, based on the Total Distribution Amount, and the other distributions to be made on such Distribution Date, determine the amount distributable to the Certificateholders of each class.

(c) On each Distribution Date, the Trustee (based on the information contained in the Servicer's Certificate delivered on the related Determination Date pursuant to Section 3.9) shall, subject to subsection (d) hereof, make the following distributions in the following order of priority:

(e) (i) In the event that the Trustee has delivered a Deficiency Notice with respect to any Determination Date pursuant to Section 4.7(a), the Trustee shall determine on the third Business Day (the "Draw Date") preceding the related Distribution Date the Policy Claim Amount, if any, for such Distribution Date. (ii) Any notice delivered by the Trustee to the Certificate Insurer pursuant to subsection 4.6(e)(i) shall specify the Policy Claim Amount claimed under the Policy and

The obligation of the Trustee set forth in this paragraph shall be deemed to have been satisfied to the extent that substantially comparable information shall be provided by the Servicer pursuant to any requirements of the Code.

(c) The Servicer, at its own expense, shall cause a firm of nationally recognized accountants to prepare any tax returns required to be filed by the Trust, and the Trustee shall execute and file such returns if requested to do so by the Servicer. The Trustee upon request, will furnish the Servicer with all such information known to the Trustee as may be reasonably required in connection with the preparation of all tax returns of the Trust.

The Certificate Insurer (for so long as no Insurer Default shall have occurred and be continuing) may exercise any option, vote, right, power or the like with respect to the Class A Certificates to the extent it has made a principal payment pursuant to the Policy. The Trustee and the Class A Certificateholders, by reason of their acquisition and holding of the Class A Certificates, agree that the Certificate Insurer shall be subrogated to all of the rights to payment of the Class A Certificateholders or in relation thereto to the extent that any payment of principal or interest was made to such Class A Certificateholders with payments made under the Policy by the Certificate Insurer in accordance with the provisions hereof.

The Certificates shall be executed by the Trustee on behalf of the Trust by manual or facsimile signature of a Trustee Officer under the Trustee's seal imprinted thereon. Certificates bearing the manual or facsimile signatures of individuals who were, at the time when such signatures shall have been affixed, authorized to sign on behalf of the Trustee, shall be valid and binding obligations of the Trust, notwithstanding that such individuals or any of them shall have ceased to be so authorized prior to the authentication and delivery of such Certificates or did not hold such offices at the date of such Certificates.

SECTION 6.2A. Appointment of Paying Agent. The Trustee may act as or appoint one or more paying agents (each, a "Paying Agent"). The Paying Agent shall make distributions to Certificateholders from amounts delivered by the Trustee to the Paying Agent from amounts on deposit in the Certificate Account pursuant to Article IV. Either the Trustee or the Certificate Insurer may remove the Paying Agent if such Person determines in its sole discretion that the Paying Agent shall have failed to perform its obligations under this Agreement in any material respect. The Paying Agent shall initially be the Trustee. A co-paying agent may be chosen by the Trustee. Any co-paying agent or any successor Paying Agent shall be permitted to resign as Paying Agent, co-paying agent or successor Paying Agent, as the case may be, upon 30 days' written notice to the Trustee, the Seller and the Certificate Insurer. In the event that the Trustee, any co-paying agent or any successor Paying Agent shall no longer be the Paying Agent, co-paying agent or successor Paying Agent, as the case may be, the Trustee, with the Certificate Insurer's reasonable consent, shall appoint a successor to act as Paying Agent or co-paying agent. The Trustee shall cause each Paying Agent and each successor Paying Agent or any additional Paying Agent appointed by the Trustee (other than

the Trustee, which hereby agrees) to execute and deliver to the Trustee an instrument in which such Paying Agent, successor Paying Agent or additional Paying Agent shall agree with the Trustee that, as Paying Agent, such Paying Agent, successor Paying Agent or additional Paying Agent will hold all sums, if any, held by it for payment to the Certificateholders in trust for the benefit of the Certificateholders entitled thereto in an Eligible Account (which may be maintained with such Paying Agent) until such sums shall be paid to such Certificateholders and shall promptly notify the Trustee of any default in making such payment. The Paying Agent shall return all unclaimed funds to the Trustee and upon removal of a Paying Agent shall also return all funds in its possession to the Trustee. The provisions of Sections 10.4 and 10.5 shall apply to each Paying Agent in its role as Paying Agent. The fees of any Paying Agent or co-paying agent shall be paid by the Trustee. Each Paying Agent and co-paying agent must be acceptable to the Seller.

SECTION 6.2B. Authenticating Agent. (a) The Trustee may appoint one or more authenticating agents with respect to the Certificates which shall be authorized to act on behalf of the Trustee in authenticating the Certificates in connection with the issuance, delivery, registration of transfer, exchange or repayment of the Certificates (the "Authenticating Agent"). Whenever reference is made in this Agreement to the authentication of Certificates by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent must be acceptable to the Seller and the Certificate Insurer. The Trustee is hereby appointed as the initial Authenticating Agent.

(b) Any institution succeeding to the corporate agency business of an Authenticating Agent shall continue to be an Authenticating Agent without the execution or filing of any paper or any further act on the part of the Trustee or such Authenticating Agent.

(c) Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and to the Seller. The Trustee may at any time terminate the agency of an Authenticating Agent by giving notice of termination to such Authenticating Agent and to the Seller. Upon receiving such a notice of resignation or upon such a termination, or in case at any time an Authenticating Agent shall cease to be acceptable to the Trustee or the Seller or the Certificate Insurer, the Trustee may appoint a successor Authenticating Agent. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder with like effect as if originally named as

an Authenticating Agent. No successor Authenticating Agent shall be appointed unless acceptable to the Trustee, the Seller and the Certificate Insurer.

(d) The Trustee agrees to pay to each Authenticating Agent from its own funds from time to time reasonable compensation for its services under this Section 6.2B.

(e) The provisions of Sections 10.4 and 10.5 shall be applicable to any Authenticating Agent.

(f) Pursuant to an appointment made under this Section 6.2B, the Certificates may have endorsed thereon, in lieu of the Trustee's certificate of authentication, an alternate certificate of authentication in substantially the following form:

This is one of the Certificates described in the Pooling and Servicing Agreement.

SECTION 6.2. Authentication of Certificates. The Trustee shall cause the Certificates to be executed on behalf of the Trust, authenticated, and delivered to or upon the written order of the Seller, signed by its chairman of the board, its president, or any vice president, without further corporate action by the Seller, in authorized denominations, pursuant to this Agreement. No Certificate shall entitle its Holder to any benefit under this Agreement, or shall be valid for any purpose, unless there shall appear on such Certificate a certificate of authentication substantially in the form set forth in Exhibit A or Exhibit B hereto or in Section 6.2B, as the case may be, executed by the Trustee by manual signature; such authentication shall constitute conclusive evidence that such Certificate shall have been duly authenticated and delivered hereunder. All Certificates issued on the Closing Date shall be dated the Closing Date. All Certificates issued upon transfer or exchange thereafter shall be dated the date of their authentication.

SECTION 6.3. Registration of Transfer and Exchange of Certificates. (a) The Certificate Registrar shall keep or cause to be kept, at the office or agency maintained pursuant to

Section 6.7, a Certificate Register in which, subject to such reasonable regulations as it may prescribe, the Trustee shall provide for the registration of Certificates and of transfers and exchanges of Certificates as herein provided. The Trustee shall be the initial Certificate Registrar.

(b) No transfer of a Class B Certificate shall be made unless (i) the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), and any applicable State securities laws are complied with, (ii) such transfer is exempt from the registration requirements under said Securities Act and laws or (iii) such transfer is made to a Person who the transferor reasonably believes is a "qualified institutional buyer" (as defined in Rule 144A of the Securities Act) that is purchasing such Class B Certificate for its own account or the account of a qualified institutional buyer to whom notice is given that the transfer is being made in reliance on said Rule 144A. In the event that a transfer is to be made in reliance upon clause (ii) above, the Class B Certificateholder desiring to effect such transfer and such Class B Certificateholder's prospective transferee must each (x) certify in writing to the Trustee the facts surrounding such transfer and (y) provide the Trustee with a written opinion of counsel in form and substance satisfactory to the Seller and the Trustee that such transfer may be made pursuant to an exemption from the Securities Act or laws, which Opinion of Counsel shall not be an expense of the Seller or the Trustee. In the event that a transfer is to be made in reliance upon clause (iii) above, the prospective transferee shall have furnished to the Trustee and the Seller a Transferee Certificate, signed by such transferee, in the form of Exhibit F. Neither the Seller nor the Trustee is under any obligation to register the Class B Certificates under said Securities Act or any other securities law. The Certificate Registrar may request and shall receive in connection with any transfer signature guarantees satisfactory to it in its sole discretion.

In no event shall a Class B Certificate be transferred to an employee benefit plan, trust annuity or account subject to ERISA or a plan described in Section 4975(e)(1) of the Code (any such plan, trust or account including any Keogh (HR-10) plans, individual retirement accounts or annuities and other employee benefit plans subject to Section 406 of ERISA or Section 4975 of the Code being referred to in this Section 6.3 as an "Employee Plan"), a trustee of any Employee Plan, or an entity, account or other pooled investment fund the underlying assets of which include or are deemed to include Employee Plan assets by reason of an Employee Plan's investment in the entity, account or other pooled investment fund. The foregoing restriction on sale or transfer to an employee benefit plan shall not apply to prevent the initial issuance or sale or subsequent transfer of the Class B Certificates to an insurance company, insurance service, or

insurance organization qualified to do business in a State that purchases Class B Certificates with funds held in one or more of its general accounts which is eligible for the exemptive relief afforded under Section III of Prohibited Transaction Class Exemption 95-60. The Seller, the Servicer, the Trustee, the Certificate Insurer and the Standby Servicer shall not be responsible for confirming or otherwise investigating whether a proposed purchaser is an employee benefit plan, trust or account subject to ERISA, or described in Section 4975(e)(1) of the Code.

(c) Each Holder of Class B Certificates, by virtue of the acquisition and holding thereof, will be deemed to have represented and agreed as follows:

(i) It is a qualified institutional buyer as defined in Rule 144A or an institutional accredited investor as defined in Regulation D promulgated under the Securities Act and is acquiring the Class B Certificates for its own institutional account or for the account of a qualified institutional buyer or an institutional accredited investor.

(ii) It understands that the Class B Certificates have been offered in a transaction not involving any public offering within the meaning of the Securities Act, and that, if in the future it decides to resell, pledge or otherwise transfer any Class B Certificates, such Class B Certificates may be resold, pledged or transferred only (a) to a person whom the seller reasonably believes is a qualified institutional buyer (as defined in Rule 144A under the Securities Act) that purchases for its own account or for the account of a qualified institutional buyer to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (b) pursuant to an effective registration statement under the Securities Act or (c) in reliance on another exemption under the Securities Act.

(iii) It understands that the Class B Certificates will bear a legend substantially to the following effect:

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"). THE HOLDER HEREOF, BY PURCHASING THIS SECURITY, AGREES THAT THIS SECURITY MAY BE RESOLD, PLEDGED OR OTHERWISE TRANSFERRED ONLY (1) SO LONG AS THIS SECURITY IS ELIGIBLE FOR RESALE PURSUANT TO RULE 144A, TO A PERSON WHOM THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT, PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER TO WHOM NOTICE IS GIVEN THAT THE RESALE, PLEDGE OR OTHER TRANSFER IS BEING MADE IN

RELIANCE ON RULE 144A, AND SUBJECT TO THE RECEIPT BY THE TRUSTEE AND THE SELLER OF A CERTIFICATION OF THE TRANSFEREE, (2) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR (3) IN RELIANCE ON ANOTHER EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND SUBJECT TO THE RECEIPT BY THE TRUSTEE OF A CERTIFICATION OF THE TRANSFEREE (SATISFACTORY TO THE TRUSTEE) AND AN OPINION OF COUNSEL (SATISFACTORY TO THE TRUSTEE AND THE SELLER) TO THE EFFECT THAT SUCH TRANSFER IS IN COMPLIANCE WITH THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ANY APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND IN COMPLIANCE WITH THE TRANSFER REQUIREMENTS SET FORTH IN SECTION 6.3 OF THE AGREEMENT.

IN NO EVENT SHALL A CLASS B CERTIFICATE BE TRANSFERRED TO AN EMPLOYEE BENEFIT PLAN, TRUST ANNUITY OR ACCOUNT SUBJECT TO ERISA OR A PLAN DESCRIBED IN SECTION 4975(E)(1) OF THE CODE, (ANY SUCH PLAN, TRUST OR ACCOUNT BEING REFERRED TO AS AN "EMPLOYEE PLAN"), A TRUSTEE OF ANY EMPLOYEE PLAN, OR AN ENTITY, ACCOUNT OR OTHER POOLED INVESTMENT FUND THE UNDERLYING ASSETS OF WHICH INCLUDE OR ARE DEEMED TO INCLUDE EMPLOYEE PLAN ASSETS BY REASON OF AN EMPLOYEE PLAN'S INVESTMENT IN THE ENTITY, ACCOUNT OR OTHER POOLED INVESTMENT FUND. THE FOREGOING RESTRICTION ON SALE OR TRANSFER TO AN EMPLOYEE BENEFIT PLAN SHALL NOT APPLY TO PREVENT THE INITIAL ISSUANCE OR SALE OR SUBSEQUENT TRANSFER OF THE CLASS B CERTIFICATES TO AN INSURANCE COMPANY, INSURANCE SERVICE, OR INSURANCE ORGANIZATION THAT IS QUALIFIED TO DO BUSINESS IN A STATE IF SUCH INSURANCE COMPANY PURCHASES CLASS B CERTIFICATES WITH FUNDS HELD IN ONE OR MORE OF ITS GENERAL ACCOUNTS WHICH IS ELIGIBLE FOR THE EXEMPTIVE RELIEF AFFORDED UNDER SECTION III OF PROHIBITED TRANSACTION CLASS EXEMPTION 95-60.

(iv) If the Holder of a Class B Certificate is an insurance company, insurance service or insurance organization qualified to do business in a State, it represents that the source of funds from which its investment is to be made is either (i) a general account of an insurance company which is eligible for the exemptive relief afforded under Section III of Prohibited Transaction Class Exemption 95-60 or (ii) an account which does not include plan assets of any plan subject to Title I of ERISA or Section 4975 of the Code.

(d) Upon surrender for registration of transfer of any Certificate at the Corporate Trust Office, the Trustee shall execute, authenticate and the Trustee shall deliver, in the name of the designated transferee or transferees, one or more new Certificates in authorized denominations of a like aggregate amount dated the date of authentication. At the option of a Holder, Certificates may be exchanged for other Certificates in authorized denominations of a like aggregate amount upon surrender of the Certificates to be exchanged at the Corporate Trust Office.

Every Certificate presented or surrendered for registration of transfer or exchange shall be accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the Holder or his attorney duly authorized in writing. Each Certificate surrendered for registration of transfer and exchange shall be canceled and subsequently disposed of by the Trustee in accordance with its customary procedures.

No service charge shall be made for any registration of transfer or exchange of Certificates, but the Trustee may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Certificates.

SECTION 6.4. Mutilated, Destroyed, Lost or Stolen Certificates. If (a) any mutilated Certificate shall be surrendered to the Certificate Registrar, or if the Certificate Registrar shall receive evidence to its satisfaction of the destruction, loss, or theft of any Certificate and (b) there shall be delivered to the Certificate Registrar, the Trustee and the Certificate Insurer such security or indemnity as may be required by them to save each of them harmless, then in the absence of notice that such Certificate shall have been acquired by a bona fide purchaser, the Trustee on behalf of the Trust shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like tenor and denomination. In connection with the issuance of any new Certificate under this Section 6.4, the Trustee and the Certificate Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith. Any duplicate Certificate issued pursuant to this Section 6.4 shall constitute conclusive evidence of ownership in the Trust, as if originally issued, whether or not the lost, stolen, or destroyed Certificate shall be found at any time.

SECTION 6.5. Persons Deemed Owners. Prior to due presentation of a Certificate for registration of transfer, the Trustee or the Certificate Registrar may treat the Person in

whose name any Certificate shall be registered as the owner of such Certificate for the purpose of receiving distributions pursuant to Section 4.6 and for all other purposes whatsoever, and neither the Trustee nor the Certificate Registrar shall be bound by any notice to the contrary.

SECTION 6.6. Access to List of Certificateholders' Names and Addresses. The Trustee shall furnish or cause to be furnished to the Servicer or the Certificate Insurer, at the expense of the Trust, within 15 days after receipt by the Trustee of a request therefor from the Servicer or the Certificate Insurer, as the case may be, in writing, a list of the names and addresses of the Certificateholders as of the most recent Record Date. If three or more Class A Certificateholders, or one or more Holders of Class A Certificates evidencing not less than 25% of the Class A Certificate Balance apply in writing to the Trustee, and such application states that the applicants desire to communicate with other Certificateholders with respect to their rights under this Agreement or under the Certificates and such application shall be accompanied by a copy of the communication that such applicants propose to transmit, then the Trustee shall, within five Business Days after the receipt for such application, afford such applicants access during normal business hours to the current list of Certificateholders. Each Holder, by receiving and holding a Certificate, shall be deemed to have agreed to hold none of the Servicer, the Certificate Insurer or the Trustee accountable by reason of the disclosure of its name and address, regardless of the source from which such information was derived.

SECTION 6.7. Maintenance of Office or Agency. The Trustee shall maintain in Minneapolis, Minnesota, an office or offices or agency or agencies where Certificates may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Trustee in respect of the Certificates and this Agreement may be served. The Trustee initially designates its office located at Sixth Street and Marquette Avenue, Minneapolis, Minnesota 55479-0070, as its office for such purposes. SECTION 6.8. Book-Entry Certificates. The Class A Certificates, upon original issuance, will be issued in the form of typewritten Certificates representing the Book-Entry Certificates, to be delivered to The Depository Trust Company, the initial Clearing Agency, by, or on behalf of, the Seller. The Class A Certificates delivered to The Depository Trust Company shall initially be registered on the Certificate Register in the name of CEDE & Co., the nominee of the initial Clearing Agency, and no Certificate Owner will receive a definitive

certificate representing such Certificate Owner's interest in the Class A Certificates, except as provided in Section 6.10. Unless and until definitive, fully registered Class A Certificates (the "Definitive Certificates") have been issued to Certificate Owners pursuant to Section 6.10:

(i) the provisions of this Section 6.8 shall be in full force and effect;

(ii) the Seller, the Servicer, the Certificate Registrar, and the Trustee may deal with the Clearing Agency for all purposes (including the making of distributions on the Class A Certificates) as the authorized representative of the Certificate Owners;

(iii) to the extent that the provisions of this Section 6.8 conflict with any other provisions of this Agreement, the provisions of this Section 6.8 shall control;

(iv) the rights of Certificate Owners shall be exercised only through the Clearing Agency and shall be limited to those established by law and agreements between such Certificate Owners and the Clearing Agency and/or the Clearing Agency Participants. Pursuant to the Depository Agreement, unless and until Definitive Certificates are issued pursuant to Section 6.10, the initial Clearing Agency will make book-entry transfers among the Clearing Agency Participants and receive and transmit distributions of principal and interest on the Class A Certificates to such Clearing Agency Participants; and

(v) whenever this Agreement requires or permits actions to be taken based upon instructions or directions of Holders of Certificates evidencing a specified percentage of the Class A Principal Balance, the Clearing Agency shall be deemed to represent such percentage only to the extent that it has received instructions to such effect from Certificate Owners and/or Clearing Agency Participants owning or representing, respectively, such required percentage of the beneficial interest in Class A Certificates and has delivered such instructions to the Trustee.

SECTION 6.9. Notices to Clearing Agency. Whenever notice or other communication to the Class A Certificateholders is required under this Agreement, unless and until Definitive Certificates shall have been issued to Certificate Owners pursuant to Section 6.10, the Trustee and the Servicer shall give all such notices and communications specified herein to be given to Holders of the Class A Certificates to the Clearing Agency.

SECTION 6.10. Definitive Certificates. If (i) (A) the Seller advises the Trustee in writing that the Clearing Agency is no longer willing or able to properly discharge its responsibilities under the Depository Agreement and (B) the Trustee or the Seller is unable to locate a qualified successor, (ii) the Seller at its option, advises the Trustee in writing that it elects to terminate the book-entry system through the Clearing Agency, or (iii) after the occurrence of an Event of Default, the Clearing Agency at the direction of Certificate Owners representing beneficial interests aggregating not less than 51% of the Class A Certificate Balance, advises the Trustee in writing that the continuation of a book-entry system through the Clearing Agency is no longer in the best interests of the Certificate Owners, then the Trustee shall notify the Clearing Agency and request that the Clearing Agency notify all Certificate Owners of the occurrence of any such event and of the availability of Definitive Certificates to Certificate Owners requesting the same. Upon surrender to the Trustee of the Class A Certificates by the Clearing Agency, accompanied by registration instructions from the Clearing Agency for registration, the Trustee shall issue the Definitive Certificates and deliver such Definitive Certificates in accordance with the instructions of the Clearing Agency. Neither the Seller, the Certificate Registrar nor the Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Certificates, the Trustee shall recognize the Holders of the Definitive Certificates as Certificateholders hereunder. The Trustee shall not be liable if the Trustee or the Seller is unable to locate a qualified successor Clearing Agency.

The execution, delivery and performance by the Servicer of this Agreement and the consummation of the transactions contemplated hereby and the fulfillment of the terms hereof do not conflict with, result in any breach of any of the terms and provisions of, nor constitute (with or without notice or lapse of time) a default under, the articles of incorporation or by-laws of the Servicer, or any indenture, agreement, mortgage, deed of trust, or other instrument to which the Servicer is a party or by which it is bound or any of its properties are subject; nor result in the creation or imposition of any lien upon any of its properties pursuant to the terms of any indenture, agreement, mortgage, deed of trust, or other instrument (other than this Agreement); nor violate any law, order, rule, or regulation applicable to the Servicer of any court or of any Federal or State regulatory body, administrative agency, or other governmental instrumentality having jurisdiction over the Servicer or its properties.

(vi) No Proceedings. There are no proceedings or investigations pending, or to the Servicer's best knowledge, threatened, before any court, regulatory body, administrative agency, or other governmental instrumentality having jurisdiction over the Servicer or its properties: (A) asserting the invalidity of this Agreement or the Certificates, (B) seeking to prevent the issuance of the Certificates or the consummation of any of the transactions contemplated by this Agreement, (C) seeking any determination or ruling that might materially and adversely affect the performance by the Servicer of its obligations under, or the validity or enforceability of, this Agreement or the Certificates, or (D) relating to the Servicer and which might adversely affect the Federal or State income, excise, franchise or similar tax attributes of the Certificates.

(vii) No Consents. No consent, approval, authorization or order of or declaration or filing with any

governmental authority is required for the issuance or sale of the Certificates or the consummation of the other transactions contemplated by this Agreement, except such as have been duly made or obtained.

(viii) Taxes. The Servicer has filed on a timely basis all tax returns required to be filed by it and paid all taxes, to the extent that such taxes have become due.

(ix) Chief Executive Office. The Servicer hereby represents and warrants to the Trustee that the Servicer's principal place of business and chief executive office is, and for the four months preceding the date of this Agreement has been, located at: 2 Ada, Suite 100, Irvine, California.

SECTION 8.2. Indemnities of Servicer. (a) The Servicer shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Servicer under this Agreement and the representations made by the Servicer herein.

(i) The Servicer shall defend, indemnify, and hold harmless the Trustee, the Standby Servicer, the Collateral Agent, the Trust, the Certificate Insurer, the Certificateholders and the Seller, from and against any and all costs, expenses, losses, damages, claims, and liabilities, arising out of or resulting from the use, ownership, or operation by the Servicer or any affiliate thereof of a Financed Vehicle.

(ii) The Servicer shall indemnify, defend and hold harmless the Trustee, the Standby Servicer, the Collateral Agent, the Trust, the Certificate Insurer and the Seller from and against any taxes that may at any time be asserted against the Trustee, the Standby Servicer, the Collateral Agent, the Trust, the Certificate Insurer or the Seller, with respect to the transactions contemplated herein including, without limitation, any sales, gross receipts, general corporation, tangible personal property, privilege, or license taxes and costs and expenses in defending against the same.

(iii) The Servicer shall indemnify, defend, and hold harmless the Trustee, the Standby Servicer, the Collateral Agent, the Seller, the Certificate Insurer, the Trust and the Certificateholders from and against any and all costs, expenses, losses, claims, damages, and liabilities to the extent that such cost, expense, loss, claim, damage, or liability arose out of, or was imposed upon the Trustee, the Standby Servicer, the Collateral Agent, the Seller, the Trust or the Certificateholders through, the negligence, willful misfeasance, or bad faith of the Servicer in the

performance of its duties under this Agreement or by reason of reckless disregard of its obligations and duties under this Agreement.

(iv) The Servicer shall indemnify, defend, and hold harmless the Trustee, the Standby Servicer and the Collateral Agent from and against all costs, expenses, losses, claims, damages, and liabilities arising out of or incurred in connection with the acceptance or performance of the trusts and duties herein contained, if any, except to the extent that such cost, expense, loss, claim, damage or liability: (a) shall be due to the willful misfeasance, bad faith, or negligence (except for errors in judgment) of the Trustee, the Standby Servicer or Collateral Agent, as applicable; (b) relates to any tax other than the taxes with respect to which the Servicer shall be required to indemnify the Trustee, the Standby Servicer or the Collateral Agent; or (c) shall arise from the Trustee's breach of any of its representations or warranties set forth in Section 10.13.

(v) Notwithstanding the foregoing, the Servicer shall not be obligated to defend, indemnify, and hold harmless any Certificateholder for any losses, claims, damages or liabilities incurred by any Certificateholders arising out of claims, complaints, actions and allegations relating to Section 406 of ERISA or Section 4975 of the Code as a result of the purchase or holding of a Certificate by such Certificateholder with the assets of a plan subject to such provisions of ERISA or the Code or the servicing, management and operation of the Trust.

(b) For purposes of this Section, in the event of the termination of the rights and obligations of a Servicer (or any successor thereto pursuant to Section 8.3) as Servicer pursuant to Section 9.1, or a resignation by such Servicer pursuant to this Agreement, such Servicer shall be deemed to be the Servicer pending appointment of a successor Servicer pursuant to Section 9.2. The provisions of this Section 8.2(b) shall in no way affect the survival pursuant to Section 8.2(c) of the indemnification by the Servicer provided by Section 8.2(a).

(c) Indemnification under this Section 8.2 shall survive the termination of this Agreement and any resignation or removal of CPS as Servicer and shall include reasonable fees and expenses of counsel and expenses of litigation. If the Servicer shall have made any indemnity payments pursuant to this Section and the recipient thereafter collects any of such amounts from others, the recipient shall promptly repay such amounts to the Servicer, without interest.

SECTION 8.3. Merger or Consolidation of, or Assumption of the Obligations of, Servicer or Standby Servicer. (a) Any Person (a) into which the Servicer may be merged or consolidated, (b) which may result from any merger or consolidation to which the Servicer shall be a party, or (c) which may succeed to the properties and assets of the Servicer substantially as a whole, shall execute an agreement of assumption to perform every obligation of the Servicer hereunder, and whether or not such assumption agreement is executed, shall be the successor to the Servicer under this Agreement without further act on the part of any of the parties to this Agreement; provided, however, that (i) immediately after giving effect to such transaction, no Event of Default, and no event which, after notice or lapse of time, or both, would become an Event of Default shall have happened and be continuing, (ii) the Servicer shall have delivered to the Trustee and the Certificate Insurer an Officer's Certificate and an Opinion of Counsel each stating that such consolidation, merger or succession and such agreement of assumption comply with this Section 8.3 and that all conditions precedent provided for in this Agreement relating to such transaction have been complied with, (iii) the Servicer shall have delivered to the Trustee and the Certificate Insurer an Opinion of Counsel either (A) stating that, in the opinion of such counsel, all financing statements and continuation statements and amendments thereto have been executed and filed that are necessary fully to preserve and protect the interest of the Trustee in the Receivables and reciting the details of such filings, or (B) stating that, in the opinion of such counsel, no such action shall be necessary to preserve and protect such interest and (iv) nothing herein shall be deemed to release the Servicer from any obligation. Notwithstanding anything herein to the contrary, the execution of the foregoing agreement of assumption and compliance with clauses (i), (ii) or (iii) above shall be conditions to the consummation of the transactions referred to in clause (a), (b) or (c) above.

(b) Any Person (a) into which the Standby Servicer may be merged or consolidated, (b) which may result from any merger or consolidation to which the Standby Servicer shall be a party, or (c) which may succeed to the properties and assets of the Standby Servicer substantially as a whole, shall execute an agreement of assumption to perform every obligation of the Servicer hereunder, and whether or not such assumption agreement is executed, shall be the successor to the Standby Servicer under this Agreement without further act on the part of any of the parties to this Agreement; provided, however, that nothing herein shall be deemed to release the Standby Servicer from any obligation.

SECTION 8.4. Limitation on Liability of Servicer and Others. Neither the Servicer nor any of the directors or officers or employees or agents of the Servicer shall be under any liability to the Trust or the Certificateholders, except as

provided under this Agreement, for any action taken or for refraining from the taking of any action pursuant to this Agreement; provided, however, that this provision shall not protect the Servicer or any such Person against any liability that would otherwise be imposed by reason of a breach of this Agreement or willful misfeasance, bad faith, or negligence in the performance of duties or by reason of reckless disregard of obligations and duties under this Agreement. The Servicer and any director or officer or employee or agent of the Servicer may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person respecting any matters arising under this Agreement.

Except as provided in this Agreement, the Servicer shall not be under any obligation to appear in, prosecute, or defend any legal action that shall not be incidental to its duties to service the Receivables in accordance with this Agreement, and that in its opinion may involve it in any expense or liability.

SECTION 8.5. Servicer and Standby Servicer Not to Resign. Subject to the provisions of Section 8.3, neither the Servicer nor the Standby Servicer may resign from the obligations and duties hereby imposed on it as Servicer or Standby Servicer, as the case may be, under this Agreement except upon determination that by reason of a change in legal requirements the performance of its duties under this Agreement would cause it to be in violation of such legal requirements in a manner which would result in a material adverse effect on the Servicer or the Standby Servicer, as the case may be, and the Certificate Insurer does not elect to waive the obligations of the Servicer or the Standby Servicer, as the case may be, to perform the duties which render it legally unable to act or does not elect to delegate those duties to another Person. Notice of any such determination permitting the resignation of the Servicer or the Standby Servicer, as the case may be, shall be communicated to the Trustee and the Certificate Insurer at the earliest practicable time (and, if such communication is not in writing, shall be confirmed in writing at the earliest practicable time) and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to and satisfactory to the Trustee and the Certificate Insurer concurrently with or promptly after such notice. No such resignation of the Servicer shall become effective until a successor servicer shall have assumed the responsibilities and obligations of CPS in accordance with Section 9.2 and the Servicing Assumption Agreement, if applicable. No such resignation of the Standby Servicer shall become effective until an entity acceptable to the Certificate Insurer shall have assumed the responsibilities and obligations of the Standby Servicer; provided, however, that if no such entity shall have assumed such responsibilities and obligations of the Standby Servicer within 60 days of the resignation of the

Standby Servicer, the Standby Servicer may petition a court of competent jurisdiction for the appointment of a successor to the Standby Servicer.

ARTICLE IX

Default

SECTION 9.1. Events of Default. If any one of the following events ("Events of Default") shall occur and be continuing:

(i) Any failure by the Servicer to deliver to the Trustee for distribution to Certificateholders any proceeds or payment required to be so delivered under the terms of the Certificates and this Agreement that shall continue unremedied for a period of two Business Days (or, in the case of a payment or deposit to be made no later than a Distribution Date, the failure to make such payment or deposit by such Distribution Date); or the certificate required by Section 3.9, the statement required by Section 3.10, or the report required by Section 3.11 shall not have been delivered within five (5) days after the date such certificates or statements or reports, as the case may be, are required to be delivered; or

(ii) Failure on the part of the Servicer, or the Seller, as the case may be, duly to observe or to perform in any material respect any other covenants or agreements of the Servicer or the Seller (as the case may be) set forth in the Certificates or in this Agreement, which failure shall continue unremedied for a period of 30 days after the date on which written notice of such failure requiring the same to be remedied, shall have been given (1) to the Servicer or the Seller (as the case may be), by the Certificate Insurer or the Trustee, or (2) to the Servicer or the Seller, (as the case may be), and to the Trustee and the Certificate Insurer by the Holders of Class A Certificates evidencing not less than 25% of the Class A Certificate Balance or, after the Class A Certificates have been paid in full and all outstanding Reimbursement Obligations and other amounts due to the Certificate Insurer have been paid in full, by the Holders of Class B Certificates evidencing not less than 25% of the Class B Certificate Balance; or

(iii) The entry of a decree or order by a court or agency or supervisory authority having jurisdiction in the premises for the appointment of a conservator, receiver, or liquidator for the Servicer or the Seller (or, so long as CPS is Servicer, any of the Servicer's Affiliates) in any

bankruptcy, insolvency, readjustment of debt, marshalling of assets and liabilities, or similar proceedings, or for the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days; or

(iv) The consent by the Servicer or the Seller (or, so long as CPS is Servicer, any of the Servicer's Affiliates) to the appointment of a conservator, trustee, receiver or liquidator in any bankruptcy, insolvency, readjustment of debt, marshalling of assets and liabilities, or similar proceedings of or relating to the Servicer or the Seller (or, so long as CPS is Servicer, any of the Servicer's Affiliates) of or relating to substantially all of its property; or the Servicer or the Seller (or, so long as CPS is Servicer, any of the Servicer's Affiliates) shall admit in writing its inability to pay its debts generally as they become due, file a petition to take advantage of any applicable insolvency or reorganization statute, make an assignment for the benefit of its creditors, or voluntarily suspend payment of its obligations; or

(v) The occurrence of an Insurance Agreement Event of Default;

then, and in each and every case, so long as an Event of Default shall not have been remedied, provided (i) no Insurer Default shall have occurred and be continuing, the Certificate Insurer in its sole and absolute discretion, or (ii) if an Insurer Default shall have occurred and be continuing, then either the Trustee or the Holders of Class A Certificates evidencing not less than 25% of the Class A Certificate Balance or (iii) if the Class A Certificates have been paid in full and either (A) all outstanding Reimbursement Obligations and other amounts due to the Certificate Insurer have been paid in full or (B) an Insurer Default shall have occurred and be continuing, then either the Trustee or the Holders of Class B Certificates evidencing not less than 25% of the Class B Certificate Balance, by notice then given in writing to the Servicer (and to the Trustee if given by the Certificate Insurer or by the Certificateholders) may terminate all of the rights and obligations of the Servicer under this Agreement. The Servicer shall be entitled to its pro rata share of the Servicing Fee for the number of days in the Collection Period prior to the effective date of its termination. On or after the receipt by the Servicer of such written notice, all authority and power of the Servicer under this Agreement, whether with respect to the Certificates or the Receivables or otherwise, shall, without further action, pass to and be vested in (i) the Standby Servicer or (ii) such successor Servicer as may be appointed under Section 9.2; provided, however, that the successor Servicer shall have no liability with respect to any

obligation which was required to be performed by the predecessor Servicer prior to the date the successor Servicer becomes the Servicer or any claim of a third party (including a Certificateholder) based on any alleged action or inaction of the predecessor Servicer as Servicer; and, without limitation, the Trustee is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such notice of termination, whether to complete the transfer and endorsement of the Receivables and related documents, or otherwise. The predecessor Servicer shall cooperate with the successor Servicer and the Trustee in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the successor Servicer for administration by it of all cash amounts that shall at the time be held or should have been held by the predecessor Servicer for deposit, or shall thereafter be received with respect to a Receivable and the delivery to the successor Servicer of all files and records concerning the Receivables and a computer tape in readable form containing all information necessary to enable the successor Servicer to service the Receivables and the other property of the Trust. All reasonable costs and expenses (including attorneys' fees) incurred in connection with transferring the Receivable Files to the successor Servicer and amending this Agreement to reflect such succession as Servicer pursuant to this Section 9.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. In addition, any successor Servicer shall be entitled to payment from the immediate predecessor Servicer for reasonable transition expenses incurred in connection with acting as successor Servicer, and to the extent not so paid, such payment shall be made pursuant to Section 4.6(c) hereof. Upon receipt of notice of the occurrence of an Event of Default, the Trustee shall give notice thereof to the Rating Agencies. The predecessor Servicer shall grant the Trustee, the Standby Servicer and the Certificate Insurer reasonable access to the predecessor Servicer's premises at the predecessor Servicer's expense. If requested by the Certificate Insurer, the Standby Servicer or successor Servicer shall terminate any arrangements relating to (i) the Lock-Box Account with the Lock-Box Bank, (ii) the Post-Office Box or (iii) the Lock-Box Agreement, and direct the Obligors to make all payments under the Receivables directly to the Servicer at the predecessor Servicer's expense (in which event the successor Servicer shall process such payments directly, or, through a Lock-Box Account with a Lock-Box Bank at the direction of the Certificate Insurer).

SECTION 9.2. Appointment of Successor. (a) Upon the Servicer's receipt of notice of termination pursuant to

Section 9.1, the Servicer's resignation in accordance with the terms of this Agreement or expiration or non-renewal of the term of the Servicer hereunder in accordance with Section 3.14, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, in the case of termination, only until the date specified in such termination notice or, if no such date is specified in a notice of termination, until receipt of such notice and, in the case of expiration and non-renewal of the term of the Servicer upon the expiration of such term, and, in the case of resignation, until the later of (x) the date 45 days from the delivery to the Trustee of written notice of such resignation (or written confirmation of such notice) in accordance with the terms of this Agreement and (y) the date upon which the predecessor Servicer shall become unable to act as Servicer, as specified in the notice of resignation and accompanying Opinion of Counsel. In the event of termination of the Servicer, Norwest Bank Minnesota, National Association, as Standby Servicer, shall assume the obligations of Servicer hereunder on the date specified in such written notice (the "Assumption Date") pursuant to the Servicing Assumption Agreement or, in the event that the Certificate Insurer shall have determined that a Person other than the Standby Servicer shall be the successor Servicer in accordance with Section 9.2(c), on the date of the execution of a written assumption agreement by such Person to serve as successor Servicer. Notwithstanding the Standby Servicer's assumption of, and its agreement to perform and observe, all duties, responsibilities and obligations of CPS as Servicer under this Agreement arising on and after the Assumption Date, the Standby Servicer shall not be deemed to have assumed or to become liable for, or otherwise have any liability for, any duties, responsibilities, obligations or liabilities of CPS or any predecessor Servicer arising on or before the Assumption Date, whether provided for by the terms of this Agreement, arising by operation of law or otherwise, including, without limitation, any liability for, any duties, responsibilities, obligations or liabilities of CPS or any predecessor Servicer arising on or before the Assumption Date under Section 3.7, 4.4 or 8.2 of this Agreement, regardless of when the liability, duty, responsibility or obligation of CPS or any predecessor Servicer therefore arose, whether provided by the terms of this Agreement, arising by operation of law or otherwise. In addition, if the Standby Servicer shall be legally unable to act as Servicer and an Insurer Default shall have occurred and be continuing, the Standby Servicer, the Trustee or Class A Certificateholders holding Class A Certificates evidencing not less than 51% of the Class A Certificate Balance (or, if the Class A Certificates have been paid in full, Class B Certificateholders holding Class B Certificates evidencing not less than 51% of the Class B Certificate Balance) may petition a court of competent jurisdiction to appoint any successor to the Servicer. Pending appointment pursuant to the preceding

sentence, the Standby Servicer shall act as successor Servicer unless it is legally unable to do so, in which event the predecessor Servicer shall continue to act as Servicer until a successor has been appointed and accepted such appointment. In the event that a successor Servicer has not been appointed at the time when the predecessor Servicer has ceased to act as Servicer in accordance with this Section 9.2, then the Certificate Insurer, in accordance with Section 9.2(c) shall appoint, or petition a court of competent jurisdiction to appoint a successor to the Servicer under this Agreement.

(b) Upon appointment, the successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties, and liabilities arising thereafter relating thereto placed on the predecessor Servicer, and shall be entitled to the Servicing Fee and all of the rights granted to the predecessor Servicer, by the terms and provisions of this Agreement.

(c) Subject to Section 12.11, the Certificate Insurer may exercise at any time its right to appoint as Standby Servicer or as successor Servicer a Person other than the Person serving as Standby Servicer at the time, and shall have no liability to the Trustee, CPS, the Seller, the Person then serving as Standby Servicer, any Certificateholder or any other Person if it does so. Subject to Section 8.5, no provision of this Agreement shall be construed as relieving the Standby Servicer of its obligation to succeed as successor Servicer upon the termination of the Servicer pursuant to Section 9.1 or resignation of the Servicer pursuant to Section 8.5. If upon any such resignation or termination, the Certificate Insurer appoints a successor Servicer other than the Standby Servicer, the Standby Servicer shall not be relieved of its duties as Standby Servicer hereunder.

SECTION 9.3. Reserved.

SECTION 9.4. Notification to Certificateholders. Upon any termination of, or appointment of a successor to, the Servicer pursuant to this Article IX, the Trustee shall give prompt written notice thereof to Certificateholders at their respective addresses appearing in the Certificate Register and to each of the Rating Agencies.

SECTION 9.5. Direction of Insolvency Proceedings by Certificate Insurer.

(a) In the event that the Trustee has received a certified copy of an order of the appropriate court that any Class A Guaranteed Distribution Amount paid on a Class A Certificate has been avoided in whole or in part as a preference payment under applicable bankruptcy law, the Trustee shall so notify the Certificate Insurer, shall comply with the provisions

of the Policy to obtain payment by the Certificate Insurer of such avoided Class A Guaranteed Distribution Amount payment, and shall, at the time it provides notice to the Certificate Insurer, notify Holders of the Class A Certificates by mail that, in the event that any Class A Certificateholder's payment is so recoverable, such Class A Certificateholder will be entitled to payment pursuant to the terms of the Policy. Pursuant to the terms of the Policy, the Certificate Insurer will make such payment on behalf of the Class A Certificateholder to the receiver, conservator, debtor-in-possession or trustee in bankruptcy named in the Order (as defined in the Policy) and not to the Trustee or any Class A Certificateholder directly (unless a Class A Certificateholder has previously paid such payment to the receiver, conservator, debtor-in-possession or trustee in bankruptcy, in which case the Certificate Insurer will make such payment to the Trustee for distribution to such Class A Certificateholder upon proof of such payment reasonably satisfactory to the Certificate Insurer).

(b) Upon knowledge of any of the following events, the Trustee shall promptly notify the Certificate Insurer of (i) the commencement of any of the events or proceedings described in Section 9.1(iii) or (iv) in respect of the Seller or the Servicer or any such event or proceedings applicable to an Obligor under a Receivable (any such event or proceedings, an "Insolvency Proceeding") and (ii) the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer (a "Preference Claim") with regard to any payment of principal of, or interest on a Class A Certificate. Each Class A Certificateholder, by its purchase of Class A Certificates, and the Trustee hereby agree that, the Certificate Insurer may, provided an Insurer Default has not occurred, at any time during the continuation of an Insolvency Proceeding direct all matters relating to such Insolvency Proceeding, including, without limitation, (i) all matters relating to any Preference Claim, (ii) the direction of any appeal of any order relating to any Preference Claim and (iii) the posting of any surety, supersedeas or performance bond pending any such appeal at the expense of the Certificate Insurer, but subject to reimbursement as provided in the Insurance Agreement. In addition, and without limitation of the foregoing, as set forth in Section 4.9, the Certificate Insurer shall be subrogated to, and each Class A Certificateholder and the Trustee hereby delegate and assign, to the fullest extent permitted by law, the rights of the Trustee and each Class A Certificateholder in the conduct of any proceeding with respect to a Preference Claim, including, without limitation, all rights of any party to an adversary proceeding action with respect to any court order issued in connection with any such Preference Claim.

SECTION 9.6. Action Upon Certain Failures of the Servicer. In the event that the Trustee shall have knowledge of any failure of the Servicer specified in Section 9.1 which would give rise to a right of termination under such Section upon the Servicer's failure to remedy the same after notice, the Trustee shall give notice thereof to the Servicer and the Certificate Insurer. For all purposes of this Agreement, the Trustee shall not be deemed to have knowledge of any failure of the Servicer as specified in Section 9.1 unless notified thereof in writing by the Servicer, the Certificate Insurer or by a Certificateholder. The Trustee shall be under no duty or obligation to investigate or inquire as to any potential failure of the Servicer specified in Section 9.1.

ARTICLE X

The Trustee

SECTION 10.1. Duties of Trustee. The Trustee, both prior to the occurrence of an Event of Default and after an Event of Default shall have been cured or waived, shall undertake to perform such duties and only such duties as are specifically set forth in this Agreement. If an Event of Default shall have occurred and shall not have been cured or waived, the Trustee shall exercise such of the rights and powers vested in it by this Agreement and shall use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

The Trustee, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Trustee that shall be specifically required to be furnished pursuant to any provision of this Agreement, shall examine them to determine whether they conform to the requirements of this Agreement.

The Trustee shall take and maintain custody of the Receivable Files (except as otherwise provided herein) and the Schedule of Receivables included as an exhibit to this Agreement and shall retain copies of all Servicer's Certificates prepared hereunder.

No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own bad faith; provided, however, that:

(i) Prior to the occurrence of an Event of Default and after the curing or waiving of all such Events of Default that may have occurred, the duties and obligations of the

Trustee shall be determined solely by the express provisions of this Agreement, the Trustee shall not be liable except for the performance of such duties and obligations as shall be specifically set forth in this Agreement, no implied covenants or obligations shall be read into this Agreement against the Trustee and, in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely on the truth of the statements and the correctness of the opinions expressed in any certificates or opinions furnished to the Trustee and conforming to the requirements of this Agreement;

(ii) The Trustee shall not be liable for an error of judgment made in good faith by a Trustee Officer, unless it shall be proved that the Trustee shall have been negligent in ascertaining the pertinent facts;

(iii) The Trustee shall not be liable with respect to any action taken, suffered, or omitted to be taken in good faith in accordance with this Agreement or at the direction of the Certificate Insurer or, after an Insurer Default, the Holders of Class A Certificates evidencing not less than 25% of the Class A Certificate Balance or, after the Class A Certificates have been paid in full and either (A) all outstanding Reimbursement Obligations and other amounts due to the Certificate Insurer have been paid in full or (B) an Insurer Default shall have occurred and be continuing, the Holders of Class B Certificates evidencing not less than 25% of the Class B Certificate Balance, relating to the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement;

(iv) The Trustee shall not be charged with knowledge of any Event of Default, unless a Trustee Officer assigned to the Trustee's Corporate Trust Office receives written notice of such Event of Default from the Servicer or the Seller, as the case may be, the Certificate Insurer or, after an Insurer Default, the Holders of Class A Certificates evidencing not less than 25% of the Class A Certificate Balance or, after the Class A Certificates have been paid in full and either (A) all outstanding Reimbursement Obligations and other amounts due to the Certificate Insurer have been paid in full or (B) an Insurer Default shall have occurred and be continuing, the Holders of Class B Certificates evidencing not less than 25% of the Class B Certificate Balance (such notice shall constitute actual knowledge of an Event of Default by the Trustee); and

(v) The Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and

reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement.

The Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there shall be reasonable grounds for believing that the repayment of such funds or adequate indemnity against such risk or liability shall not be reasonably assured to it, and none of the provisions contained in this Agreement shall in any event require the Trustee to perform, or be responsible for the manner of performance of, any of the obligations of the Servicer under this Agreement except during such time, if any, as the Trustee, in its capacity as Standby Servicer, shall be the successor to, and be vested with the rights, duties, powers, and privileges of, the Servicer in accordance with the terms of this Agreement.

Except for actions expressly authorized by this Agreement, the Trustee shall take no action reasonably likely to impair the security interests created or existing under any Receivable or Financed Vehicle or to impair the value of any Receivable or Financed Vehicle.

All information obtained by the Trustee regarding the Obligor and the Receivables, whether upon the exercise of its rights under this Agreement or otherwise, shall be maintained by the Trustee in confidence and shall not be disclosed to any other Person, unless such disclosure is required by this Agreement or any applicable law or regulation.

SECTION 10.2. Trustee's Certificate. On or as soon as practicable after each Distribution Date on which Receivables shall be assigned to CPS or the Servicer, as applicable, pursuant to this Agreement, based on amounts deposited to the Collection Account, notices received pursuant to this Agreement and the information contained in the Servicer's Certificate for the related Collection Period, identifying the Receivables purchased by CPS pursuant to Section 2.6 or 2.8 or purchased by the Servicer pursuant to Section 3.7 or 11.2, the Trustee shall execute a Trustee's Certificate (in the form of Exhibit C-1 or C-2, as applicable), and shall deliver such Trustee's Certificate, accompanied by a copy of the Servicer's Certificate for such Collection Period to CPS or the Servicer, as the case may be. The Trustee's Certificate submitted with respect to such Distribution Date shall operate, as of such Distribution Date, as an assignment, without recourse, representation, or warranty, to CPS or the Servicer, as the case may be, of all the Trustee's right, title, and interest in and to such repurchased Receivable,

and all security and documents relating thereto, such assignment being an assignment outright and not for security.

SECTION 10.3. Reserved.

SECTION 10.4. Certain Matters Affecting Trustee. Except as otherwise provided in Section 10.1:

(i) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, Officer's Certificate, Servicer's Certificate, certificate of auditors, or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(ii) The Trustee may consult with counsel, and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it under this Agreement in good faith and in accordance with such Opinion of Counsel.

(iii) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement, or to institute, conduct, or defend any litigation under this Agreement or in relation to this Agreement, at the request, order or direction of any of the Certificateholders or the Certificate Insurer pursuant to the provisions of this Agreement, unless such Certificateholders or the Certificate Insurer shall have offered to the Trustee reasonable security or indemnity against the costs, expenses, and liabilities that may be incurred therein or thereby; nothing contained in this Agreement, however, shall relieve the Trustee of the obligations, upon the occurrence of an Event of Default (that shall not have been cured or waived), to exercise such of the rights and powers vested in it by this Agreement, and to use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(iv) Prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default that may have occurred, the Trustee shall not be bound to make any investigation into the facts of matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, or other paper or document (other than for its duties pursuant to Section 2.8), unless requested in writing to do so by the Certificate Insurer or Holders of Class A Certificates

evidencing not less than 25% of the Class A Certificate Balance or, after the Class A Certificates have been paid in full and either (A) all outstanding Reimbursement Obligations and other amounts due to the Certificate Insurer have been paid in full or (B) an Insurer Default shall have occurred and be continuing, the Holders of Class B Certificates evidencing not less than 25% of the Class B Certificate Balance; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses, or liabilities likely to be incurred by it in the making of such investigation shall be, in the opinion of the Trustee, not reasonably assured to the Trustee by the security afforded to it by the terms of this Agreement, the Trustee may require reasonable indemnity against such cost, expense, or liability as a condition to so proceeding. The reasonable expense of every such examination shall be paid by the Person making such request or, if paid by the Trustee, shall be reimbursed by the Person making such request upon demand. Nothing in this clause (iv) shall affect the obligation of the Servicer to observe any applicable law prohibiting disclosure of information regarding the Obligors.

(v) The Trustee may execute any of the trusts or powers hereunder or perform any duties under this Agreement either directly or by or through agents or attorneys or a custodian. The Trustee shall not be responsible for any misconduct or negligence of any such agent or custodian appointed with due care by it hereunder or of the Servicer in its capacity as Servicer or custodian.

(vi) Except as may be required by Sections 2.8 and 10.1, subsequent to the sale of the Receivables by the Seller to the Trust, the Trustee shall have no duty of independent inquiry, and the Trustee may rely upon the representations and warranties and covenants of the Seller and the Servicer contained in this Agreement with respect to the Receivables and the Receivable Files.

(vii) The Trustee may rely, as to factual matters relating to the Seller or the Servicer, on an Officer's Certificate of the Seller or Servicer, respectively.

(viii) The Trustee shall not be required to take any action or refrain from taking any action under this Agreement, or any related documents referred to herein, nor shall any provision of this Agreement, or any such related document be deemed to impose a duty on the Trustee to take action, if the Trustee shall have been advised by counsel that such action is contrary to (i) the terms of this Agreement, (ii) any such related document or (iii) law.

SECTION 10.5. Trustee Not Liable for Certificates or Receivables. The recitals contained herein and in the Certificates (other than the certificate of authentication on the Certificates) shall be taken as the statements of the Seller or the Servicer, as the case may be, and the Trustee assumes no responsibility for the correctness thereof. The Trustee shall make no representations as to the validity or sufficiency of this Agreement or of the Certificates (other than the certificate of authentication on the Certificates), or of any Receivable or related document. The Trustee shall at no time have any responsibility or liability for or with respect to the legality, validity, and enforceability of any security interest in any Financed Vehicle or any Receivable, or the perfection and priority of such a security interest or the maintenance of any such perfection and priority, or for or with respect to the efficacy of the Trust or its ability to generate the payments to be distributed to Certificateholders under this Agreement, including, without limitation: the existence, condition, location, and ownership of any Financed Vehicle; the existence and enforceability of any physical damage insurance thereon; except as required by Section 2.8, the existence, contents and completeness of any Receivable or any Receivable File or any computer or other record thereof; the validity of the assignment of any Receivable to the Trust or of any intervening assignment; except as required by Section 2.8, the performance or enforcement of any Receivable; the compliance by the Seller or the Servicer with any warranty or representation made under this Agreement or in any related document and the accuracy of any such warranty or representation prior to the Trustee's receipt of notice or other discovery of any noncompliance therewith or any breach thereof; any investment of monies by or at the direction of the Servicer or the Certificate Insurer or any loss resulting therefrom (it being understood that the Trustee shall remain responsible for any Trust Property that it may hold); the acts or omissions of the Seller, the Servicer, or any Obligor; any action of the Servicer taken in the name of the Trustee; or any action by the Trustee taken at the instruction of the Servicer; provided, however, that the foregoing shall not relieve the Trustee of its obligation to perform its duties under this Agreement. Except with respect to a claim based on the failure of the Trustee to perform its duties under this Agreement or based on the Trustee's negligence or willful misconduct, no recourse shall be had for any claim based on any provision of this Agreement, the Certificates, or any Receivable or assignment thereof against the Trustee in its individual capacity, the Trustee shall not have any personal obligation, liability, or duty whatsoever to any Certificateholder or any other Person with respect to any such claim, and any such claim shall be asserted solely against the Trust or any indemnitor who shall furnish indemnity as provided in this Agreement. The Trustee shall not be accountable for the use or application by the Seller of any of the Certificates or of

the proceeds of such Certificates, or for the use or application of any funds paid to the Servicer in respect of the Receivables. The Seller hereby certifies to the Trustee that the Rating Agencies rating the Class A Certificates are Standard & Poor's and Moody's and the rating agency rating the Class B Certificates is Standard & Poor's and that their addresses are as set forth in Section 12.5. The Trustee may rely on the accuracy of such certification until it receives from the Seller an Officer's Certificate superseding such certification.

SECTION 10.6. Trustee May Own Certificates. The Trustee in its individual or any other capacity may become the owner or pledgee of Certificates and may deal with the Seller and the Servicer in banking transactions with the same rights as it would have if it were not Trustee.

SECTION 10.7. Indemnity of Trustee. The Servicer shall indemnify the Trustee for, and hold it harmless against any loss, liability, or expense incurred without willful misfeasance, negligence, or bad faith on its part, arising out of or in connection with the acceptance or administration of the Trust, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement. Additionally the Seller, pursuant to Section 7.2, shall indemnify the Trustee with respect to certain matters, the Servicer, pursuant to Section 8.2, shall indemnify the Trustee with respect to certain matters, and Certificateholders, pursuant to Section 10.4 shall, upon the circumstances therein set forth, indemnify the Trustee under certain circumstances. The provisions of this Section 10.7 shall survive the termination of this Agreement or any resignation or removal of CPS as Servicer.

SECTION 10.8. Eligibility Requirements for Trustee. The Trustee under this Agreement shall at all times be organized and doing business under the laws of the United States of America; authorized under such laws to exercise corporate trust powers; having a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by Federal or State authorities; and having a rating, both with respect to long-term and short-term unsecured obligations, of not less than investment grade by the Rating Agencies. If such corporation shall publish reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purpose of this Section 10.8, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 10.8, the Trustee shall resign

immediately in the manner and with the effect specified in Section 10.9.

SECTION 10.9. Resignation or Removal of Trustee. The Trustee may at any time resign and be discharged from the trusts hereby created by giving 30 days' prior written notice thereof to the Servicer. Upon receiving such notice of resignation, with the prior written consent of (a) the Certificate Insurer (provided no Insurer Default has occurred which is continuing) and the Holders of Class A Certificates evidencing not less than 51% of the Class A Certificate Balance or (b) if the Class A Certificates have been paid in full and all outstanding Reimbursement Obligations and other amounts owing to the Certificate Insurer have been paid in full, with the prior written consent of the Holders of Class B Certificates evidencing not less than 51% of the Class B Certificate Balance, the Servicer shall promptly appoint a successor Trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor Trustee. If no successor Trustee shall have been so appointed and have accepted appointment within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee. The Trustee may be removed at any time by written demand of the Certificate Insurer delivered to the Trustee and the Servicer; provided that, if an Insurer Default has occurred which is continuing, such right of the Certificate Insurer shall be inoperative during the period of such Insurer Default and shall instead vest in the Trustee acting at the direction of the Holders of Class A Certificates evidencing not less than 51% of the Class A Certificate Balance or, from and after such time as the Class A Certificates have been paid in full and all outstanding Reimbursement Obligations and other amounts due to the Certificate Insurer have been paid in full, the Holders of Class B Certificates evidencing not less than 51% of the Class B Certificate Balance, in each case, in accordance with Section 12.11.

If at any time the Trustee shall cease to be eligible in accordance with the provisions of Section 10.8 and shall fail to resign after written request therefor by the Servicer, or if at any time the Trustee shall be legally unable to act, or shall be adjudged bankrupt or insolvent, or a receiver, conservator or liquidator of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Servicer may remove the Trustee. If the Servicer shall remove the Trustee under the authority of the immediately preceding sentence, the Servicer shall promptly appoint a successor Trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to

the Trustee so removed and one copy to the successor Trustee, and pay all fees and expenses owed to the outgoing Trustee.

Any resignation or removal of the Trustee and appointment of a successor Trustee pursuant to any of the provisions of this Section 10.9 shall not become effective until acceptance of appointment by the successor Trustee pursuant to Section 10.10 and payment of all fees and expenses owed to the outgoing Trustee. The Servicer shall provide notice of such resignation or removal of the Trustee to each of the Rating Agencies.

SECTION 10.10. Successor Trustee. Any successor Trustee appointed pursuant to Section 10.9 shall execute, acknowledge, and deliver to the Servicer, the Certificate Insurer and to its predecessor Trustee an instrument accepting such appointment under this Agreement, and thereupon the resignation or removal of the predecessor Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties, and obligations of its predecessor under this Agreement, with like effect as if originally named as Trustee. The predecessor Trustee shall upon payment of its fees and expenses deliver to the successor Trustee all documents and statements and monies held by it under this Agreement; and the Servicer and the predecessor Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor Trustee all such rights, powers, duties, and obligations.

No successor Trustee shall accept appointment as provided in this Section 10.10 unless at the time of such acceptance such successor Trustee shall be eligible pursuant to Section 10.8.

Upon acceptance of appointment by a successor Trustee pursuant to this Section 10.10, the Servicer shall mail notice of the successor of such Trustee under this Agreement to all Holders of Certificates at their addresses as shown in the Certificate Register and to the Rating Agencies. If the Servicer shall fail to mail such notice within 10 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Servicer.

SECTION 10.11. Merger or Consolidation of Trustee. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be eligible pursuant to Section 10.8, without the execution or filing of any instrument or any further act on

the part of any of the parties hereto, anything herein to the contrary notwithstanding; provided further that the Trustee shall mail notice of such merger or consolidation to the Rating Agencies.

SECTION 10.12. Co-Trustee; Separate Trustee. Notwithstanding any other provisions of this Agreement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust or any Financed Vehicle may at the time be located, the Servicer, the Certificate Insurer (provided an Insurer Default shall not have occurred and be continuing) and the Trustee acting jointly shall have the power and shall execute and deliver all instruments to appoint one or more Persons approved by the Trustee to act as co-trustee, jointly with the Trustee, or separate trustee or separate trustees, of all or any part of the Trust, and to vest in such Person, in such capacity and for the benefit of the Certificateholders, such title to the Trust, or any part thereof, and, subject to the other provisions of this Section 10.12, such powers, duties, obligations, rights, and trusts as the Servicer, the Certificate Insurer and the Trustee may consider necessary or desirable. If the Servicer and the Certificate Insurer shall not have joined in such appointment within 15 days after the receipt by it of a request so to do, or in the case an Event of Default shall have occurred and be continuing, the Trustee alone shall have the power to make such appointment. No co-trustee or separate trustee under this Agreement shall be required to meet the terms of eligibility as a successor trustee pursuant to Section 10.8, except that the co-trustee or its parent shall comply with the rating requirements set forth therein, and no notice of a successor trustee pursuant to Section 10.10 and no notice to Certificateholders of the appointment of any co-trustee or separate trustee shall be required pursuant to Section 10.10.

Each separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) All rights, powers, duties, and obligations conferred or imposed upon the Trustee shall be conferred upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed (whether as Trustee under this Agreement or, in its capacity as Standby Servicer, as successor to the Servicer under this Agreement), the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties, and obligations (including the holding of

title to the Trust or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;

(ii) No trustee under this Agreement shall be personally liable by reason of any act or omission of any other trustee under this Agreement; and

(iii) Provided no Insurer Default shall have occurred and be continuing, the Certificate Insurer may, and, in the event an Insurer Default shall have occurred and be continuing, then, the Servicer and the Trustee acting jointly may, at any time accept the resignation of or remove any separate trustee or co-trustee.

Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the other then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Agreement and the conditions of this Article X. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Agreement, specifically including every provision of this Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Each such instrument shall be filed with the Trustee and a copy thereof given to the Servicer.

Any separate trustee or co-trustee may at any time appoint the Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Agreement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

SECTION 10.13. Representations and Warranties of Trustee. The Trustee shall make the following representations and warranties on which the Seller, the Certificate Insurer and Certificateholders shall rely:

(i) The Trustee is a banking corporation duly organized, validly existing, and in good standing under the laws of its place of incorporation.

(ii) The Trustee has full corporate power authority and legal right to execute, deliver, and perform this Agreement and shall have taken all necessary action to authorize the execution, delivery and performance by it of this Agreement.

(iii) This Agreement shall have been duly executed and delivered by the Trustee and this Agreement constitutes a legal, valid and binding obligation of the Trustee enforceable in accordance with its terms, subject to (x) applicable bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditor's rights generally and (y) general principles of equity.

SECTION 10.14. No Bankruptcy Petition. The Trustee covenants and agrees that prior to the date which is one year and one day after the payment in full of all securities issued by the Seller or by a trust for which the Seller was the depositor it will not institute against, or join any other Person in instituting against, the Seller or the Trust any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any Federal or State bankruptcy or similar law.

SECTION 10.15. Trustee May Enforce Claims Without Possession of Certificates. All rights of action and claims under this Agreement or the Certificates may be prosecuted and enforced by the Trustee without the possession of any of the Certificates or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as Trustee. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Certificateholders in respect of which such judgment has been obtained.

SECTION 10.16. Rights of Certificate Insurer to Direct Trustee. (a) The Certificate Insurer, after giving written notice to the Trustee, shall have the right to direct the time, method and place at or by which the Trustee conducts any proceeding for any remedy available to the Trustee, or exercises any such trust or power conferred upon the Trustee.

(b) Notwithstanding anything to the contrary contained in subsection (a) above, the Trustee shall not exercise any remedy involving a sale of the Receivables unless it shall have received instruction to do so by Holders of 66 2/3% of each of the Class A Certificate Balance and the Class B Certificate Balance and, in addition, the Trustee shall have the right to decline to follow any such direction of the Certificate Insurer if the Trustee, being advised by counsel, determines that the action so directed

may not lawfully be taken, or if the Trustee in good faith shall, by a responsible officer of the Trustee, determine that the proceedings so directed would be illegal or involve it in personal liability or be unduly prejudicial to the rights of Certificateholders; provided, that nothing in this Agreement shall impair the right of the Trustee to take any action deemed proper by the Trustee and which is not inconsistent with such direction of the Certificate Insurer.

ARTICLE XI

Termination

SECTION 11.1. Termination of the Trust. The respective obligations and responsibilities of the Seller, the Servicer, and the Trustee created hereby and the Trust created by this Agreement shall terminate upon the payment to Certificateholders of all amounts required to be paid to them pursuant to this Agreement or the Policy (including all amounts required to reduce the Class A Certificate Balance to zero and to pay in full any unpaid Class A Interest Distributable Amount), satisfaction of all Reimbursement Obligations, and the expiration of any preference period related thereto and the disposition of all property held as part of the Trust; provided, however, that in no event shall the trust created by this Agreement continue beyond the expiration of 21 years from the death of the last survivor of the descendants of Joseph P. Kennedy, the late ambassador of the United States of America to the Court of St. James, living on the date of this Agreement. The Servicer shall promptly notify the Trustee and the Certificate Insurer of any prospective termination pursuant to this Section 11.1.

Notice of any termination, specifying the Distribution Date upon which the Certificateholders may surrender their Certificates to the Trustee for payment of the final distribution and cancellation, shall be given promptly by the Trustee by letter to Certificateholders mailed not earlier than the 15th day and not later than the 25th day of the month next preceding the specified Distribution Date stating (A) the Distribution Date upon which final payment of the Certificates shall be made upon presentation and surrender of the Certificates at the office of the Trustee therein designated, (B) the amount of any such final payment, and (C) if applicable, that the Record Date otherwise applicable to such Distribution Date is not applicable, payments being made only upon presentation and surrender of the Certificates at the office of the Trustee therein specified. The Trustee shall give such notice to the Certificate Registrar (if other than the Trustee) at the time such notice is given to Certificateholders. Upon presentation and surrender of the Certificates, the Trustee shall cause to be distributed to

Certificateholders amounts distributable on such Distribution Date pursuant to Section 4.6. Notwithstanding the foregoing, if on the Distribution Date upon which final payment of the Certificates is to be made, there are only six or less initial Certificateholders of record, the amounts distributable to such initial Certificateholders pursuant to Section 4.6 will be paid on the final Distribution Date by wire transfer or check as set forth in Section 4.6(f), and each such initial Certificateholder shall present and surrender its Certificates at the office of the Trustee designated in the notice referred to above within 30 days after such Distribution Date.

In the event that all of the Certificateholders shall not surrender their Certificates for cancellation within six months after the date specified in the above-mentioned written notice, the Trustee shall give a second written notice to the remaining Certificateholders to surrender their Certificates for cancellation and receive the final distribution with respect thereto. If within one year after the second notice all the Certificates shall not have been surrendered for cancellation, the Trustee shall take appropriate steps, or may appoint an agent to take appropriate steps, to contact the remaining Certificateholders concerning surrender of their Certificates, and the cost thereof shall be paid out of the funds and other assets that shall remain subject to this Agreement or, if none, from CPS. Any funds remaining in the Trust after exhaustion of such remedies shall be distributed by the Trustee to the American Red Cross.

SECTION 11.2. Optional Purchase of All Receivables. On the last day of any Collection Period as of which the Pool Balance shall be less than or equal to the Optional Purchase Percentage multiplied by the Original Pool Balance, the Servicer shall have the option to purchase the corpus of the Trust (with the consent of the Certificate Insurer, if such purchase would result in a claim on the Policy or would result in any amount owing to the Certificate Insurer or to the Holders of the Class A Certificates remaining unpaid); provided, however, that the Servicer may not effect any such purchase unless the Trustee shall have received an Opinion of Counsel to the effect that such purchase would not constitute a fraudulent conveyance. To exercise such option the Servicer (or the Certificate Insurer, if applicable) shall deposit pursuant to Section 4.5 in the Collection Account an amount equal to the aggregate Purchase Amount for the Receivables (including defaulted Receivables), plus the appraised value of any other property held by the Trust, such value to be determined by an appraiser mutually agreed upon by the Servicer, the Certificate Insurer and the Trustee, and shall succeed to all interests in and to the Trust. For purposes of this Section, the Purchase Amount shall not be less than the sum of the Class A Certificate Balance and the Class B Certificate Balance.

ARTICLE XII

Miscellaneous Provisions

SECTION 12.1. Amendment. This Agreement may be amended from time to time by the Seller, the Servicer, and the Trustee with the consent of the Certificate Insurer and with the consent (which consent of any Holder of a Certificate given pursuant to this Section or pursuant to any other provision of this Agreement shall be conclusive and binding on such Holder and on all future Holders of such Certificate and of any Certificate issued upon the transfer thereof or in exchange thereof or in lieu thereof whether or not notation of such consent is made upon the Certificate) of the Holders of Class A Certificates evidencing not less than 51% of the Class A Certificate Balance and the Holders of Class B Certificates evidencing not less than 51% of the Class B Certificate Balance for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement, or of modifying in any manner the rights of the Holders of Certificates; provided, however, that no such amendment shall (a) increase or reduce in any manner the amount of, or accelerate or delay the timing of, or change the allocation or priority of, collections of payments on Receivables or distributions that shall be required to be made on any Certificate or change the Class A Pass-Through Rate or the Class B Pass-Through Rate without the consent of each Certificateholder affected thereby, (b) reduce the aforesaid percentage of the Class A Certificate Balance or Class B Certificate Balance required to consent to any such amendment, without the consent of the Holders of all Certificates of the applicable class then outstanding, (c) result in a downgrade or withdrawal of the then current rating of the Class A Certificates by either of the Rating Agencies without the consent of all the Class A Certificateholders or (d) result in a downgrade or withdrawal of the then current rating of the Class B Certificates by either of the Rating Agencies without the consent of all the Class B Certificateholders.

Promptly after the execution of any such amendment or consent, the Trustee shall furnish a copy of such amendment or consent to each Certificateholder and each of the Rating Agencies.

Prior to the execution of any amendment to this Agreement, the Trustee shall be entitled to receive and rely upon an Opinion of Counsel stating that the execution of such amendment is authorized or permitted by this Agreement and the Opinion of Counsel referred to in Section 12.2(i)(1). The Trustee may, but shall not be obligated to, enter into any such amendment which

affects the Trustee's own rights, duties or immunities under this Agreement or otherwise.

SECTION 12.2. Protection of Title to Trust. (a) The Seller or Servicer or both shall execute and file such financing statements and cause to be executed and filed such continuation statements, all in such manner and in such places as may be required by law fully to preserve, maintain, and protect the interest of the Certificateholders and the Trustee in the Receivables and the other Trust Assets and in the proceeds thereof. The Seller or Servicer or both shall deliver (or cause to be delivered) to the Trustee file-stamped copies of, or filing receipts for, any document filed as provided above, as soon as available following such filing.

(b) Neither the Seller nor the Servicer shall change its name, identity, or corporate structure in any manner that would, could, or might make any financing statement or continuation statement filed in accordance with paragraph (a) above seriously misleading within the meaning of ss. 9-402(7) of the UCC, unless it shall have given the Trustee and the Certificate Insurer at least five days' prior written notice thereof, shall have promptly filed appropriate amendments to all previously filed financing statements or continuation statements and shall have delivered an Opinion of Counsel (A) stating that, in the opinion of such counsel, all amendments to all previously filed financing statements and continuation statements have been executed and filed that are necessary fully to preserve and protect the interest of the Trustee in the Receivables and the other Trust Assets, and reciting the details of such filings, or (B) stating that, in the opinion of such counsel, no such action shall be necessary to preserve and protect such interest.

(c) Each of the Seller and the Servicer shall have an obligation to give the Trustee and the Certificate Insurer at least 60 days' prior written notice of any relocation of its principal executive office if, as a result of such relocation, the applicable provisions of the UCC would require the filing of any amendment of any previously filed financing or continuation statement or of any new financing statement, shall promptly file any such amendment and shall deliver an Opinion of Counsel (A) stating that, in the opinion of such counsel, all amendments to all previously filed financing statements and continuation statements have been executed and filed that are necessary fully to preserve and protect the interest of the Trustee in the Receivables, and reciting the details of such filings, or (B) stating that, in the opinion of such counsel, no such action shall be necessary to preserve and protect such interest. The Servicer shall at all times maintain each office from which it shall service Receivables, and its principal executive office, within the United States of America.

(d) The Servicer shall maintain accounts and records as to each Receivable accurately and in sufficient detail to permit (i) the reader thereof to know at any time the status of such Receivable, including payments and recoveries made and payments owing (and the nature of each) and (ii) reconciliation between payments or recoveries on (or with respect to) each Receivable and the amounts from time to time deposited in the Certificate Account and Payahead Account in respect of such Receivable.

(e) The Servicer shall maintain its computer systems so that, from and after the time of sale under this Agreement of the Receivables to the Trustee, the Servicer's master computer records (including any back-up archives) that refer to a Receivable shall indicate clearly the interest of CPS Auto Grantor Trust 1996-2 in such Receivable and that such Receivable is owned by the Trust. Indication of the Trust's ownership of a Receivable shall be deleted from or modified on the Servicer's computer systems when, and only when, such Receivable shall have been paid in full or repurchased.

(f) If at any time the Seller or the Servicer shall propose to sell, grant a security interest in, or otherwise transfer any interest in automotive receivables to any prospective purchaser, lender, or other transferee, the Servicer shall give to such prospective purchaser, lender, or other transferee computer tapes, records, or printouts (including any restored from back-up archives) that, if they shall refer in any manner whatsoever to any Receivable, shall indicate clearly that such Receivable has been sold to and is owned by the Trust.

(g) The Servicer shall permit the Trustee, the Standby Servicer and the Certificate Insurer and its agents at any time during normal business hours to inspect, audit, and make copies of and abstracts from the Servicer's records regarding any Receivable.

(h) Upon request, the Servicer shall furnish to the Trustee, the Standby Servicer or to the Certificate Insurer, within five Business Days, a list of all Receivables (by contract number and name of Obligor) then held as part of the Trust, together with a reconciliation of such list to the Schedule of Receivables and to each of the Servicer's Certificates furnished before such request indicating removal of Receivables from the Trust.

(i) The Servicer shall deliver to the Trustee and the Certificate Insurer:

(1) promptly after the execution and delivery of this Agreement and of each amendment hereto and after the execution and delivery of each amendment to any financing

statement, an Opinion of Counsel either (A) stating that, in the opinion of such counsel, all financing statements and continuation statements have been executed and filed that are necessary fully to preserve and protect the interest of the Trustee in the Receivables, and reciting the details of such filings or referring to prior Opinions of Counsel in which such details are given, or (B) stating that, in the opinion of such counsel, no such action shall be necessary to preserve and protect such interest; and

(2) within 90 days after the beginning of each calendar year beginning with the first calendar year beginning more than three months after the Cutoff Date, an Opinion of Counsel, dated as of a date during such 90-day period either (A) stating that, in the opinion of such counsel, all financing statements and continuation statements have been executed and filed that are necessary fully to preserve and protect the interest of the Trustee in the Receivables, and reciting the details of such filings or referring to prior Opinions of Counsel in which such details are given or (B) stating that, in the opinion of such counsel, no such action shall be necessary to preserve and protect such interest.

Each Opinion of Counsel referred to in clause (i)(1) or (i)(2) above shall specify any action necessary (as of the date of such opinion) to be taken in the following year to preserve and protect such interest.

(j) For the purpose of facilitating the execution of this Agreement and for other purposes, this Agreement may be executed simultaneously in any number of counterparts, each of which counterparts shall be deemed to be an original, and all of which counterparts shall constitute but one and the same instrument.

(k) In the event any of the events described in Section 9.1(iii) or (iv) shall have occurred, or in the event CPS shall have been removed or replaced as Servicer for any reason, then CPS and/or the Servicer shall immediately cause each Certificate of Title for a Financed Vehicle to be marked to reflect the security interest of the Trustee in the Financed Vehicle, and CPS hereby appoints the Trustee its attorney-in-fact to effect such marking, and the Trustee hereby accepts such appointment. The appointment of the Trustee hereunder shall not operate to relieve CPS and/or the Servicer of its obligations to mark each Certificate of Title under this provision. CPS shall be liable for all costs, fees and expenses incurred under this Section 12.2(k).

SECTION 12.3. Limitation on Rights of Certificateholders. The death or incapacity of any Certificateholder shall not

operate to terminate this Agreement or the Trust, nor entitle such Certificateholder's legal representatives or heirs to claim an accounting or to take any action or commence any proceeding in any court for a partition or winding up of the Trust, nor otherwise affect the rights, obligations and liabilities of the parties to this Agreement or any of them.

No Certificateholder shall have any right to vote (except as specifically provided herein including in Section 12.1) or in any manner otherwise control the operation and management of the Trust, or the obligations of the parties to this Agreement, nor shall anything in this Agreement set forth, or contained in the terms of the Certificates, be construed so as to constitute the Certificateholders from time to time as partners or members of an association; nor shall any Certificateholder be under any liability to any third person by reason of any action taken pursuant to any provision of this Agreement.

No Class A Certificateholder shall have any right by virtue or by availing itself of any provisions of this Agreement to institute any suit, action, or proceeding in equity or at law upon or under or with respect to this Agreement, unless such Holder previously shall have given to the Trustee a written notice of default and of the continuance thereof, and unless also the Holders of Class A Certificates evidencing not less than 25% of the Class A Certificate Balance shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee under this Agreement and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses, and liabilities to be incurred therein or thereby and the Trustee, for 30 days after its receipt of such notice, request, and offer of indemnity, shall have neglected or refused to institute any such action, suit or proceeding and during such 30-day period no request or waiver inconsistent with such written request has been given to the Trustee pursuant to this Section or Section 9.5; no one or more Holders of Class A Certificates shall have any right in any manner whatever by virtue or by availing itself or themselves of any provisions of this Agreement to affect, disturb, or prejudice the rights of the Holders of any other of the Class A Certificates, or to obtain or seek to obtain priority over or preference to any other such Holder, or to enforce any right, under this Agreement except in the manner provided in this Agreement and for the equal, ratable, and common benefit of all Class A Certificateholders. For the protection and enforcement of the provisions of this Section 12.3, each Class A Certificateholder and the Trustee shall be entitled to such relief as can be given either at law or in equity. Nothing in this Agreement shall be construed as giving the Class A Certificateholders any direct right to make a claim on the Policy.

No Class B Certificateholder shall have any right by virtue or by availing itself of any provisions of the Agreement to institute any suit, action, proceeding in equity or at law upon or under or with respect to the Agreement, unless it has the prior written consent of the Certificate Insurer and, if any Class A Certificate shall remain outstanding, the prior written consent of the Holders of Class A Certificates evidencing not less than 51% of the Class A Certificate Balance; provided that, this sentence shall be inoperative from and after such time as the Class A Certificates have been paid in full and all outstanding Reimbursement Obligations and other amounts due to the Certificate Insurer have been paid in full.

SECTION 12.4. Governing Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, AND THE OBLIGATIONS, RIGHTS, AND REMEDIES OF THE PARTIES UNDER THIS AGREEMENT SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES.

SECTION 12.5. Notices. All demands, notices, and communications upon or to the Seller, the Servicer, the Trustee, the Certificate Insurer, Standard & Poor's or Moody's under this Agreement shall be in writing, and delivered (a) personally, (b) by certified mail, return receipt requested, (c) by Federal Express or similar overnight courier service or (d) by telecopy, and shall be deemed to have been duly given upon receipt (a) in the case of the Seller, to the agent for service as specified in this Agreement, at the following address: 2 Ada, Suite 100, Irvine, California 92718 (Telecopy: 714-753-6805), or at such other address as shall be designated by the Seller in a written notice to the Trustee, (b) in the case of the Servicer, to Secretary, 2 Ada, Suite 100, Irvine, California 92718 (Telecopy: 714-753-6805), (c) in the case of the Trustee, at the Corporate Trust Office (Telecopy: (612) 667-9825), (d) in the case of Standard & Poor's Ratings Group, at the following address: Standard & Poor's Ratings Group, 26 Broadway, 15th Floor, New York, New York 10004, Attention: Asset Backed Surveillance Department, (e) in the case of Moody's Investors Service, Inc., at the following address: 99 Church Street, New York, New York 10007, Attention: Structured Surveillance Department and (f) in the case of Financial Security Assurance Inc., at the following address: 350 Park Avenue, New York, New York 10022, Attention: Senior Vice President, Surveillance. Any notice required or permitted to be mailed to a Certificateholder shall be given by Federal Express or similar overnight courier service, postage prepaid, at the address of such Holder as shown in the Certificate Register. Any notice so mailed within the time prescribed in this Agreement shall be conclusively presumed to have been duly given, whether or not the Certificateholder shall receive such notice.

The Trustee shall give prompt written notice to each of the Rating Agencies and each Class A Certificateholder of (i) any amendments to the Insurance Agreement or the Policy (upon receipt of written notice of any such amendments from the Seller or the Servicer), (ii) any change in the identity of the Paying Agent and (iii) any failure to make payment under the Policy.

SECTION 12.6. Severability of Provisions. If any one or more of the covenants, agreements, provisions, or terms of this Agreement shall be for any reason whatsoever held invalid, then such covenants, agreements, provisions, or terms shall be deemed severable from the remaining covenants, agreements, provisions, or terms of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement or of the Certificates or the rights of the Holders thereof.

SECTION 12.7. Assignment. Notwithstanding anything to the contrary contained herein, except as provided in Sections 7.3 and 8.3 and as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the Seller or the Servicer without the prior written consent of the Certificate Insurer, the Trustee and the Holders of Certificates evidencing not less than 51% of the Pool Balance, the Holders of Class A Certificates evidencing not less than 51% of the Class A Certificate Balance and the Holders of Class B Certificates evidencing not less than 51% of the Class B Certificate Balance.

SECTION 12.8. Certificates Nonassessable and Fully Paid. Certificateholders shall not be personally liable for obligations of the Trust. The interests represented by the Certificates shall be nonassessable for any losses or expenses of the Trust or for any reason whatsoever, and upon authentication thereof by the Trustee pursuant to Section 6.2 or 6.3, Certificates shall be deemed fully paid.

SECTION 12.9. Nonpetition Covenant. (a) None of the Seller, the Servicer, the Trustee, the Standby Servicer or CPS shall petition or otherwise invoke the process of any court or government authority for the purpose of commencing or sustaining a case against the Trust or the Seller under any Federal or State bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Trust or the Seller or any substantial part of its property, or ordering the winding up or liquidation of the affairs of the Trust or the Seller.

(b) The Servicer shall not, nor cause the Seller to, petition or otherwise invoke the process of commencing or sustaining a case against the Seller under any Federal or State

bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Seller or any substantial part of its property, or ordering the winding up or liquidation of the affairs of the Seller.

SECTION 12.10. Third Party Beneficiaries. Except as otherwise specifically provided herein with respect to Certificateholders, the parties to this Agreement hereby manifest their intent that no third party other than the Certificate Insurer and the Collateral Agent with respect to the indemnification provisions set forth herein, shall be deemed a third party beneficiary of this Agreement, and specifically that the Obligors are not third party beneficiaries of this Agreement.

SECTION 12.11. Financial Security as Controlling Party. Each Certificateholder by purchase of the Certificates held by it acknowledges that the Trustee, as partial consideration of the issuance of the Policy, has agreed that the Certificate Insurer shall have certain rights hereunder for so long as no Insurer Default shall have occurred and be continuing. So long as an Insurer Default has occurred and is continuing, any provision giving the Certificate Insurer the right to direct, appoint or consent to, approve of, or take any action under this Agreement shall be inoperative during the period of such Insurer Default and such right shall instead vest in the Trustee acting at the direction of the Holders of Class A Certificates evidencing, unless otherwise specified, not less than 51% of the Class A Certificate Balance. From and after such time as the Class A Certificates have been paid in full and all outstanding Reimbursement Obligations and other amounts due to the Certificate Insurer have been paid in full, any provision giving the Certificate Insurer or the Class A Certificateholders the right to direct, appoint or consent to, approve of, or take any action under this Agreement shall be inoperative and such right shall instead vest in the Trustee acting at the direction of the Holders of Class B Certificates evidencing, unless otherwise specified, not less than 51% of the Class B Certificate Balance. The Certificate Insurer may disclaim any of its rights and powers under this Agreement (but not its duties and obligations under the Policy) upon delivery of a written notice to the Trustee. The Certificate Insurer may give or withhold any consent hereunder in its sole and absolute discretion.

SECTION 12.12. Agent for Service. The agent for service for the Seller shall be the President, CPS Receivables Corp., 2 Ada, Suite 100, Irvine, California 92718, (714) 753-6800. The Policy is provided pursuant to the Insurance Agreement.

Distributions on this Class A Certificate will be made by the Trustee by check or money order mailed to the Class A Certificateholder of record in the Certificate Register without

the presentation or surrender of this Class A Certificate or the making of any notation hereon except that with respect to Class A Certificates registered in the name of Cede & Co., the nominee for the Clearing Agency, distributions will be made in the form of immediately available funds. Except as otherwise provided in the Agreement and notwithstanding the above, the final distribution on this Class A Certificate will be made after due notice by the Trustee of the pendency of such distribution and only upon presentation and surrender of this Class A Certificate at the office or agency maintained for that purpose by the Trustee in Minneapolis, Minnesota. [REVERSE OF CERTIFICATE]

The Certificates do not represent an obligation of, or an interest in, the Seller, the Servicer, the Trustee or any affiliate of any of them. The Certificates are limited in right of payment to certain collections and recoveries respecting the Receivables and claims made under the Policy, all as more specifically set forth in the Agreement. A copy of the Agreement may be examined during normal business hours at the principal office of the Seller, and at such other places, if any, designated by the Seller, by any Certificateholder upon request.

The Agreement permits, with certain exceptions therein provided, the amendment thereof and the modification of the rights and obligations of the Seller and the rights of the Certificateholders under the Agreement at any time by the Seller, the Servicer and the Trustee with the consent of the Certificate Insurer and with the consent of the Holders of Certificates evidencing not less than 54% of the Class A Certificate Balance and 51% of the Class B Certificate Balance. Any such consent by the Holder of this Certificate shall be conclusive and binding on such Holder and on all future Holders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent is made upon this Certificate.

As provided in the Agreement and subject to certain limitations set forth therein, the transfer of this Certificate is registrable in the Certificate Register upon surrender of this Certificate for registration of transfer at the offices or agencies maintained by the Trustee in its capacity as Certificate Registrar, or by any successor Certificate Registrar, accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Certificates of authorized denominations evidencing the same aggregate interest in the Trust will be issued to the designated transferee.

The Class A Certificates are issuable only as registered Certificates without coupons in minimum denominations of \$1,000 and integral multiples thereof; however, one certificate may be issued in the residual amount. As provided in the Agreement and subject to certain limitations set forth therein, Certificates are exchangeable for new Certificates of authorized denominations evidencing the same aggregate denomination, as requested by the Holder surrendering the same. No service charge will be made for any such registration of transfer or exchange, but the Trustee may require payment of a sum sufficient to cover any tax or governmental charges payable in connection therewith.

The Trustee, the Certificate Registrar, and any agent of the Trustee or the Certificate Registrar may treat the person in whose name this Certificate is registered as the owner hereof for all purposes, and neither the Trustee, the Certificate Registrar, nor any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Agreement and the Trust created thereby shall terminate upon the payment to Certificateholders of all amounts required to be paid to them pursuant to the Agreement, the payment of all Reimbursement Obligations, and the expiration of any preference period with respect thereto and the disposition of all property held as part of the Trust. The Servicer of the Receivables may at its option purchase the corpus of the Trust at a price specified in the Agreement, and such purchase of the Receivables and other property of the Trust will effect early retirement of the Certificates; however, such right of purchase is exercisable only as of the last day of any Collection Period as of which the Pool Balance is less than or equal to 10% of the original aggregate principal balance of the Receivables.

(xxii) Title. It is the intention of the Seller that the transfer and assignment herein contemplated constitute a sale of the Receivables from the Seller to the Purchaser and that the beneficial interest in and title to such Receivables not be part of the debtor's estate in the event of the filing of a bankruptcy petition by or against the Seller under any bankruptcy law. No Receivable has been sold, transferred, assigned, or pledged by the Seller to any Person other than the Purchaser or any such pledge has been released on or prior to the Closing Date. Immediately prior to the transfer and assignment herein contemplated, the Seller had good and marketable title to each Receivable, and was the sole owner thereof, free and clear of all liens, claims, encumbrances, security interests, and rights of others and, immediately upon the transfer thereof, the Purchaser shall have good and marketable title to each such Receivable, and will be the sole owner thereof, free and clear of all liens, encumbrances, security interests, and rights of others, and the transfer has been perfected under the UCC.

(xxiii) Lawful Assignment. No Receivable has been originated in, or is subject to the laws of, any jurisdiction under which the sale, transfer, and assignment of such Receivable under this Agreement shall be unlawful, void, or voidable. The Seller has not entered into any agreement with any account debtor that prohibits, restricts or conditions the assignment of any portion of the Receivables.

(xxiv) All Filings Made. All filings (including, without limitation, UCC filings) necessary in any jurisdiction to give the Purchaser a first priority perfected ownership interest in the Receivables have been made.

(xxv) Receivable File; One Original. The Seller has delivered to the Trustee a complete Receivable File with respect to each Receivable. There is only one original executed copy of each Receivable.

(xxvi) Chattel Paper. Each Receivable constitutes "chattel paper" under the UCC.

(xxvii) Valid and Binding Obligation of Obligor. Each Receivable is the legal, valid and binding obligation of the Obligor thereunder and is enforceable in accordance with its terms, except only as such enforcement may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally, and all parties to such contract had full legal capacity to execute and deliver such contract and all other documents related thereto and to grant the security interest purported to be granted thereby.

(xxviii) Tax Liens. As of the Cutoff Date, there is no lien against the related Financed Vehicle for delinquent taxes.

(xxix) Title Documents. (A) If the Receivable was originated in a State in which notation of security interest on the title document of the related Financed Vehicle is required or permitted to perfect such security interest, the title document for such Receivable shows, or if a new or replacement title document is being applied for with respect to such Financed Vehicle the title document (or, with respect to Receivables originated in the State of Michigan, all other evidence of ownership with respect to such Financial Vehicle) will be received within 180 days and will show, the Seller named as the original secured party under the related Receivable as the holder of a first priority security interest in such Financed Vehicle, and (B) if the Receivable was originated in a State in which the filing of a financing statement under the UCC is required to perfect a security interest in motor vehicles, such filings or recordings have been duly made and show the Seller named as the original secured party under the related Receivable, and in either case, the Trustee has the same rights as such secured party has or would have (if such secured party were still the owner of the Receivable) against all parties claiming an interest in such Financed Vehicle. With respect

to each Receivable for which the title document of the related Financed Vehicle has not yet been returned from the Registrar of Titles, the Seller has received written evidence from the related Dealer that such title document showing the Seller as first lienholder has been applied for.

(xxx) Casualty. No Financed Vehicle related to a Receivable has suffered a Casualty.

(xxxi) Obligation to Dealers or Others. The Purchaser and its assignees will assume no obligation to Dealers or other originators or holders of the Receivables (including, but not limited to under dealer reserves) as a result of the purchase of the Receivables.

(xxxii) Full Amount Advanced. The full amount of each Receivable has been advanced to each Obligor, and there are no requirements for future advances thereunder. The Obligor with respect to the Receivable does not have any option under the Receivable to borrow from any person additional funds secured by the Financed Vehicle.

(c) The representations and warranties contained in this Agreement shall not be construed as a warranty or guaranty by the Seller as to the future payments by any Obligor. The sale of the Receivables pursuant to this Agreement shall be "without recourse" except for the representations, warranties and covenants made by the Seller in this Agreement or the Pooling and Servicing Agreement.

ARTICLE V

COVENANTS OF THE SELLER

The Seller agrees with the Purchaser as follows; provided, however, that to the extent that any provision of this ARTICLE V conflicts with any provision of the Pooling and Servicing Agreement, the Pooling and Servicing Agreement shall govern:

5.1. Protection of Right, Title and Interest.

(a) Filings. The Seller shall cause all financing statements and continuation statements and any other necessary documents covering the right, title and interest of the Purchaser in and to the Receivables and the other Transferred Property to be promptly filed, and at all times to be kept recorded, registered and filed, all in such manner and in such places as may be required by law fully to preserve and protect the right, title and interest of the Purchaser hereunder to the Receivables and the other Transferred Property. The Seller shall deliver to the Purchaser file stamped copies of, or filing receipts for, any document recorded, registered or filed as provided above, as soon as available following such recordation, registration or filing. The Purchaser shall cooperate fully with the Seller in connection with the obligations set forth above and will execute any and all documents reasonably required to fulfill the intent of this Section 5.1(a). In the event the Seller fails to perform its

obligations under this subsection, the Purchaser or the Trustee may do so at the expense of the Seller.

(b) Name and Other Changes. At least 60 days prior to the date the Seller makes any change in its name, identity or corporate structure which would make any financing statement or continuation statement filed in accordance with paragraph (a) above seriously misleading within the applicable provisions of the UCC or any title statute, the Seller shall give the Trustee, the Certificate Insurer (so long as an Insurer Default shall not have occurred and be continuing) and the Purchaser written notice of any such change and no later than five days after the effective date thereof, shall file appropriate amendments to all previously filed financing statements or continuation statements. At least 60 days prior to the date of any relocation of its principal executive office, the Seller shall give the Trustee, the Certificate Insurer (so long as an Insurer Default shall not have occurred and be continuing) and the Purchaser written notice thereof if, as a result of such relocation, the applicable provisions of the UCC would require the filing of any amendment of any previously filed financing or continuation statement or of any new financing statement and the Seller shall within five days after the effective date thereof, file any such amendment or new financing statement. The Seller shall at all times maintain each office from which it shall service Receivables, and its principal executive office, within the United States of America.

(c) Accounts and Records. The Seller shall maintain accounts and records as to each Receivable accurately and in sufficient detail to permit the reader thereof to know at any time the status of such Receivable, including payments and recoveries made and payments owing (and the nature of each).

(d) Maintenance of Computer Systems. The Seller shall maintain its computer systems so that, from and after the time of sale hereunder of the Receivables to the Purchaser, the Seller's master computer records (including any back-up archives) that refer to a Receivable shall indicate clearly the interest of the Purchaser in such Receivable and that such Receivable is owned by the Purchaser. Indication of the Purchaser's ownership of a Receivable shall be deleted from or modified on the Seller's computer systems when, and only when, the Receivable shall have been paid in full or repurchased.

(e) Sale of Other Receivables. If at any time the Seller shall propose to sell, grant a security interest in, or otherwise transfer any interest in any automobile or light-duty truck receivables (other than the Receivables) to any prospective purchaser, lender, or other transferee, the Seller shall give to such prospective purchaser, lender, or other transferee computer tapes, records, or print-outs (including any restored from back-

up archives) that, if they shall refer in any manner whatsoever to any Receivable, shall indicate clearly that such Receivable has been sold and is owned by the Purchaser unless such Receivable has been paid in full or repurchased.

(f) Access to Records. The Seller shall permit the Purchaser and its agents at any time during normal business hours to inspect, audit, and make copies of and abstracts from the Seller's records regarding any Receivable.

(g) List of Receivables. Upon request, the Seller shall furnish to the Purchaser, within five Business Days, a list of all Receivables (by contract number and name of Obligor) then owned by the Purchaser, together with a reconciliation of such list to the Schedule of Receivables.

5.2. Other Liens or Interests. Except for the conveyances hereunder and pursuant to the Pooling and Servicing Agreement, the Seller will not sell, pledge, assign or transfer to any other Person, or grant, create, incur, assume or suffer to exist any lien on any interest therein, and the Seller shall defend the right, title, and interest of the Purchaser in, to and under such Receivables against all claims of third parties claiming through or under the Seller; provided, however, that the Seller's obligations under this Section 5.2 shall terminate upon the termination of the Trust pursuant to the Pooling and Servicing Agreement.

5.3. Chief Executive Office. During the term of the Receivables, the Seller will maintain its chief executive office in one of the United States, except Louisiana or Vermont.

5.4. Costs and Expenses. The Seller agrees to pay all reasonable costs and disbursements in connection with the perfection, as against all third parties, of the Purchaser's right, title and interest in and to the Receivables.

5.5. Delivery of Receivable Files. On or prior to the Closing Date, the Seller shall deliver the Receivable Files to the Trustee at the location specified in Schedule B to the Pooling and Servicing Agreement. The Seller shall have until the last day of the second Collection Period following receipt from the Trustee of notification, pursuant to Section 2.8 of the Pooling and Servicing Agreement, that there has been a failure to deliver a file with respect to a Receivable or that a file is unrelated to the Receivables identified in Schedule A to the Pooling and Servicing Agreement or that any of the documents referred to in Section 2.7 of the Pooling and Servicing Agreement are not contained in a Receivable File, to deliver such file or any of the aforementioned documents required to be included in such Receivable File to the Trustee. Unless such defect with

respect to such Receivable File shall have been cured by the last day of the second Collection Period following discovery thereof by the Trustee, the Seller hereby agrees to repurchase any such Receivable from the Trust as of such last day. In consideration of the purchase of the Receivable, the Seller shall remit the Purchase Amount in the manner specified in Section 4.5 of the Pooling and Servicing Agreement. The sole remedy hereunder of the Trustee, the Trust or the Certificateholders with respect to a breach of this Section 5.5, shall be to require the Seller to repurchase the Receivable pursuant to this Section 5.5. Upon receipt of the Purchase Amount, the Trustee shall release to the Seller or its designee the related Receivable File and shall execute and deliver all instruments of transfer or assignment, without recourse, as are prepared by the Seller and delivered to the Trustee and are necessary to vest in the Seller or such designee title to the Receivable.

5.6. Indemnification. (a) The Seller shall indemnify the Purchaser for any liability as a result of the failure of a Receivable to be originated in compliance with all requirements of law and for any breach of any of its representations and warranties contained herein.

(b) The Seller shall defend, indemnify, and hold harmless the Purchaser from and against any and all costs, expenses, losses, damages, claims, and liabilities, arising out of or resulting from the use, ownership, or operation by the Seller or any Affiliate thereof of a Financed Vehicle.

(c) The Seller shall defend, indemnify, and hold harmless the Purchaser from and against any and all taxes, except for taxes on the net income of the Purchaser, that may at any time be asserted against the Purchaser with respect to the transactions contemplated herein, including, without limitation, any sales, gross receipts, general corporation, tangible personal property, privilege, or license taxes and costs and expenses in defending against the same.

(d) The Seller shall defend, indemnify, and hold harmless the Purchaser from and against any and all costs, expenses, losses, damages, claims and liabilities to the extent that such cost, expense, loss, damage, claim or liability arose out of, or was imposed upon the Purchaser through, the negligence, willful misfeasance, or bad faith of the Seller in the performance of its duties under the Agreement, or by reason of reckless disregard of the Seller's obligations and duties under the Agreement.

(e) The Seller shall defend, indemnify, and hold harmless the Purchaser from and against all costs, expenses, losses, damages, claims and liabilities arising out of or

incurred in connection with the acceptance or performance of the Seller's trusts and duties as Servicer under the Pooling and Servicing Agreement, except to the extent that such cost, expense, loss, damage, claim or liability shall be due to the willful misfeasance, bad faith, or negligence (except for errors in judgment) of the Purchaser.

Indemnification under this Section shall include reasonable fees and expenses of litigation and shall survive termination of the Trust. These indemnity obligations shall be in addition to any obligation that the Seller may otherwise have.

5.7. Sale. The Seller agrees to treat this conveyance for all purposes (including without limitation tax and financial accounting purposes) as a sale on all relevant books, records, tax returns, financial statements and other applicable documents.

5.8. Non-Petition. In the event of any breach of a representation and warranty made by the Purchaser hereunder, the Seller covenants and agrees that it will not take any action to pursue any remedy that it may have hereunder, in law, in equity or otherwise, until a year and a day have passed since the date on which all certificates issued by the Trust or a similar trust formed by the Purchaser have been paid in full. The Purchaser and the Seller agree that damages will not be an adequate remedy for such breach and that this covenant may be specifically enforced by the Purchaser or by the Trustee on behalf of the Trust.

ARTICLE VI

MISCELLANEOUS PROVISIONS

6.1. Obligations of Seller. The obligations of the Seller under this Agreement shall not be affected by reason of any invalidity, illegality or irregularity of any Receivable.

6.2. Repurchase Events. The Seller hereby covenants and agrees with the Purchaser for the benefit of the Purchaser, the Trustee, the Certificate Insurer and the Certificateholders, that (i) the occurrence of a breach of any of the Seller's representations and warranties contained in Section 3.2(b) hereof (without regard to any limitations regarding the Seller's knowledge) and (ii) the failure of the Seller to timely comply with its obligations pursuant to Section 5.5 hereof, shall constitute events obligating the Seller to repurchase the affected Receivables hereunder ("Repurchase Events"), at the Purchase Amount from the Trust. Unless the breach of any of the Seller's representations and warranties shall have been cured by the last day of the second Collection Period following the

discovery thereof by or notice to the Purchaser and the Seller of such breach, the Seller shall repurchase any Receivable if such Receivable is materially and adversely affected by the breach as of the last day of such second Collection Period (or, at the Seller's option, the last day of the first Collection Period following the discovery) and, in the event that the breach relates to a characteristic of the Receivables in the aggregate, and if the Trust is materially and adversely affected by such breach, unless the breach shall have been cured by such second Collection Period, the Seller shall purchase such aggregate Principal Balance of Receivables, such that following such purchase such representation shall be true and correct with respect to the remainder of the Receivables in the aggregate. The provisions of this Section 6.2 are intended to grant the Trustee a direct right against the Seller to demand performance hereunder, and in connection therewith the Seller waives any requirement of prior demand against the Purchaser and waives any defaults it would have against the Purchaser with respect to such repurchase obligation. Any such purchase shall take place in the manner specified in Section 4.5 of the Pooling and Servicing Agreement. For purposes of this Section 6.2, the Purchase Amount of a Receivable which is not consistent with the warranty pursuant to Section 3.2(b)(iv)(a)(3) or (iv)(a)(5) shall include such additional amount as shall be necessary to provide the full amount of interest as contemplated therein. The sole remedy hereunder of the Certificateholders, the Trust, the Certificate Insurer, the Trustee or the Purchaser against the Seller with respect to any Repurchase Event shall be to enforce the Seller's obligation to repurchase such Receivables pursuant to this Agreement; provided, however, that the Seller shall indemnify the Trustee, the Certificate Insurer, the Trust and the Certificateholders against all costs, expenses, losses, damages, claims and liabilities, including reasonable fees and expenses of counsel, which may be asserted against or incurred by any of them, as a result of third party claims arising out of the events or facts giving rise to such breach. Upon receipt of the Purchase Amount, the Purchaser shall cause the Trustee to release the related Receivables File to the Seller and to execute and deliver all instruments of transfer or assignment, without recourse, as are necessary to vest in the Seller title to the Receivable. Notwithstanding the foregoing, if it is determined that consummation of the transactions contemplated by the Pooling and Servicing Agreement and the other transaction documents referenced in such Agreement, servicing and operation of the Trust pursuant to such Agreement and such other documents, or the ownership of a Certificate by a Holder constitutes a violation of the prohibited transaction rules of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), or the Internal Revenue Code of 1986, as amended ("Code") for which no statutory exception or administrative exemption applies, such violation shall not be treated as a Repurchase Event.

6.3. Seller's Assignment of Purchased Receivables. With respect to all Receivables repurchased by the Seller pursuant to this Agreement, the Purchaser shall assign, without recourse except as provided herein, representation or warranty, to the Seller all the Purchaser's right, title and interest in and to such Receivables, and all security and documents relating thereto.

6.4. Conveyance as Sale of Receivables Not Financing. The parties hereto intend that the conveyance hereunder be a sale of the Receivables and the other Transferred Property from the Seller to the Purchaser and not a financing secured by such assets; and the beneficial interest in and title to the Receivables and the other Transferred Property shall not be part of the Seller's estate in the event of the filing of a bankruptcy petition by or against the Seller under any bankruptcy law. In the event that any conveyance hereunder is for any reason not considered a sale, the parties intend that this Agreement constitute a security agreement under the UCC (as defined in the UCC as in effect in the State of California) and applicable law, and the Seller hereby grants to the Purchaser a first priority perfected security interest in, to and under the Receivables and the other Transferred Property being delivered to the Purchaser on the Closing Date, and other property conveyed hereunder and all proceeds of any of the foregoing for the purpose of securing payment and performance of the Certificates and the repayment of amounts owed to the Purchaser from the Seller.

6.5. Trust. The Seller acknowledges that the Purchaser will, pursuant to the Pooling and Servicing Agreement, sell the Receivables to the Trust and assign its rights under this Agreement to the Trustee for the benefit of the Certificate holders, and that the representations and warranties contained in this Agreement and the rights of the Purchaser under this Agreement, including under Sections 6.2 and 6.3 hereof are intended to benefit such Trust and the Certificateholders. The Seller also acknowledges that the Trustee on behalf of the Certificateholders as assignee of the Purchaser's rights hereunder may directly enforce, without making any prior demand on the Purchaser, all the rights of the Purchaser hereunder including the rights under Section 6.2 and 6.3 hereof. The Seller hereby consents to such sale and assignment.

6.6. Amendment. This Agreement may be amended from time to time by a written amendment duly executed and delivered by the Seller and the Purchaser with the consent of the Certificate Insurer; provided, however, that (i) any such amendment that materially adversely affects the rights of the Class A Certificateholders under the Pooling and Servicing Agreement must be consented to by the holders of Class A Certificates representing 66-2/3% or more of the Class A Certificate Balance

and (ii) any such amendment that materially adversely affects the rights of the Class B Certificateholders under the Pooling and Servicing Agreement must be consented to by the holders of Class B Certificates representing 66-2/3% or more of the Class B Certificate Balance.

6.7. Accountants' Letters. (a) KPMG Peat Marwick will review the characteristics of the Receivables and will compare those characteristics to the information with respect to the Receivables contained in the Offering Documents; (b) The Seller will cooperate with the Purchaser and KPMG Peat Marwick in making available all information and taking all steps reasonably necessary to permit such accountants to complete the review set forth in Section 6.7(a) above and to deliver the letters required of them under the Underwriting Agreements; and (c) KPMG Peat Marwick will deliver to the Purchaser a letter, dated the Closing Date, in the form previously agreed to by the Seller and the Purchaser, with respect to the financial and statistical information contained in the Offering Documents under the captions "CPS's Automobile Contract Portfolio -- Delinquency and Loss Experience" and "The Receivables Pool", certain information relating to the Receivables on magnetic tape obtained from the Seller and the Purchaser and with respect to such other information as may be agreed in the form of letter.

6.8. Waivers. No failure or delay on the part of the Purchaser in exercising any power, right or remedy under this Agreement or the Assignment shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or remedy preclude any other or further exercise thereof or the exercise of any other power, right or remedy.

6.9. Notices. All communications and notices pursuant hereto to either party shall be in writing or by telegraph or telex and addressed or delivered to it at its address (or in case of telex, at its telex number at such address) shown in the opening portion of this Agreement or at such other address as may be designated by it by notice to the other party and, if mailed or sent by telegraph or telex, shall be deemed given when mailed, communicated to the telegraph office or transmitted by telex.

6.10. Costs and Expenses. The Seller will pay all expenses incident to the performance of its obligations under this Agreement and the Seller agrees to pay all reasonable out-of-pocket costs and expenses of the Purchaser, excluding fees and expenses of counsel, in connection with the perfection as against third parties of the Purchaser's right, title and interest in and to the Receivables and security interests in the Financed Vehicles and the enforcement of any obligation of the Seller hereunder.

6.11. Representations of the Seller and the Purchaser. The respective agreements, representations, warranties and other statements by the Seller and the Purchaser set forth in or made pursuant to this Agreement shall remain in full force and effect and will survive the closing under Section 2.2 hereof.

6.12. Confidential Information. The Purchaser agrees that it will neither use nor disclose to any person the names and addresses of the Obligors, except in connection with the enforcement of the Purchaser's rights hereunder, under the Receivables, under the Pooling and Servicing Agreement or as required by law.

6.13. Headings and Cross-References. The various headings in this Agreement are included for convenience only and shall not affect the meaning or interpretation of any provision of this Agreement. References in this Agreement to Section names or numbers are to such Sections of this Agreement.

6.14. Third Party Beneficiaries. The parties hereto hereby expressly agree that each of the Trustee for the benefit of the Certificateholders and the Certificate Insurer shall be third party beneficiaries with respect to this Agreement, provided, however, that no third party other than the Trustee for the benefit of the Certificateholders and the Certificate Insurer shall be deemed a third party beneficiary of this Agreement.

6.15. Governing Law. THIS AGREEMENT AND THE ASSIGNMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES.

6.16. Counterparts. This Agreement may be executed in two or more counterparts and by different parties on separate counterparts, each of which shall be an original, but all of which together shall constitute one and the same instrument.

[Rest of page left intentionally blank.]

IN WITNESS WHEREOF, the parties hereby have caused this Agreement to be executed by their respective officers thereunto duly authorized as of the date and year first above written.
